

For Physicians Referring Patients to VNSNY CHOICE MLTC

About VNSNY CHOICE MLTC (Managed Long Term Care)

CHOICE MLTC is a health plan created to help New Yorkers with complex health needs live independently in their homes and communities. Patients are eligible if they are:

- At least 18 years old
- Eligible for Medicaid
- Living in the service area covered by the plan
- In need of community-based long term care (for more than 120 days) based on a functional assessment*
- Able to remain safely at home with assistance for Activities of Daily Living (such as bathing, dressing, walking or preparing food)

How CHOICE MLTC benefits your patients:

- Comprehensive
 - Includes home, community and facility-based services
 - Interdisciplinary team approach
- Continuity
 - Care management assures coordination across all settings
 - Allows members to keep their own doctors
- Simplicity
 - Helps patients navigate the complexities of the healthcare system
- Accessibility
 - 24/7 nurse support hotline
 - Care delivered in 20 languages

*Services include: nursing services in the home, therapies in the home, home health aide services, personal care services in the home, adult day health care, private duty nursing or Consumer Directed Personal Assistance Services.

How CHOICE MLTC benefits your practice:

- Helps patients remain in the community and reduces avoidable nursing home care
- Helps patients comply with your plan of care
- Provides a single point of contact with overview of all patient services
- No impact on your compensation
