VNSNY CHOICE Social Adult Day Care Site Visits

Requirements for Conducting Site Visits

Background

- Under the benefits offered to members enrolled in VNSNY CHOICE’s Managed Long Term Care Plan (“MLTC”) and Dual Medicaid Advantage Plus (“Total”), VNSNY CHOICE offers its eligible members the ability to receive social day care services from social adult day care service providers (“SADCs”) as a substitute for in-home personal care services and in order to offer these members a structured comprehensive program that provides socialization, supervision, monitoring, personal care and nutrition in a protective setting.

- VNSNY CHOICE must annually perform site assessment visits for each of its SADCs pursuant to contract with New York MLTC Medicaid contract, and must also conduct credentialing site visits with subsequent recredentialing visits every three years for each SADC pursuant to the New York State Office for the Aging (“SOFA”) regulations (each visit, a “Site Visit”). Annual visits and credentialing obligations require submission of several of the same documents, many of which have already been collected as part of the credentialing and recredentialing process. The Annual Site Visit Documentation Checklist provided on the following pages streamlines collection of some of these documents to avoid repeated requests and collections.

- This VNSNY CHOICE Social Adult Day Care Site Visit Survey (the “Site Visit Survey”) complies with all statutory, regulatory, sub-regulatory and contractual requirements applicable to the credentialing, recredentialing and monitoring of SADCs participating in the VNSNY CHOICE provider network, and guides each CHOICE staffer making a Site Visit (a “Site Visitor”) with respect to appropriate documentation and standards necessary to apprise compliance for each SADC visited.

- These instructions, in conjunction with the Site Visit Survey, are intended to guide Site Visitors in preparing for and conducting Site Visits to ensure compliance with all applicable legal requirements.

- All Site Visitors must be trained to VNSNY CHOICE’s Fraud, Waste and Abuse policies by the Special Investigations Unit.

Instructions

Document Collection

1. At least 10 days before the Site Visit, contact Provider Services to obtain copies of documents listed as Documents Maintained by Provider Services on the Document Collection Checklist on the following page.
   a. Upon receipt of documents, review each document for an expiration date.
   b. If the document has expired, please request an updated document from the SADC pursuant to the procedures set forth below.
   c. In the event that the Site Visit occurs in conjunction with an initial credentialing visit, as indicated by Provider Services, request all documents from Provider Services, including those listed as Documents To Be Obtained from SADC in Advance of Site Visit on the Document Collection Checklist on the following page.
   d. If Provider Services does not have a copy of any documents listed on the Document Collection Checklist, please request these documents from the SADC pursuant to the procedures set forth below.

2. At least 5 days before the Site Visit, contact the SADC via phone and email to obtain copies of the documents listed as Documents To Be Obtained from SADC in Advance of Site Visit on the Document
Collection Checklist on the following page, as well as any missing or outdated documents from the Provider Services Document Collection Checklist.

a. If the SADC fails to provide the required document(s), contact the SADC again to request the document(s) at least 3 days before the Site Visit.
b. If the SADC is unable to provide the required document(s) in advance of the SADC Site Visit, request the document(s) again at the time of the Site Visit.

3. Bring copies, either paper or electronic, of all documents collected before the Site Visit for reference during the Site Visit.

4. Certain documents, identified as Documents To Be Obtained During Site Visit on the Document Checklist, must be collected at the time of the Site Visit. As part of your initial contact with the SADC, provide the SADC with this list of documents and communicate your expectation to collect and evaluate the documents as part of your Site Visit.

5. For items regarding member records for annual visits and recredentialing applications, review five randomly chosen VNSNY CHOICE member records. The same five records may be used for all questions. If site has fewer than five VNSNY CHOICE members, review all members’ records. For initial credentialing applications, review blank member record forms.

**Documentation of Findings**

1. Use the Site Visit Survey to guide your Site Visit, documenting the answers to each question and taking notes when applicable.

2. Where indicated in the Site Visit Survey, and if you wish to document additional findings during your Site Visit, please document in the best way possible.

**Site Visit Follow-Up Items and Referrals:**

1. Any identified Fraud, Waste and Abuse issues must be referred to the Special Investigations Unit at [212-760-3274] immediately upon completion of the Site Visit Survey, consistent with VNSNY CHOICE’s Special Investigations Unit and Fraud, Waste and Abuse Policy.

2. Provider Services or Credentialing will determine how many days that a SADC will have after the Site Visit to provide a copy of any requested documentation to VNSNY CHOICE, if not already provided.
