CHAPTER 1:

Get started as a member

SECTION 1 You're a member of VNS Health Total

Section 1.1 You're enrolled in VNS Health Total, which is a specialized Medicare Advantage Plan (Special Needs Plan)

You're covered by both Medicare and Medicaid:

- **Medicare** is the federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with end-stage renal disease (kidney failure).
- **Medicaid** is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources. Medicaid coverage varies depending on the state and the type of Medicaid you have. Some people with Medicaid get help paying for their Medicare premiums and other costs. Other people also get coverage for additional services and drugs that aren't covered by Medicare.

You've chosen to get your Medicare and Medicaid health care and your drug coverage through our plan, VNS Health Total. Our plan covers all Part A and Part B services. However, cost sharing and provider access in our plan differ from Original Medicare.

VNS Health Total is a specialized Medicare Advantage Plan (a Medicare Special Needs Plan), which means benefits are designed for people with special health care needs. VNS Health Total is designed for people who have Medicare and are entitled to help from Medicaid.

Because you get help from Medicaid with Medicare Part A and B cost sharing (deductibles, copayments, and coinsurance), you may pay nothing for your Medicare services. Medicaid also provides other benefits by covering health care services that aren't usually covered under Medicare. You'll also get Extra Help from Medicare to pay for the costs of your Medicare drugs. VNS Health Total will help you manage all these benefits, so you get the health services and payment help that you're entitled to.

VNS Health Total is run by a non-profit organization. Like all Medicare Advantage Plans, this Medicare Special Needs Plan is approved by Medicare. Our plan also has a contract with the New York State Medicaid program to coordinate your Medicaid benefits. We're pleased to provide your Medicare and Medicaid coverage, including drug coverage.

Section 1.2 Legal information about the *Evidence of Coverage*

This *Evidence of Coverage* is part of our contract with you about how VNS Health Total covers your care. Other parts of this contract include your enrollment form, the *List of Covered Drugs* (formulary), and any notices you get from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called *riders* or *amendments*.

The contract is in effect for the months you're enrolled in VNS Health Total between January 1, 2026, and December 31, 2026.

Medicare allows us to make changes to our plans we offer each calendar year. This means we can change the costs and benefits of VNS Health Total after December 31, 2026. We can also choose to stop offering our plan in your service area, or to offer it in a different service area, after December 31, 2026.

Medicare (the Centers for Medicare & Medicaid Services) and New York State Medicaid Program must approve VNS Health Total. You can continue each year to get Medicare coverage as a member of our plan as long as we choose to continue offering our plan and Medicare and New York State Medicaid Program renew approval of our plan.

SECTION 2 Plan eligibility requirements

Section 2.1 Eligibility requirements

You're eligible for membership in our plan as long as you meet all these conditions:

- You have both Medicare Part A and Medicare Part B
- You live in our geographic service area (described in Section 2.3). People who are incarcerated aren't considered to be living in the geographic service area even if they're physically located in it.
- You're a United States citizen or lawfully present in the United States.
- You meet the special eligibility requirements described below.

Special eligibility requirements for our plan

Our plan is designed to meet the needs of people who get certain Medicaid benefits. (Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources.) To be eligible for our plan you must be eligible for Medicare and Full Medicaid Benefits.

Chapter 1 Get started as a member

Note: If you lose your eligibility but can reasonably be expected to regain eligibility within 3 month(s), then you're still eligible for membership. Chapter 4, Section 2.1 tells you about coverage and cost sharing during a period of deemed continued eligibility.

Section 2.2 Medicaid

Medicaid is a joint federal and state government program that helps with medical and long-term care costs for certain people who have limited incomes and resources. Each state decides what counts as income and resources, who's eligible, what services are covered, and the cost for services. States also can decide how to run its program as long as they follow the federal guidelines.

In addition, Medicaid offers programs to help people pay their Medicare costs, such as their Medicare premiums. These Medicare Savings Programs help people with limited income and resources save money each year:

- **Qualified Medicare Beneficiary Plus (QMB+):** QMB+ beneficiaries receive full Medicaid coverage, and Medicaid pays their Medicare Part A and Part B premiums, and other cost sharing (like deductibles, coinsurance, and copayments). QMB+ beneficiaries automatically qualify for the Medicare Part D “Extra Help” program.
- **Qualified Medicare Beneficiary (QMB):** Helps pay Medicare Part A and Part B premiums, and other cost sharing (like deductibles, coinsurance, and copayments). (Some people with QMB are also eligible for full Medicaid benefits (QMB+).)

Section 2.3 Plan service area for VNS Health Total

VNS Health Total is only available to people who live in our plan service area. To stay a member of our plan, you must continue to live in our plan service area. The service area is described below.

Our service area includes these counties in New York State: Albany, Bronx, Erie, Kings (Brooklyn), Monroe, Nassau, New York (Manhattan), Queens, Rensselaer, Richmond (Staten Island), Schenectady, Suffolk, and Westchester Counties in New York State. You must live in one of these areas to join the plan.

If you plan to move to a new state, you should also contact your state's Medicaid office and ask how this move will affect your Medicaid benefits. Phone numbers for Medicaid are in Chapter 2, Section 6 of this document.

If you move out of our plan's service area, you can't stay a member of this plan. Call your Care Team at 1-866-783-1444 (TTY users call 711) to see if we have a plan in your new area. When you move, you'll have a Special Enrollment Period to either switch to Original Medicare or enroll in a Medicare health or drug plan in your new location.

If you move or change your mailing address, it's also important to call Social Security. Call Social Security at 1-800-772-1213 (TTY users call 1-800-325-0778).

Section 2.4 U.S. citizen or lawful presence

You must be a U.S. citizen or lawfully present in the United States to be a member of a Medicare health plan. Medicare (the Centers for Medicare & Medicaid Services) will notify VNS Health Total if you're not eligible to stay a member of our plan on this basis. VNS Health Total must disenroll you if you don't meet this requirement.

SECTION 3 Important membership materials

Section 3.1 Our plan membership card

Use your membership card whenever you get services covered by our plan and for prescription drugs you get at network pharmacies. You should also show the provider your Medicaid card. Sample membership card:

DON'T use your red, white, and blue Medicare card for covered medical services while you're a member of this plan. If you use your Medicare card instead of your VNS Health Total membership card, you may have to pay the full cost of medical services yourself. Keep your Medicare card in a safe place. You may be asked to show it if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials).

If our plan membership card is damaged, lost, or stolen, call your Care Team at 1-866-783-1444 (TTY users call 711) right away and we'll send you a new card.

Section 3.2 Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists our current network providers and durable medical equipment suppliers and pharmacies.

Network providers are the doctors and other health care professionals, medical groups, durable medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost sharing as payment in full.

You must use network providers to get your medical care and services. If you go elsewhere without proper authorization, you'll have to pay in full. The only exceptions are emergencies, urgently needed services when the network isn't available (that is, situations where it's unreasonable or not possible to get services in network), out-of-area dialysis services, and cases when VNS Health Total authorizes use of out-of-network providers.

Network pharmacies are pharmacies that agree to fill covered prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use. See Chapter 5, Section 2.4 for information on when you can use pharmacies that aren't in our plan's network.

If you don't have a *Provider and Pharmacy Directory*, you can request a copy (electronically or in hardcopy form) from your Care Team at 1-866-783-1444 (TTY users call 711). Requests for hard copy *Provider and Pharmacy Directories* will be mailed to you within three business days. You can also find this information on our website at vnshealthplans.org/providers.

Section 3.3 Drug List (formulary)

Our plan has a *List of Covered Drugs* (also called the Drug List or formulary). It tells which prescription drugs are covered under the Part D benefit in VNS Health Total. The drugs on this list are selected by our plan, with the help of doctors and pharmacists. The Drug List must meet Medicare's requirements. Drugs with negotiated prices under the Medicare Drug Price Negotiation Program will be included on your Drug List unless they have been removed and replaced as described in Chapter 5, Section 6. Medicare approved the VNS Health Total Drug List.

The Drug List also tells if there are any rules that restrict coverage for a drug.

We'll give you a copy of the Drug List. The Drug List includes information for the covered drugs most commonly used by our members. However, we also cover additional drugs that aren't included in the Drug List. If one of your drugs isn't listed in the Drug List, visit our website or call your Care Team at 1-866-783-1444 (TTY users call 711) to find out if we cover it. To get the most complete and current information about which drugs are covered, visit

vnshealthplans.org/formulary for our drug list or call your Care Team at 1-866-783-1444 (TTY users call 711).

SECTION 4 Summary of Important Costs for 2026

Your costs may include the following:

- Plan Premium (Section 4.1)
- Monthly Medicare Part B Premium (Section 4.2)
- Part D Late Enrollment Penalty (Section 4.3)
- Income Related Monthly Adjusted Amount (Section 4.4)

Section 4.1 Plan premium

You don't pay a separate monthly plan premium for VNS Health Total.

Medicare Part B and Part D premiums differ for people with different incomes. If you have questions about these premiums, check your copy of the *Medicare & You 2026* handbook in the section called *2026 Medicare Costs*. Download a copy from the Medicare website (www.Medicare.gov/medicare-and-you) or order a printed copy by phone at 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.

Section 4.2 Monthly Medicare Part B Premium

Many members are required to pay other Medicare premiums

Some members are required to pay other Medicare premiums. As explained in Section 2 above to be eligible for our plan, you must maintain your eligibility for Medicaid as well as have both Medicare Part A and Medicare Part B. For most VNS Health Total members, Medicaid pays for your Part A premium (if you don't qualify for it automatically) and Part B premium.

If Medicaid isn't paying your Medicare premiums for you, you must continue to pay your Medicare premiums to stay a member of our plan. This includes your premium for Part B. You may also pay a premium for Part A if you aren't eligible for premium-free Part A.

Section 4.3 Part D Late Enrollment Penalty

Because you're dually-eligible, the LEP doesn't apply as long as you maintain your dually-eligible status, but if you lose your dually-eligible status, you may incur an LEP. The Part D late enrollment penalty is an additional premium that must be paid for Part D coverage if at any time after your initial enrollment period is over, there was a period of 63 days or more in a row when you didn't have Part D or other creditable drug coverage. Creditable prescription drug coverage is coverage that meets Medicare's minimum standards since it is expected to pay, on average, at least as much as Medicare's standard drug coverage. The cost of the late enrollment penalty depends on how long you went without Part D or other creditable

prescription drug coverage. You'll have to pay this penalty for as long as you have Part D coverage.

You **don't** have to pay the Part D late enrollment penalty if:

- You get Extra Help from Medicare to help pay your drug costs.
- You went less than 63 days in a row without creditable coverage.
- You had creditable drug coverage through another source (like a former employer, union, TRICARE, or Veterans Health Administration (VA)). Your insurer or human resources department will tell you each year if your drug coverage is creditable coverage. You may get this information in a letter or a newsletter from that plan. Keep this information, because you may need it if you join a Medicare drug plan later.
 - **Note:** Any letter or notice must state that you had creditable prescription drug coverage that's expected to pay as much as Medicare's standard drug plan pays.
 - **Note:** Prescription drug discount cards, free clinics, and drug discount websites aren't creditable prescription drug coverage.

Medicare determines the amount of the Part D late enrollment penalty. Here's how it works:

- First, count the number of full months that you delayed enrolling in a Medicare drug plan, after you were eligible to enroll. Or count the number of full months you did not have creditable drug coverage, if the break in coverage was 63 days or more. The penalty is 1% for every month that you didn't have creditable coverage. For example, if you go 14 months without coverage, the penalty percentage will be 14%.
- Then Medicare determines the amount of the average monthly plan premium for Medicare drug plans in the nation from the previous year (national base beneficiary premium). For 2026, this average premium amount is \$38.99.
- To calculate your monthly penalty, multiply the penalty percentage by the national base beneficiary premium and round to the nearest 10 cents. In the example here, it would be 14% times \$38.99, which equals \$5.46. This rounds to \$5.50. This amount would be added **to the monthly plan premium for someone with a Part D late enrollment penalty.**

Three important things to know about the monthly Part D late enrollment penalty:

- **The penalty may change each year**, because the national base beneficiary premium can change each year.

Chapter 1 Get started as a member

- **You'll continue to pay a penalty** every month for as long as you're enrolled in a plan that has Medicare Part D drug benefits, even if you change plans.
- If you're *under* 65 and enrolled in Medicare, the Part D late enrollment penalty will reset when you turn 65. After age 65, your Part D late enrollment penalty will be based only on the months you don't have coverage after your initial enrollment period for aging into Medicare.

If you disagree about your Part D late enrollment penalty, you or your representative can ask for a review. Generally, you must ask for this review **within 60 days** from the date on the first letter you get stating you have to pay a late enrollment penalty. However, if you were paying a penalty before you joined our plan, you may not have another chance to ask for a review of that late enrollment penalty.

Section 4.4 Income Related Monthly Adjustment Amount

If you lose eligibility for this plan because of changes in income, some members may be required to pay an extra charge for their Medicare plan, known as the Part D Income Related Monthly Adjustment Amount (IRMAA). The extra charge is calculated using your modified adjusted gross income as reported on your IRS tax return from 2 years ago. If this amount is above a certain amount, you'll pay the standard premium amount and the additional IRMAA. For more information on the extra amount you may have to pay based on your income, visit www.Medicare.gov/health-drug-plans/part-d/basics/costs.

If you have to pay an extra IRMAA, Social Security, not your Medicare plan, will send you a letter telling you what that extra amount will be. The extra amount will be withheld from your Social Security, Railroad Retirement Board, or Office of Personnel Management benefit check, no matter how you usually pay our plan premium, unless your monthly benefit isn't enough to cover the extra amount owed. If your benefit check isn't enough to cover the extra amount, you'll get a bill from Medicare. **You must pay the extra IRMAA to the government. It can't be paid with your monthly plan premium. If you don't pay the extra IRMAA, you'll be disenrolled from our plan and lose prescription drug coverage.**

If you disagree about paying an extra IRMAA, you can ask Social Security to review the decision. To find out how to do this, call Social Security at 1-800-772-1213 (TTY users call 1-800-325-0778).

SECTION 5 More information about your monthly plan premium

Section 5.1 Our monthly plan premium won't change during the year

We're not allowed to change our plan's monthly plan premium amount during the year. If the monthly plan premium changes for next year, we'll tell you in September, and the new premium will take effect on January 1.

However, in some cases, you may be able to stop paying a late enrollment penalty, if you owe one, or you may need to start paying a late enrollment penalty. This could happen if you become eligible for Extra Help or lose your eligibility for Extra Help during the year.

- If you currently pay a Part D late enrollment penalty and become eligible for Extra Help during the year, you'd be able to stop paying your penalty.
- If you lose Extra Help, you may be subject to the Part D late enrollment penalty if you go 63 days or more in a row without Part D or other creditable drug coverage.

Find out more about Extra Help in Chapter 2, Section 7.

SECTION 6 Keep your plan membership record up to date

Your membership record has information from your enrollment form, including your address and phone number. It shows your specific plan coverage including your Primary Care Provider/Medical Group/IPA.

The doctors, hospitals, pharmacists, and other providers in our plan's network **use your membership record to know what services and drugs are covered and your cost-sharing amounts**. Because of this, it's very important to help us keep your information up to date.

If you have any of these changes, let us know:

- Changes to your name, address, or phone number
- Changes in any other health coverage you have (such as from your employer, your spouse or domestic partner's employer, workers' compensation, or Medicaid)
- Any liability claims, such as claims from an automobile accident
- If you're admitted to a nursing home
- If you get care in an out-of-area or out-of-network hospital or emergency room
- If your designated responsible party (such as a caregiver) changes
- If you participate in a clinical research study (**Note:** You're not required to tell our plan about clinical research studies you intend to participate in, but we encourage you to do so.)

If any of this information changes, let us know by calling your Care Team at 1-866-783-1444 (TTY users call 711).

It's also important to contact Social Security if you move or change your mailing address. Call Social Security at 1-800-772-1213 (TTY users call 1-800-325-0778).

SECTION 7 How other insurance works with our plan

Medicare requires us to collect information about any other medical or drug coverage you have so we can coordinate any other coverage with your benefits under our plan. This is called **Coordination of Benefits**.

Once a year, we'll send you a letter that lists any other medical or drug coverage we know about. Read this information carefully. If it's correct, you don't need to do anything. If the information isn't correct, or if you have other coverage that's not listed, call your Care Team at 1-866-783-1444 (TTY users call 711). You may need to give our plan member ID number to your other insurers (once you confirm their identity) so your bills are paid correctly and on time.

When you have other insurance (like employer group health coverage), Medicare rules decide whether our plan or your other insurance pays first. The insurance that pays first (the "primary payer") pays up to the limits of its coverage. The insurance that pays second, (the "secondary payer") only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay all uncovered costs. If you have other insurance, tell your doctor, hospital, and pharmacy.

These rules apply for employer or union group health plan coverage:

- If you have retiree coverage, Medicare pays first.
- If your group health plan coverage is based on your or a family member's current employment, who pays first depends on your age, the number of people employed by your employer, and whether you have Medicare based on age, disability, or End-Stage Renal Disease (ESRD):
 - If you're under 65 and disabled and you (or your family member) are still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan has more than 100 employees.
 - If you're over 65 and you (or your spouse or domestic partner) are still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan has more than 20 employees.

Chapter 1 Get started as a member

- If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance)
- Liability (including automobile insurance)
- Black lung benefits
- Workers' compensation

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare and/or employer group health plans have paid.

SECTION 3 State Health Insurance Assistance Program (SHIP)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state that offers free help, information, and answers to your Medicare questions. In New York State, the SHIP is called Health Insurance Information Counseling and Assistance Program (HIICAP).

Health Insurance Information Counseling and Assistance Program (HIICAP) is an independent state program (not connected with any insurance company or health plan) that gets money from the federal government to give free local health insurance counseling to people with Medicare.

Health Insurance Information Counseling and Assistance Program (HIICAP) counselors can help you understand your Medicare rights, make complaints about your medical care or treatment, and straighten out problems with your Medicare bills. Health Insurance Information Counseling and Assistance Program (HIICAP) counselors can also help you with Medicare questions or problems, help you understand your Medicare plan choices, and answer questions about switching plans.

SECTION 4 Quality Improvement Organization (QIO)

A designated Quality Improvement Organization (QIO) serves people with Medicare in each state. For New York State, the Quality Improvement Organization is called Livanta.

Livanta has a group of doctors and other health care professionals paid by Medicare to check on and help improve the quality of care for people with Medicare. Livanta is an independent organization. It’s not connected with our plan.

Contact Livanta in any of these situations:

- You have a complaint about the quality of care you got. Examples of quality-of-care concerns include getting the wrong medication, unnecessary tests or procedures, or a misdiagnosis.
- You think coverage for your hospital stay is ending too soon.
- You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services is ending too soon.

SECTION 5 Social Security

Social Security determines Medicare eligibility and handles Medicare enrollment. Social Security is also responsible for determining who has to pay an extra amount for Part D drug coverage because they have a higher income. If you got a letter from Social Security telling you that you have to pay the extra amount and have questions about the amount or if your income went down because of a life-changing event, you can call Social Security to ask for reconsideration.

If you move or change your mailing address, contact Social Security to let them know.

SECTION 7 Programs to help people pay for prescription drugs

The Medicare website (www.Medicare.gov/basics/costs/help/drug-costs) has information on ways to lower your prescription drug costs. The programs below can help people with limited incomes.

Extra Help from Medicare

Because you're eligible for Medicaid, you qualify for and get Extra Help from Medicare to pay for your prescription drug plan costs. You don't need to do anything further to get this Extra Help.

If you have questions about Extra Help, call:

- 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048;
- The Social Security Office at 1-800-772-1213, between 8 am and 7 pm, Monday through Friday. TTY users call 1-800-325-0778; or
- Your State Medicaid Office at 1-800-541-2831.

If you think you're paying an incorrect amount for your prescription at a pharmacy, our plan has a process to help you get evidence of your proper copayment amount. If you already have evidence of the right amount, we can help you share this evidence with us.

- If you need help getting evidence of your proper copayment level, please call us at 1-866-783-1444 (TTY users call 711), and let the representative know you need help

getting this information. In order to get this information, we may have to contact Medicare on your behalf. Representatives are available 7 days a week, 8 am – 8 pm (Oct. – Mar.) and weekdays 8 am – 8 pm (Apr. – Sept.).

- When we get the evidence showing the right copayment level, we'll update our system so you can pay the right copayment amount when you get your next prescription. If you overpay your copayment, we'll pay you back, either by check or a future copayment credit. If the pharmacy didn't collect your copayment and you owe them a debt, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Call your Care Team at 1-866-783-1444 (TTY users call 711) if you have questions.

What if you have Extra Help and coverage from an AIDS Drug Assistance Program (ADAP)?

The AIDS Drug Assistance Program (ADAP) helps people living with HIV/AIDS access life-saving HIV medications. Medicare Part D drugs that are also on the ADAP formulary qualify for prescription cost-sharing help through the AIDS Drug Assistance Program (ADAP).

Note: To be eligible for the ADAP in your state, people must meet certain criteria, including proof of state residence and HIV status, low income (as defined by the state), and uninsured/under-insured status. If you change plans, notify your local ADAP enrollment worker so you can continue to get help. For information on eligibility criteria, covered drugs, or how to enroll in the program, call 1-800-542-2437.

SECTION 8 Railroad Retirement Board (RRB)

The Railroad Retirement Board is an independent federal agency that administers comprehensive benefit programs for the nation's railroad workers and their families. If you get Medicare through the Railroad Retirement Board, let them know if you move or change your mailing address. For questions about your benefits from the Railroad Retirement Board, contact the agency.

CHAPTER 3:

Using our plan for your medical and other covered services

SECTION 1 How to get medical care and other services as a member of our plan

This chapter explains what you need to know about using our plan to get your medical care and other services covered.

For details on what medical care and other services our plan covers, go to the Medical Benefits Chart in Chapter 4.

Section 1.1 Network providers and covered services

- **Providers** are doctors and other health care professionals licensed by the state to provide medical services and care. The term “providers” also includes hospitals and other health care facilities.
- **Network providers** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment as payment in full. We arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay nothing for covered services.
- **Covered services** include all the medical care, health care services, supplies equipment, and prescription drugs that are covered by our plan. Your covered services for medical care are listed in the Medical Benefits Chart in Chapter 4. Your covered services for prescription drugs are discussed in Chapter 5.

Section 1.2 Basic rules for your medical care and other services to be covered by our plan

As a Medicare and Medicaid health plan, VNS Health Total must cover all services covered by Original Medicare and may offer other services in addition to those covered under Original Medicare (See Section 2 in Chapter 4).

VNS Health Total will generally cover your medical care as long as:

- **The care you get is included in our plan’s Medical Benefits Chart in Chapter 4.**

Chapter 3 Using our plan for your medical and other covered services

- **The care you get is considered medically necessary.** Medically necessary means that the services, supplies, equipment, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- **You have a network primary care provider (a PCP) providing and overseeing your care.** As a member of our plan, you must choose a network PCP (go to Section 2.1 for more information).
 - You don't need referrals from your PCP for emergency care or urgently needed services. To learn about other kinds of care you can get without getting approval in advance from your PCP, go to Section 2.2 of this chapter.
- **You must get your care from a network provider** (see Section 2). In most cases, care you get from an out-of-network provider (a provider who's not part of our plan's network) won't be covered. This means that you have to pay the provider in full for services you get. Here are 3 exceptions:
 - Our plan covers emergency care or urgently needed services you get from an out-of-network provider. For more information, and to see what emergency or urgently needed services are, go to Section 3.
 - If you need medical care that Medicare or Medicaid requires our plan to cover but there are no specialists in our network that provide this care, you can get this care from an out-of-network provider at the same cost sharing you normally pay in-network. Get authorization from our plan before seeking care. In this situation, we'll cover these services at no cost to you. For information about getting approval to see an out-of-network doctor, go to Section 2.4.
 - Our plan covers kidney dialysis services you get at a Medicare-certified dialysis facility when you're temporarily outside our plan's service area or when your provider for this service is temporarily unavailable or inaccessible. The cost sharing you pay our plan for dialysis can never be higher than the cost sharing in Original Medicare. If you're outside our plan's service area and get dialysis from a provider outside our plan's network, your cost sharing can't be higher than the cost sharing you pay in-network. However, if your usual in-network provider for dialysis is temporarily unavailable and you choose to get services inside our service area from a provider outside our plan's network, your cost sharing for the dialysis may be higher.

SECTION 2 Use providers in our plan’s network to get medical care and other services

Section 2.1 You must choose a Primary Care Provider (PCP) to provide and oversee your care

What is a PCP and what does the PCP do for you?

What is a PCP?

Your PCP is a licensed health care professional who meets state requirements and is trained to give you basic medical care. You will get routine or basic care from your PCP. Your PCP will also coordinate many of the covered services you get as a member of our plan. (Please see Chapter 12 for a definition of Primary Care Physician.)

What types of providers may act as a PCP?

A PCP is a health care professional, either a physician or Nurse Practitioner that you choose to coordinate your health care.

What is the role of a PCP in our plan?

Your PCP will provide most of your care and help you arrange or coordinate many of the covered services that you get as a member in VNS Health Total. This may include:

- X-rays
- Laboratory tests
- Therapies
- Care from doctors who are specialists
- Hospital admissions, and
- Follow-up care

What is the role of the PCP in coordinating covered services?

As a member of VNS Health Total, your PCP will coordinate many of the covered services you get as a plan member. “Coordinating” your services includes checking or consulting with other plan providers about your care and how it is going and making sure your services are meeting your specific health needs.

What is the role of the PCP in making decisions about or getting a prior authorization (PA), if applicable?

The participating PCP who will be providing the service to the member shall make requests for services requiring Prior Authorization. Requests can be made by contacting the VNS Health Medical Management Department at the telephone number listed in Chapter 2 of this document.

How to choose a PCP

There are also some other kinds of care you can get without having approval in advance from your PCP (for more information about this, see Section 2.2 of this chapter).

How to change your PCP

You can change your PCP for any reason, at any time. It's also possible that your PCP might leave our plan's network of providers, and you'd need to choose a new PCP.

If you need to change your PCP, call your Care Team and we will check to make sure that the doctor is accepting new patients. Your Care Team will change your membership record to show the name of your new PCP. Changes to your PCP will take effect on the first day of the month following the date of the request.

Your Care Team will also send you a new membership ID card with the name of your new PCP.

VNS Health Total will also let you know when your PCP leaves the network and will help you choose another PCP so that you can keep getting covered services. If you are in the course of treatment for a specific illness or injury, please speak to your Care Team about transitional care. In some instances, you may be able to continue to receive services from the physician who is leaving the VNS Health Total network until you complete your current course of treatment.

Section 2.2 Medical care and other services you can get without a PCP referral

You can get the services listed below without getting approval in advance from your PCP.

- Routine women's health care, including breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider.
- Flu shots, COVID-19 vaccines, Hepatitis B vaccines, and pneumonia vaccines as long as you get them from a network provider.
- Emergency services from network providers or from out-of-network providers.
- Urgently needed plan-covered services are services that require immediate medical attention (but not an emergency) if you're either temporarily outside our plan's service area, or if it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

Chapter 3 Using our plan for your medical and other covered services

- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're temporarily outside our plan's service area. If possible, call your Care Team at 1-866-783-1444 (TTY users call 711) before you leave the service area so we can help arrange for you to have maintenance dialysis while you're away.

Section 2.3 How to get care from specialists and other network providers

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. For example:

- Oncologists care for patients with cancer
- Cardiologists care for patients with heart conditions
- Orthopedists care for patients with certain bone, joint, or muscle conditions

What is the role (if any) of the PCP in referring members to specialists and other providers?

- As a member of VNS Health Total, you do not need a referral from your PCP for network specialists or hospitals. Your PCP may provide you with assistance if you need help selecting a specialist or hospital. In some instances, your physician may request that you receive additional diagnostic tests or procedures. In these instances, your physician will need to obtain prior authorization from VNS Health Total.
- The selection of a PCP does not limit you to a specific group of specialists or hospitals. You can use any specialist or hospital that participates in our network for services. Please see your *Provider and Pharmacy Directory* for a list of participating specialists and hospitals.

When a specialist or another network provider leaves our plan

We may make changes to the hospitals, doctors, and specialists (providers) in our plan's network during the year. If your doctor or specialist leaves our plan, you have these rights and protections:

- Even though our network of providers may change during the year, Medicare requires that you have uninterrupted access to qualified doctors and specialists.
- We'll notify you that your provider is leaving our plan so that you have time to choose a new provider.
 - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past 3 years.

Chapter 3 Using our plan for your medical and other covered services

- If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past 3 months.
- We'll help you choose a new qualified in-network provider for continued care.
- If you're undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- When an in-network provider or benefit is unavailable or inadequate to meet your medical needs, we'll arrange for any medically necessary covered benefit outside of our provider network at in-network cost sharing. Authorization should be obtained from the plan prior to seeking care.
- If you find out your doctor or specialist is leaving our plan, contact us so we can help you choose a new provider to manage your care.
- If you believe we haven't furnished you with a qualified provider to replace your previous provider or that your care isn't being appropriately managed, you have the right to file a quality-of-care complaint to the QIO, a quality-of-care grievance to our plan, or both (go to Chapter 9).

Section 2.4 How to get care from out-of-network providers

You may obtain services from out-of-network providers in the following situations:

- You are out of the service area and need dialysis
- You are in need of a special service that is not available from one of the in-network providers
- You have an emergency or are in need of urgent care

Except in an emergency, you must obtain authorization from VNS Health Total. Contact your Care Team for more information or to arrange for services.

SECTION 3 How to get services in an emergency, disaster, or urgent need for care

Section 3.1 Get care if you have a medical emergency

A **medical emergency** is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require

Chapter 3 Using our plan for your medical and other covered services

immediate medical attention to prevent your loss of life (and, if you're a pregnant woman, loss of an unborn child), loss of a limb or function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You don't need to get approval or a referral first from your PCP. You don't need to use a network doctor. You can get covered emergency medical care whenever you need it, anywhere in the United States or its territories, as well as worldwide emergency and urgent care coverage, and from any provider with an appropriate state license even if they're not part of our network.
- **As soon as possible, make sure our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Call us at 1-866-783-1444 (TTY 711) from 7 days a week, 8 am – 8 pm (Oct. – Mar.) and weekdays 8 am – 8 pm (Apr. – Sept.) so we can help.

Covered services in a medical emergency

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency.

The doctors giving you emergency care will decide when your condition is stable and when the medical emergency is over.

After the emergency is over, you're entitled to follow-up care to be sure your condition continues to be stable. Your doctors will continue to treat you until your doctors contact us and make plans for additional care. Your follow-up care will be covered by our plan.

If your emergency care is provided by out-of-network providers, we'll try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care – thinking that your health is in serious danger – and the doctor may say that it wasn't a medical emergency after all. If it turns out that it wasn't an emergency, as long as you reasonably thought your health was in serious danger, we'll cover your care.

Chapter 3 Using our plan for your medical and other covered services

However, after the doctor says it wasn't an emergency, we'll cover additional care *only* if you get the additional care in one of these 2 ways:

- You go to a network provider to get the additional care.
- The additional care you get is considered urgently needed services and you follow the rules below for getting this urgent care.

Section 3.2 Get care when you have an urgent need for services

A service that requires immediate medical attention (but isn't an emergency) is an urgently needed service if you're either temporarily outside our plan's service area, or if it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

If you require urgently needed care:

- Call your Primary Care Physician (PCP) first for guidance.
- If your PCP is unavailable, contact your Care Team for instructions on where to seek care.
- You may use urgent care centers, walk-in clinics, or other appropriate facilities if directed by the plan or if network providers are inaccessible.
- When you are outside the service area and cannot access a network provider, our plan will cover urgently needed services received from any licensed provider.

If you need care that our plan must cover and you can't see a network provider, you must get authorization from the plan before getting care from an out-of-network provider. In this situation, we will cover these services as if you got the care from a network provider at no cost to you. Urgently needed services may be provided by network or out-of-network providers when network providers are hard to reach. Please refer to the Medical Benefits Table in Chapter 4 for more details.

Our plan covers worldwide emergency and urgent care services outside the United States under the following circumstances: When medically necessary, coverage includes treatment for unforeseen illnesses or injuries that require immediate attention. Please contact the plan before seeking care whenever possible, or as soon as reasonably possible afterward, to make sure your care is covered.

Chapter 3 Using our plan for your medical and other covered services

Section 3.3 Get care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit vnshealthplans.org for information on how to get needed care during a disaster.

If you can't use a network provider during a disaster, our plan will allow you to get care from out-of-network providers at in-network cost sharing. If you can't use a network pharmacy during a disaster, you may be able to fill your prescriptions at an out-of-network pharmacy. Go to Chapter 5, Section 2.4.

SECTION 4 What if you're billed directly for the full cost of covered services?

VNS Health Total isn't allowed to reimburse members for Medicaid-covered benefits.

If you paid for your covered services, or if you get a bill for covered medical services, you can ask us to pay our share of the cost of covered services. Go to Chapter 7 for information about what to do.

Section 4.1 If services aren't covered by our plan

VNS Health Total isn't allowed to reimburse members for Medicaid-covered benefits.

VNS Health Total covers all medically necessary services as listed in the Medical Benefits Chart in Chapter 4. If you get services that aren't covered by our plan, or you get services out-of-network without authorization, you're responsible for paying the full cost of services. Before paying for the cost of a service, check with us to see if the service is covered by Medicaid.

For covered services that have a benefit limitation, you also pay the full cost of any services you get after you use up your benefit for that type of covered service. Once a benefit limit has been reached, additional costs will not count toward your out-of-pocket maximum.

SECTION 5 Medical services in a clinical research study

Section 5.1 What is a clinical research study

A clinical research study (also called a *clinical trial*) is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. Certain clinical research

Chapter 3 Using our plan for your medical and other covered services

studies are approved by Medicare. Clinical research studies approved by Medicare typically ask for volunteers to participate in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for covered services you get as part of the study. If you tell us that you're in a qualified clinical trial, you're only responsible for the in-network cost sharing for the services in that trial. If you paid more—for example, if you already paid the Original Medicare cost-sharing amount—we'll reimburse the difference between what you paid and the in-network cost sharing. You'll need to provide documentation to show us how much you paid.

If you want to participate in any Medicare-approved clinical research study, you don't need to tell us or get approval from us or your PCP. The providers that deliver your care as part of the clinical research study don't need to be part of our plan's network. (This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit, including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.)

While you don't need our plan's permission to be in a clinical research study, we encourage you to notify us in advance when you choose to participate in Medicare-qualified clinical trials.

If you participate in a study not approved by Medicare, you'll be responsible for paying all costs for your participation in the study.

Section 5.2 Who pays for services in a clinical research study

Once you join a Medicare-approved clinical research study, Original Medicare covers the routine items and services you get as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study
- An operation or other medical procedure if it is part of the research study
- Treatment of side effects and complications of the new care

After Medicare has paid its share of the cost for these services, our plan will pay the rest. Like for all covered services, you'll pay nothing for the covered services you get in the clinical research study.

When you're in a clinical research study, **neither Medicare nor our plan will pay for any of the following:**

- Generally, Medicare won't pay for the new item or service the study is testing unless Medicare would cover the item or service even if you weren't in a study.
- Items or services provided only to collect data and not used in your direct health care. For example, Medicare won't pay for monthly CT scans done as part of a study if your medical condition would normally require only one CT scan.
- Items and services provided by the research sponsors free-of-charge for people in the trial.

SECTION 6 Rules for getting care in a religious non-medical health care institution

Section 6.1 A religious non-medical health care institution

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we'll instead cover care in a religious non-medical health care institution. This benefit is provided only for Part A inpatient services (non-medical health care services).

Section 6.2 How to get care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you're conscientiously opposed to getting medical treatment that's **non-excepted**.

- **Non-excepted** medical care or treatment is any medical care or treatment that's *voluntary* and *not required* by any federal, state, or local law.
- **Excepted** medical treatment is medical care or treatment you get that's *not* voluntary or *is required* under federal, state, or local law.

Chapter 3 Using our plan for your medical and other covered services

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers *non-religious* aspects of care.
- If you get services from this institution provided to you in a facility, the following conditions apply:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - – *and* – you must get approval in advance from our plan before you're admitted to the facility, or your stay won't be covered.

Medicare Inpatient Hospital coverage limits do not apply. (See Section 2 in Chapter 4 for more information).

SECTION 7 Rules for ownership of durable medical equipment

Section 7.1 You won't own some durable medical equipment after making a certain number of payments under our plan

Durable medical equipment (DME) includes items like oxygen equipment and supplies, wheelchairs, walkers, powered mattress systems, crutches, diabetic supplies, speech generating devices, IV infusion pumps, nebulizers, and hospital beds ordered by a provider for members to use in the home. The member always owns some DME items, like prosthetics. Other types of DME you must rent.

In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. **As a member of VNS Health Total, you won't get ownership of rented DME items no matter how many copayments you make for the item while a member of our plan.** You won't get ownership even if you made up to 12 consecutive payments for the DME item under Original Medicare before you joined our plan.

What happens to payments you made for durable medical equipment if you switch to Original Medicare?

If you didn't get ownership of the DME item while in our plan, you'll have to make 13 new consecutive payments after you switch to Original Medicare to own the DME item. The payments you made while enrolled in our plan don't count towards these 13 payments.

Chapter 3 Using our plan for your medical and other covered services

Example 1: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. The payments you made in Original Medicare don't count.

Example 2: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. You didn't get ownership of the item while in our plan. You then go back to Original Medicare. You'll have to make 13 consecutive new payments to own the item once you rejoin Original Medicare. Any payments you already made (whether to our plan or to Original Medicare) don't count.

Section 7.2 Rules for oxygen equipment, supplies, and maintenance

If you qualify for Medicare oxygen equipment coverage VNS Health Total will cover:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related oxygen accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

If you leave VNS Health Total or no longer medically require oxygen equipment, the oxygen equipment must be returned.

What happens if you leave our plan and return to Original Medicare?

Original Medicare requires an oxygen supplier to provide you services for 5 years. During the first 36 months, you rent the equipment. For the remaining 24 months, the supplier provides the equipment and maintenance (you're still responsible for the copayment for oxygen). After 5 years, you can choose to stay with the same company or go to another company. At this point, the 5-year cycle starts over again, even if you stay with the same company, and you're again required to pay copayments for the first 36 months. If you join or leave our plan, the 5-year cycle starts over.

CHAPTER 4: Medical Benefits Chart (what's covered)

SECTION 1 Understanding covered services

The Medical Benefits Chart lists your covered services as a member of VNS Health Total. This section also gives information about medical services that aren't covered and explains limits on certain services.

Section 1.1 You pay nothing for your covered services

Because you get help from Medicaid, you pay nothing for your covered services as long as you follow our plans' rules for getting your care. (Go to Chapter 3 for more information about our plans' rules for getting your care.)

Section 1.2 What's the most you'll pay for Medicare Part A and Part B covered medical services?

Note: Because our members also get help from Medicaid, very few members ever reach this out-of-pocket maximum. You're not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services.

Medicare Advantage Plans have limits on the amount you have to pay out-of-pocket each year for medical services covered by our plan. This limit is called the maximum out-of-pocket (MOOP) amount for medical services. **For calendar year 2026 the MOOP amount is \$0.**

The amounts you pay for copayments for covered services count toward this maximum out-of-pocket amount. The amounts you pay for Part D drugs don't count toward your maximum out-of-pocket amount. If you reach the maximum out-of-pocket amount of \$0, you won't have to pay any out-of-pocket costs for the rest of the year for covered Part A and Part B services. However, you must continue to pay the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

SECTION 2 The Medical Benefits Chart shows your medical benefits and costs

The Medical Benefits Chart on the next pages lists the services VNS Health Total covers. Part D drug coverage is in Chapter 5. The services listed in the Medical Benefits Chart are covered only when these requirements are met:

- Your Medicare and Medicaid covered services must be provided according to Medicare and Medicaid coverage guidelines.
- Your services (including medical care, services, supplies, equipment, and Part B drugs) *must* be medically necessary. Medically necessary means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- For new enrollees, your MA coordinated care plan must provide a minimum 90-day transition period, during which time the new MA plan may not require prior authorization for any active course of treatment, even if the course of treatment was for a service that commenced with an out-of-network provider.
- You get your care from a network provider. In most cases, care you get from an out-of-network provider won't be covered unless it's emergency or urgent care, or unless our plan or a network provider gave you a referral. This means that you pay the provider in full for out-of-network services you get.
- You have a primary care provider (a PCP) providing and overseeing your care.
- Some services listed in the Medical Benefits Chart are covered *only* if your doctor or other network provider gets approval from us in advance (sometimes called prior authorization). Covered services that need approval in advance are marked in the Medical Benefits Chart by an asterisk. These services not listed in the Medical Benefits Chart also require prior authorization:
 - Elective and non-participating hospital admissions, including mental health admissions
 - All skilled nursing facility admissions
 - All procedures considered experimental/investigational that are required by Medicare to be covered services
 - All transplants and transplant evaluations
 - Reconstructive procedures that may be considered cosmetic
 - All referrals to non-participating providers
 - The following surgeries:

- Bariatric surgery
- Breast cancer surgery
- Hysterectomy
- Surgery which may be considered cosmetic
- Experimental/Investigational procedures
- Clinical trials
- Home health and visiting nurse services
- Outpatient habilitative and rehabilitative services
- Select radiology services including MRIs, MRAs, and PET scans
- Select durable medical equipment as well as prosthetics and orthotics
- Select Home Infusion Procedures/Services
- Select Medicare Part B drugs
- Ambulance transportation in non-emergency situations
- Out-of-network services (except for emergency care)

Other important things to know about our coverage:

- You're covered by both Medicare and Medicaid. Medicare covers health care and prescription drugs. Medicaid covers your cost sharing for Medicare services. Medicaid also covers services Medicare doesn't cover, like long-term care, home and community-based services, transportation, and home health aide service.
- Like all Medicare health plans, we cover everything that Original Medicare covers. (To learn more about the coverage and costs of Original Medicare, go to your *Medicare & You 2026* handbook. View it online at www.Medicare.gov or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.)
- For preventive services covered at no cost under Original Medicare, we also cover those services at no cost to you.
- If Medicare adds coverage for any new services during 2026, either Medicare or our plan will cover those services.
- VNS Health Total is an integrated plan which allows dually eligible individuals to enroll in the same health plan for most of your Medicare and Medicaid benefits. Medicaid Advantage Plus enrollees are entitled to all Medicaid services they would normally get under the State Medicaid Plan with no cost sharing. Therefore, any Medicaid services not included in the combined Medicare and Medicaid Advantage Plus benefit package offered by the health plan, continue to be available to the enrollee when provided by

Chapter 4 Medical Benefits Chart (what's covered)

any Medicaid enrolled provider on a Medicaid fee-for-service basis. The below Medical Benefits Chart describes what is covered under the plan.

- If you're within our plan's one-month period of deemed continued eligibility, we'll continue to provide all Medicare Advantage plan-covered Medicare benefits. However, during this period, we won't continue to cover Medicaid benefits that are included under the applicable Medicaid State Plan, nor will we pay the Medicare premiums or cost sharing for which the state would otherwise be liable had you not lost your Medicaid eligibility. The amount you pay for Medicare-covered services may increase during this period.

You don't pay anything for the services listed in the Medical Benefits Chart, as long as you meet the coverage requirements described above.

Important Benefit Information for Enrollees with Chronic Conditions

- If you're diagnosed with any of the chronic condition(s) listed below and meet certain criteria, you may be eligible for special supplemental benefits for the chronically ill.
 - Chronic alcohol and other drug dependence,
 - Autoimmune disorders,
 - Cancer,
 - Cardiovascular disorders,
 - Chronic heart failure,
 - Dementia,
 - Diabetes,
 - Overweight, obesity, and metabolic syndrome,
 - Chronic gastrointestinal disease,
 - Chronic kidney disease (CKD),
 - End-stage liver disease,
 - End-stage renal disease (ESRD),
 - Severe hematologic disorders,
 - HIV/AIDS,
 - Chronic lung disorders,
 - Chronic and disabling mental health conditions,
 - Neurologic disorders,
 - Stroke,
 - Post-organ transplantation,
 - Immunosuppressive disorders,
 - Conditions associated with cognitive impairment,
 - Conditions with functional challenges,
 - Chronic conditions that impair vision, hearing (deafness), taste, touch, and smell,
 - Conditions that require continued therapy services in order for individuals to maintain or retain functioning,
 - If you are eligible for the Palliative Care program as outlined above, it is available to you at no additional cost. This program is designed to provide an additional layer of support alongside your current medical treatment.

- As a member of VNS Health Total, you qualify for help through Special Supplemental Benefits for the Chronically Ill (SSBCI). If you have one or more of the chronic conditions listed above, we’ll use a health risk assessment and care planning process to better understand your needs and confirm your eligibility under Medicare guidelines. These additional benefits are designed to support your health, and help make everyday life a little easier.
- For more detail, go to the *Special Supplemental Benefits for the Chronically Ill* row in the Medical Benefits Chart below.
- Contact us to find out exactly which benefits you may be eligible for.

SECTION 3 Services covered outside of VNS Health Total

Section 3.1 Services *not* covered by VNS Health Total

VNS Health Total is an Integrated Dual Eligible Special Needs Plan that combines Medicare coverage with Medicaid benefits including additional long-term care services, specifically designed for members who require nursing home level of care. The following chart lists the additional Medicaid benefits and services available for VNS Health Total members. In most cases, you will use your VNS Health Total member identification (ID) card to receive the additional benefits described in this section. However, some benefits described in this section are only covered by New York State Fee-For-Service Medicaid, and not VNS Health Total. You will need to use your New York State issued Medicaid Card when accessing the services that are only covered by New York State Fee-For-Service Medicaid.

The following services aren’t covered by VNS Health Total but are available through Medicaid:

SECTION 4 Services that aren’t covered by our plan

This section tells you what services are excluded.

The chart below lists services and items that aren’t covered by our plan under any conditions or are covered by our plan only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself except under the specific conditions listed below. Even if you get the excluded services at an emergency facility, the excluded services are still not covered, and our plan will not pay for them. The only exception is if the service is appealed and decided upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we have made to not cover a medical service, go to Chapter 9, Section 6.3.)

Services not covered by Medicare	Covered only under specific conditions
Cosmetic surgery or procedures	Covered in cases of an accidental injury or for improvement of the functioning of a malformed body member Covered for all stages of reconstruction for a breast after a mastectomy, as well as for the unaffected breast to produce a symmetrical appearance
Custodial care Custodial care is personal care that doesn't require the continuing attention of trained medical or paramedical personnel, such as care that helps you with activities of daily living, such as bathing or dressing	Not covered under any condition
Experimental medical and surgical procedures, equipment, and medications Experimental procedures and items are those items and procedures determined by Original Medicare to not be generally accepted by the medical community	May be covered by Original Medicare under a Medicare-approved clinical research study or by our plan (Go to Chapter 3, Section 5 for more information on clinical research studies)
Fees charged for care by your immediate relatives or members of your household	Not covered under any condition
Full-time nursing care in your home	Not covered under any condition

Services not covered by Medicare	Covered only under specific conditions
Homemaker services include basic household help, including light housekeeping or light meal preparation	Not covered under any condition
Naturopath services (uses natural or alternative treatments)	Not covered under any condition
Orthopedic shoes or supportive devices for the feet	Shoes that are part of a leg brace and are included in the cost of the brace. Orthopedic or therapeutic shoes for people with diabetic foot disease.
Personal items in your room at a hospital or a skilled nursing facility, such as a telephone or a television	Not covered under any condition
Private room in a hospital	Covered only when medically necessary
Reversal of sterilization procedures and/or non-prescription contraceptive supplies	Not covered under any condition
Routine chiropractic care	Manual manipulation of the spine to correct a subluxation is covered
Radial keratotomy, LASIK surgery, and other low vision aids	One pair of eyeglasses with standard frames (or one set of contact lenses) covered after each cataract surgery that implants an intraocular lens.
Services considered not reasonable and necessary, according to Original Medicare standards	Not covered under any condition

CHAPTER 5:

Using plan coverage for Part D drugs

How can you get information about your drug costs?

Because you're eligible for Medicaid, you qualify for and are getting Extra Help from Medicare to pay for your prescription drug plan costs. Because you're in the Extra Help program, **some information in this *Evidence of Coverage* about the costs for Part D prescription drugs does not apply to you.** We sent you a separate insert, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs* (also known as the *Low-Income Subsidy Rider* or the *LIS Rider*), which tells you about your drug coverage. If you don't have this insert, call your Care Team at 1-866-783-1444 (TTY users call 711) and ask for the *LIS Rider*.

SECTION 1 Basic rules for our plan's Part D drug coverage

Go to the Medical Benefits Chart in Chapter 4 for Medicare Part B drug benefits and hospice drug benefits.

In addition to the drugs covered by Medicare, some prescription drugs are covered under your Medicaid benefits. Members should refer to NYS Reimbursable drug list at emedny.org. We do not have Medicaid-covered drugs on the VNS Health Total Drug List but members can get Medicaid-covered drugs by using their Medicaid ID card at the pharmacy.

Our plan will generally cover your drugs as long as you follow these rules:

- You must have a provider (a doctor, dentist, or other prescriber) write you a prescription that's valid under applicable state law.
- Your prescriber must not be on Medicare's Exclusion or Preclusion Lists.
- You generally must use a network pharmacy to fill your prescription (Go to Section 2) or you can fill your prescription through our plan's mail-order service.
- Your drug must be on our plan's Drug List (Go to Section 3).
- Your drug must be used for a medically accepted indication. A "medically accepted indication" is a use of the drug that's either approved by the FDA or supported by certain references. (Go to Section 3 for more information about a medically accepted indication.)
- Your drug may require approval from our plan based on certain criteria before we agree to cover it. (Go to Section 4 for more information)

SECTION 2 Fill your prescription at a network pharmacy or through our plan's mail-order service

In most cases, your prescriptions are covered *only* if they're filled at our plan's network pharmacies. (Go to Section 2.4 for information about when we cover prescriptions filled at out-of-network pharmacies.)

A network pharmacy is a pharmacy that has a contract with our plan to provide your covered drugs. The term "covered drugs" means all the Part D drugs on our plan's Drug List.

Section 2.1 Network pharmacies

Find a network pharmacy in your area

To find a network pharmacy, go to your *Provider and Pharmacy Directory*, visit our website (vnshealthplans.org/providers), and/or call your Care Team at 1-866-783-1444 (TTY users call 711).

You may go to any of our network pharmacies.

If your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you'll have to find a new pharmacy in the network. To find another pharmacy in your area, get help from your Care Team at 1-866-783-1444 (TTY users call 711) or use the *Provider and Pharmacy Directory*. You can also find information on our website at vnshealthplans.org/providers.

Specialized pharmacies

Some prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care (LTC) facility. Usually, a LTC facility (such as a nursing home) has its own pharmacy. If you have difficulty getting your Part D drugs in an LTC facility, call your Care Team at 1-866-783-1444 (TTY users call 711). If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies, which is typically the pharmacy that the LTC facility uses.
- Pharmacies that serve the Indian Health Service / Tribal / Urban Indian Health Program (not available in Puerto Rico). Except in emergencies, only Native Americans or Alaska Natives have access to these pharmacies in our network.

- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on its use. To locate a specialized pharmacy, go to your *Provider and Pharmacy Directory* vnshealthplans.org/providers or call your Care Team at 1-866-783-1444 (TTY users call 711).

Section 2.2 Our plan's mail-order service

For certain kinds of drugs, you can use our plan's network mail-order service. Generally, the drugs provided through mail order are drugs you take on a regular basis, for a chronic or long-term medical condition. The drugs that aren't available through our plan's mail-order service are marked with an NM in our Drug List.

Our plan's mail-order service allows you to order **up to a 100-day supply**.

To get order forms and information about filling your prescriptions by mail, please review the information included in your Welcome Kit or call your Care Team to request a copy of the mail order form. If you use a mail-order pharmacy not in the plan's network, your prescription will not be covered.

Usually, a mail-order pharmacy order will be delivered to you in no more than 10 days. However, sometimes your mail order may be delayed. If there is a delay in receiving your mail order prescription(s), please call your Care Team.

New prescriptions the pharmacy gets directly from your doctor's office.

After the pharmacy gets a prescription from a health care provider, it will contact you to see if you want the medication filled immediately or at a later time. It is important to respond each time you're contacted by the pharmacy, to let them know whether to ship, delay, or stop the new prescription.

Refills on mail-order prescriptions. For refills, contact your pharmacy 10 days before your current prescription will run out to make sure your next order is shipped to you in time.

Section 2.3 How to get a long-term supply of drugs

Our plan offers 2 ways to get a long-term supply (also called an extended supply) of maintenance drugs on our plan's Drug List. (Maintenance drugs are drugs you take on a regular basis, for a chronic or long-term medical condition.)

1. Some retail pharmacies in our network allow you to get a long-term supply of maintenance drugs at the mail-order cost-sharing amount. Your *Provider and*

Pharmacy Directory vnshealthplans.org/providers tells you which pharmacies in our network can give you a long-term supply of maintenance drugs. You can also call your Care Team at 1-866-783-1444 (TTY users call 711) for more information.

2. You can also get maintenance drugs through our mail-order program. Go to Section 2.2 for more information.

Section 2.4 Using a pharmacy that's not in our plan's network

Generally, we cover drugs filled at an out-of-network pharmacy *only* when you aren't able to use a network pharmacy. We also have network pharmacies outside of our service area where you can get prescriptions filled as a member of our plan. **Check first with your Care Team at 1-866-783-1444 (TTY users call 711)** to see if there's a network pharmacy nearby.

We cover prescriptions filled at an out-of-network pharmacy only in these circumstances:

- A member cannot obtain a covered Part D drug in a timely manner within the plan's service area because there is no network pharmacy available within a reasonable driving distance.
- A Part D drug that has been dispensed by an out-of-network institution-based pharmacy while a member is in the emergency room.
- A member, while out of the service area, becomes ill or runs out of his/her medications and cannot access a network pharmacy.
- Filling a prescription for a covered Part D drug and that drug is not regularly stocked at an accessible network pharmacy.

In these situations, **please check first with your Care Team** to see if there is a network pharmacy nearby.

VNS Health Total is not allowed to reimburse members for Medicaid-covered benefits. If you must use an out-of-network pharmacy, you'll generally have to pay the full cost at the time you fill your prescription. You can ask us to reimburse you. (Go to Chapter 7, Section 2 for information on how to ask our plan to pay you back.) You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost we would cover at an in-network pharmacy.

SECTION 3 Your drugs need to be on our plan's Drug List

Section 3.1 The Drug List tells which Part D drugs are covered

Our plan has a *List of Covered Drugs* (formulary). In this *Evidence of Coverage*, we call it the **Drug List**.

The drugs on this list are selected by our plan with the help of doctors and pharmacists. The list meets Medicare's requirements and has been approved by Medicare.

The Drug List only shows drugs covered under Medicare Part D. In addition to the drugs covered by Medicare, some prescription drugs are covered under your Medicaid benefits. We do not have Medicaid-covered drugs on the VNS Health Total formulary but members can get Medicaid-covered drugs by using their Medicaid ID card at the pharmacy.

We generally cover a drug on our plan's Drug List as long as you follow the other coverage rules explained in this chapter and use of the drug for a medically accepted indication. A medically accepted indication is a use of the drug that's *either*:

- Approved by the FDA for the diagnosis or condition for which it's prescribed, or
- Supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System.

The Drug List includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a prescription drug sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On the Drug List, when we refer to drugs, this could mean a drug or a biological product.

A generic drug is a prescription drug that has the same active ingredients as the brand name drug. Biological products have alternatives called biosimilars. Generally, generics and biosimilars work just as well as the brand name or original biological product and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Go to Chapter 12 for definitions of types of drugs that may be on the Drug List.

Drugs that aren't on the Drug List

Our plan doesn't cover all prescription drugs.

- In some cases, the law doesn't allow any Medicare plan to cover certain types of drugs. (For more information, go to Section 7.)
- In other cases, we decided not to include a particular drug on the Drug List.

- In some cases, you may be able to get a drug that isn't on our Drug List. (For more information, go to Chapter 9.)

We do not have Medicaid-covered drugs on the VNS Health Total formulary but members can get Medicaid-covered drugs by using their Medicaid ID card at the pharmacy.

Section 3.2 How to find out if a specific drug is on the Drug List

To find out if a drug is on our Drug List, you have these options:

- Check the most recent Drug List we provided electronically. (The Drug List includes information for the covered drugs most commonly used by our members. We cover additional drugs that aren't included in the Drug List. If one of your drugs isn't listed, visit our website or call your Care Team at 1-866-783-1444 (TTY users call 711) to find out if we cover it.)
- Visit our plan's website (vnshealthplans.org/formulary). The Drug List on the website is always the most current.
- Call your Care Team at 1-866-783-1444 (TTY users call 711) to find out if a particular drug is on our plan's Drug List or ask for a copy of the list.
- Use our plan's "Real-Time Benefit Tool" (www.medimpact.com) to search for drugs on the Drug List to get an estimate of what you'll pay and see if there are alternative drugs on the Drug List that could treat the same condition. You can also call your Care Team at 1-866-783-1444 (TTY users call 711).

SECTION 4 Drugs with restrictions on coverage

Section 4.1 Why some drugs have restrictions

For certain prescription drugs, special rules restrict how and when our plan covers them. A team of doctors and pharmacists developed these rules to encourage you and your provider to use drugs in the most effective way. To find out if any of these restrictions apply to a drug you take or want to take, check the Drug List.

If a safe, lower-cost drug will work just as well medically as a higher-cost drug, our plan's rules are designed to encourage you and your provider to use that lower-cost option.

Note that sometimes a drug may appear more than once in our Drug List. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your health care provider, and different restrictions or cost sharing may apply to the different versions of the drug (for example, 10 mg versus 100 mg; one per day versus 2 per day; tablet versus liquid).

Section 4.2 Types of restrictions

If there's a restriction for your drug, it usually means that you or your provider have to take extra steps for us to cover the drug. Call your Care Team at 1-866-783-1444 (TTY users call 711) to learn what you or your provider can do to get coverage for the drug. **If you want us to waive the restriction for you, you need to use the coverage decision process and ask us to make an exception.** We may or may not agree to waive the restriction for you. (Go to Chapter 9.)

Getting plan approval in advance

For certain drugs, you or your provider need to get approval from our plan based on specific criteria before we agree to cover the drug for you. This is called **prior authorization**. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get this approval, your drug might not be covered by our plan. Our plan's prior authorization criteria can be obtained by calling your Care Team at 1-866-783-1444 (TTY users call 711) or on our website www.vnshealth.com/total-pa

Trying a different drug first

This requirement encourages you to try less costly but usually just as effective drugs before our plan covers another drug. For example, if Drug A and Drug B treat the same medical condition and Drug A is less costly, our plan may require you to try Drug A first. If Drug A doesn't work for you, our plan will then cover Drug B. This requirement to try a different drug first is called **step therapy**. Our plan's step therapy criteria can be obtained by calling your Care Team at 1-866-783-1444 (TTY users call 711) or on our website www.vnshealth.com/total-st

Quantity limits

For certain drugs, we limit how much of a drug you can get each time you fill your prescription. For example, if it's normally considered safe to take only one pill per day for a certain drug, we may limit coverage for your prescription to no more than one pill per day.

SECTION 5 What you can do if one of your drugs isn't covered the way you'd like

There are situations where a prescription drug you take, or that you and your provider think you should take, isn't on our Drug List or has restrictions. For example:

- The drug might not be covered at all. Or a generic version of the drug may be covered but the brand name version you want to take isn't covered.

- The drug is covered, but there are extra rules or restrictions on coverage.

If your drug isn't on the Drug List or is restricted, here are options for what you can do:

- You may be able to get a temporary supply of the drug.
- You can change to another drug.
- You can ask for an **exception** and ask our plan to cover the drug or remove restrictions from the drug.

You may be able to get a temporary supply

Under certain circumstances, our plan must provide a temporary supply of a drug you're already taking. This temporary supply gives you time to talk with your provider about the change.

To be eligible for a temporary supply, the drug you take **must no longer be on our plan's Drug List OR is now restricted in some way.**

- **If you're a new member**, we'll cover a temporary supply of your drug during the first **90 days** of your membership in our plan.
- **If you were in our plan last year**, we'll cover a temporary supply of your drug during the first **90 days** of the calendar year.
- This temporary supply will be for a maximum of 30 days. If your prescription is written for fewer days, we'll allow multiple fills to provide up to a maximum of 30 days of medication. The prescription must be filled at a network pharmacy. (Note that a long-term care pharmacy may provide the drug in smaller amounts at a time to prevent waste.)
- **For members who've been in our plan for more than 90 days and live in a long-term care facility and need a supply right away:**

We'll cover one 31-day emergency supply of a particular drug, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.

- **For members who have been in our plan for more than 90 days and have a level of care change (e.g., transitioning from a SNF to a long-term care facility; going home from the hospital) and need a supply right away:**

We'll cover one 31-day supply of a particular drug, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.

For questions about a temporary supply, call your Care Team at 1-866-783-1444 (TTY users call 711).

During the time when you're using a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. You have 2 options:

Option 1. You can change to another drug

Talk with your provider about whether a different drug covered by our plan may work just as well for you. Call your Care Team at 1-866-783-1444 (TTY users call 711) to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

Option 2. You can ask for an exception

You and your provider can ask our plan to make an exception and cover the drug in the way you'd like it covered. If your provider says you have medical reasons that justify asking us for an exception, your provider can help you ask for an exception. For example, you can ask our plan to cover a drug even though it's not on our plan's Drug List. Or you can ask our plan to make an exception and cover the drug without restrictions.

If you and your provider want to ask for an exception, go to Chapter 9, Section 7.4 to learn what to do. It explains the procedures and deadlines set by Medicare to make sure your request is handled promptly and fairly.

SECTION 6 Our Drug List can change during the year

Most changes in drug coverage happen at the beginning of each year (January 1). However, during the year, our plan can make some changes to the Drug List. For example, our plan might:

- **Add or remove drugs from the Drug List.**
- **Add or remove a restriction on coverage for a drug.**
- **Replace a brand name drug with a generic version of the drug.**
- **Replace an original biological product with an interchangeable biosimilar version of the biological product.**

We must follow Medicare requirements before we change our plan's Drug List.

Information on changes to drug coverage

When changes to the Drug List occur, we post information on our website about those changes. We also update our online Drug List regularly. Sometimes you'll get direct notice if changes were made for a drug that you take.

Changes to drug coverage that affect you during this plan year

Advance General Notice that plan sponsor may make certain immediate generic and biosimilar substitutions: In order to immediately replace brand name drugs or biological products with, respectively, new therapeutically equivalent or new authorized generic drugs or new interchangeable biological products or new unbranded biological products (or to change the tiering or the restrictions, or both, applied if the related drug remains on the formulary), plan sponsors that otherwise meet the requirements must provide the following advance general notice of changes:

- **Adding new drugs to the Drug List and immediately removing or making changes to a like drug on the Drug List.**
 - We may immediately remove a like drug from the Drug List, move the like drug to a different cost-sharing tier, add new restrictions, or both. The new version of the drug will be on the same or a lower cost-sharing tier and with the same or fewer restrictions.
 - We'll make these immediate changes only if we add a new generic version of a brand name or add certain new biosimilar versions of an original biological product that was already on the Drug List.
 - We may make these changes immediately and tell you later, even if you take the drug that we remove or make changes to. If you take the like drug at the time we make the change, we'll tell you about any specific change we made.
- **Adding drugs to the Drug List and removing or making changes to a like drug on the Drug List.**
 - When adding another version of a drug to the Drug List, we may remove a like drug from the Drug List, move it to a different cost-sharing tier, add new restrictions, or both. The version of the drug that we add will be on the same or a lower cost-sharing tier and with the same or fewer restrictions.
 - We'll make these changes only if we add a new generic version of a brand name drug or add certain new biosimilar versions of an original biological product that was already on the Drug List.
 - We'll tell you at least 30 days before we make the change or tell you about the change and cover a 30-day fill of the version of the drug you're taking.

- **Removing unsafe drugs and other drugs on the Drug List that are withdrawn from the market.**
 - Sometimes a drug may be deemed unsafe or taken off the market for another reason. If this happens, we may immediately remove the drug from the Drug List. If you're taking that drug, we'll tell you after we make the change.
- **Making other changes to drugs on the Drug List.**
 - We may make other changes once the year has started that affect drugs you are taking. For example, we may make changes based on FDA boxed warnings or new clinical guidelines recognized by Medicare.
 - We'll tell you at least 30 days before we make these changes, or tell you about the change and cover an additional 30-day fill of the drug you take.

If we make any of these changes to any of the drugs you take, talk with your prescriber about the options that would work best for you, including changing to a different drug to treat your condition, or ask for a coverage decision to satisfy any new restrictions on the drug you're taking. You or your prescriber can ask us for an exception to continue covering the drug or version of the drug you have been taking. For more information on how to ask for a coverage decision, including an exception, go to Chapter 9.

Changes to the Drug List that don't affect you during this plan year

We may make certain changes to the Drug List that aren't described above. In these cases, the change won't apply to you if you're taking the drug when the change is made; however, these changes will likely affect you starting January 1 of the next plan year if you stay in the same plan.

In general, changes that won't affect you during the current plan year are:

- We put a new restriction on the use of your drug.
- We remove your drug from the Drug List.

If any of these changes happen for a drug you take (except for market withdrawal, a generic drug replacing a brand name drug, or other change noted in the sections above), the change won't affect your use or what you pay as your share of the cost until January 1 of the next year.

We won't tell you about these types of changes directly during the current plan year. You'll need to check the Drug List for the next plan year (when the list is available during the open enrollment period) to see if there are any changes to drugs you take that will impact you during the next plan year.

SECTION 7 Types of drugs we don't cover

Some kinds of prescription drugs are *excluded*. This means Medicare doesn't pay for these drugs.

If you appeal and the drug asked for is found not to be excluded under Part D, we'll pay for or cover it. (For information about appealing a decision, go to Chapter 9.) If the drug is excluded, you must pay for it yourself.

Here are 3 general rules about drugs that Medicare drug plans won't cover under Part D:

- Our plan's Part D drug coverage can't cover a drug that would be covered under Medicare Part A or Part B.
- Our plan can't cover a drug purchased outside the United States or its territories.
- Our plan can't cover *off-label* use of a drug when the use isn't supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System. *Off-label* use is any use of the drug other than those indicated on a drug's label as approved by the FDA.

In addition, by law, the following categories of drugs listed below aren't covered by Medicare. However, some of these drugs may be covered for you under your Medicaid drug coverage: We do not have Medicaid-covered drugs on the VNS Health Total formulary but members can get Medicaid-covered drugs by using their Medicaid ID card at the pharmacy.

- Non-prescription drugs (also called over-the-counter drugs)
- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for treatment of anorexia, weight loss, or weight gain
- Outpatient drugs for which the manufacturer requires associated tests or monitoring services be purchased only from the manufacturer as a condition of sale

If you get Extra Help to pay for your prescriptions, Extra Help won't pay for drugs that aren't normally covered. If you have drug coverage through Medicaid, your state Medicaid program may cover some prescription drugs not normally covered in a Medicare drug plan. Contact

your state Medicaid program to determine what drug coverage may be available to you. (Find phone numbers and contact information for Medicaid in Chapter 2, Section 6.)

SECTION 8 How to fill a prescription

To fill your prescription, provide our plan membership information (which can be found on your membership card, at the network pharmacy you choose). The network pharmacy will automatically bill our plan for your drug.

If you don't have our plan membership information with you, you or the pharmacy can call our plan to get the information, or you can ask the pharmacy to look up our plan enrollment information.

VNS Health Total isn't allowed to reimburse members for Medicaid-covered benefits. If the pharmacy can't get the necessary information, **you may have to pay the full cost of the prescription when you pick it up.** You can then **ask us to reimburse you.** Go to Chapter 7, Section 2 for information about how to ask our plan for reimbursement.

SECTION 9 Part D drug coverage in special situations

Section 9.1 In a hospital or a skilled nursing facility for a stay covered by our plan

If you're admitted to a hospital or to a skilled nursing facility for a stay covered by our plan, we'll generally cover the cost of your prescription drugs during your stay. Once you leave the hospital or skilled nursing facility, our plan will cover your prescription drugs as long as the drugs meet all of our rules for coverage described in this chapter.

Section 9.2 As a resident in a long-term care (LTC) facility

Usually, a long-term care (LTC) facility (such as a nursing home) has its own pharmacy or uses a pharmacy that supplies drugs for all its residents. If you're a resident of an LTC facility, you may get your prescription drugs through the facility's pharmacy or the one it uses, as long as it is part of our network.

Check your *Provider and Pharmacy Directory* vnshealthplans.org/providers to find out if your LTC facility's pharmacy or the one it uses is part of our network. If it isn't, or if you need more information or help, call your Care Team at 1-866-783-1444 (TTY users call 711). If you're in an LTC facility, we must ensure that you're able to routinely get your Part D benefits through our network of LTC pharmacies.

If you're a resident in an LTC facility and need a drug that isn't on our Drug List or restricted in some way, go to Section 5 for information about getting a temporary or emergency supply.

Section 9.3 If you're in Medicare-certified hospice

Hospice and our plan don't cover the same drug at the same time. If you're enrolled in Medicare hospice and require certain drugs (e.g., anti-nausea drugs, laxatives, pain medication or anti-anxiety drugs) that aren't covered by your hospice because it is unrelated to your terminal illness and related conditions, our plan must get notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug. To prevent delays in getting these drugs that should be covered by our plan, ask your hospice provider or prescriber to provide notification before your prescription is filled.

In the event you either revoke your hospice election or are discharged from hospice, our plan should cover your drugs as explained in this document. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, bring documentation to the pharmacy to verify your revocation or discharge.

SECTION 10 Programs on drug safety and managing medications

We conduct drug use reviews to help make sure our members get safe and appropriate care.

We do a review each time you fill a prescription. We also review our records on a regular basis. During these reviews, we look for potential problems like:

- Possible medication errors
- Drugs that may not be necessary because you take another similar drug to treat the same condition
- Drugs that may not be safe or appropriate because of your age or gender
- Certain combinations of drugs that could harm you if taken at the same time
- Prescriptions for drugs that have ingredients you're allergic to
- Possible errors in the amount (dosage) of a drug you take
- Unsafe amounts of opioid pain medications

If we see a possible problem in your use of medications, we'll work with your provider to correct the problem.

Section 10.1 Drug Management Program (DMP) to help members safely use opioid medications

We have a program that helps make sure members safely use prescription opioids and other frequently abused medications. This program is called a Drug Management Program (DMP). If you use opioid medications that you get from several prescribers or pharmacies, or if you had a recent opioid overdose, we may talk to your prescribers to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescribers, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may be:

- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount of opioid or benzodiazepine medications we'll cover for you

If we plan on limiting how you get these medications or how much you can get, we'll send you a letter in advance. The letter will tell you if we limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific prescriber or pharmacy. You'll have an opportunity to tell us which prescribers or pharmacies you prefer to use, and about any other information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we'll send you another letter confirming the limitation. If you think we made a mistake or you disagree with our decision or with the limitation, you and your prescriber have the right to appeal. If you appeal, we'll review your case and give you a new decision. If we continue to deny any part of your request related to the limitations that apply to your access to medications, we'll automatically send your case to an independent reviewer outside of our plan. Go to Chapter 9 for information about how to ask for an appeal.

You won't be placed in our DMP if you have certain medical conditions, such as cancer-related pain or sickle cell disease, you're getting hospice, palliative, or end-of-life care, or live in a long-term care facility.

Section 10.2 Medication Therapy Management (MTM) program to help members manage medications

We have a program that can help our members with complex health needs. Our program is called a Medication Therapy Management (MTM) program. This program is voluntary and

free. A team of pharmacists and doctors developed the program for us to help make sure our members get the most benefit from the drugs they take.

Some members who have certain chronic diseases and take medications that exceed a specific amount of drug costs or are in a DMP to help them use opioids safely, may be able to get services through an MTM program. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all your medications. During the review, you can talk about your medications, your costs, and any problems or questions you have about your prescription and over-the-counter medications. You'll get a written summary which has a recommended to-do list that includes steps you should take to get the best results from your medications. You'll also get a medication list that will include all the medications you're taking, how much you take, and when and why you take them. In addition, members in the MTM program will get information on the safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your doctor about your recommended to-do list and medication list. Bring the summary with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Keep your medication list up to date and with you (for example, with your ID) in case you go to the hospital or emergency room.

If we have a program that fits your needs, we'll automatically enroll you in the program and send you information. If you decide not to participate, notify us and we'll withdraw you. For questions about this program, call your Care Team at 1-866-783-1444 (TTY users call 711).

SECTION 11 We send you reports that explain payments for your drugs and which payment stage you are in

Section 11.1 Your *Part D Explanation of Benefits* explains which payment stage you're in

Our plan keeps track of your prescription drug costs and the payments you make when you get prescriptions at the pharmacy. This way, we can tell you when you move from one drug payment stage to the next. We track 2 types of costs:

- **Out-of-Pocket Costs:** this is how much you paid. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, and any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs). TRICARE payments do not count toward an enrollee's out-of-pocket costs (True Out-of-Pocket (TrOOP) costs).

- **Total Drug Costs:** this is the total of all payments made for your covered Part D drugs. It includes what our plan paid, what you paid, and what other programs or organizations paid for your covered Part D drugs.

If you filled one or more prescriptions through our plan during the previous month, we'll send you a *Part D EOB*. The *Part D EOB* includes:

- **Information for that month.** This report gives payment details about prescriptions you filled during the previous month. It shows the total drug costs, what our plan paid, and what you and others paid on your behalf.
- **Totals for the year since January 1.** This shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information.** This displays the total drug price, and information about changes in price from first fill for each prescription claim of the same quantity.
- **Available lower cost alternative prescriptions.** This shows information about other available drugs with lower cost sharing for each prescription claim, if applicable

Section 11.2 Help us keep our information about your drug payments up to date

To keep track of your drug costs and the payments you make for drugs, we use records we get from pharmacies. Here is how you can help us keep your information correct and up to date:

- **Show your membership card every time you get a prescription filled.** This helps make sure we know about the prescriptions you fill and what you pay.
- VNS Health Total is not allowed to reimburse members for Medicaid-covered benefits. **Make sure we have the information we need.** There are times you may pay for the entire cost of a prescription drug. In these cases, we won't automatically get the information we need to keep track of your out-of-pocket costs. To help us keep track of your out-of-pocket costs, give us copies of your receipts **Examples of when you should give us copies of your drug receipts:**
 - When you purchase a covered drug at a network pharmacy at a special price or use a discount card that's not part of our plan's benefit.
 - When you pay a copayment for drugs provided under a drug manufacturer patient assistance program.
 - Any time you buy covered drugs at out-of-network pharmacies or pay the full price for a covered drug under special circumstances.
 - If you're billed for a covered drug, you can ask our plan to pay our share of the cost. For instructions on how to do this, go to Chapter 7, Section 2.

- If you are billed for a covered drug, you can ask our plan to pay our share of the cost. For instructions on how to do this, go to Chapter 7, Section 2.
- **Send us information about the payments others make for you.** Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by an AIDS drug assistance program (ADAP), the Indian Health Service, and charities count toward your out-of-pocket costs. Keep a record of these payments and send them to us so we can track your costs.
- **Check the written report we send you.** When you get the Part D EOB, look it over to be sure the information is complete and correct. If you think something is missing or have questions, call your Care Team at 1-866-783-1444 (TTY users call 711). Be sure to keep these reports.

CHAPTER 6:

What you pay for Part D drugs

You pay nothing for Part D drugs covered by our plan.

CHAPTER 7:

Asking us to pay a bill for covered medical services or drugs

SECTION 1 Situations when you should ask us to pay our share for covered services or drugs

Our network providers bill our plan directly for your covered services and drugs – you shouldn't get a bill for covered services or drugs. If you get a bill for medical care or drugs you got, send this bill to us so that we can pay it. When you send us the bill, we'll look at the bill and decide whether the services and drugs should be covered. If we decide they should be covered, we'll pay the provider directly.

If you already paid for a Medicare service or item covered by our plan, you can ask our plan to pay you back (paying you back is often called **reimburse** you). It is your right to be paid back by our plan whenever you've paid for medical services or drugs that are covered by our plan. There may be deadlines that you must meet to get paid back. Go to Section 2 of this chapter. When you send us a bill you've already paid, we'll look at the bill and decide whether the services or drugs should be covered. If we decide they should be covered, we'll pay you back for the services or drugs.

There may also be times when you get a bill from a provider for the full cost of medical care you got or for more than your share of cost sharing. First, try to resolve the bill with the provider. If that doesn't work, send the bill to us instead of paying it. We'll look at the bill and decide whether the services should be covered. If we decide they should be covered, we'll pay the provider directly. If we decide not to pay it, we'll notify the provider. You should never pay more than plan-allowed cost-sharing. If this provider is contracted, you still have the right to treatment.

Examples of situations in which you may need to ask our plan to pay you back or to pay a bill you got:

1. When you got emergency or urgently needed medical care from a provider who's not in our plan's network

- You can get emergency or urgently needed services from any provider, whether or not the provider is a part of our network. In these cases, ask the provider to bill our plan.

Chapter 7 Asking us to pay a bill for covered medical services or drugs

- If you pay the entire amount yourself at the time you get the care, ask us to pay you back. Send us the bill, along with documentation of any payments you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us this bill, along with documentation of any payments you made.
 - If the provider is owed anything, we'll pay the provider directly.
 - If you already paid for the service, we'll pay you back.

2. When a network provider sends you a bill you think you shouldn't pay

Network providers should always bill our plan directly. But sometimes they make mistakes and ask you to pay for your services.

- Whenever you get a bill from a network provider, send us the bill. We'll contact the provider directly and resolve the billing problem.
- If you already paid a bill to a network provider, send us the bill along with documentation of any payment you made. Ask us to pay you back for your covered services.

3. If you're retroactively enrolled in our plan

Sometimes a person's enrollment in our plan is retroactive. (This means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out of pocket for any of your covered services or drugs after your enrollment date, you can ask us to pay you back. You need to submit paperwork such as receipts and bills for us to handle the reimbursement.

4. When you use an out-of-network pharmacy to fill a prescription

If you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us. When that happens, you have to pay the full cost of your prescription.

Save your receipt and send a copy to us when you ask us to pay you back. Remember that we only cover out-of-network pharmacies in limited circumstances. Go to Chapter 5, Section 2.4 to learn more about these circumstances. We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we'd pay at an in-network pharmacy.

5. When you pay the full cost for a prescription because you don't have our plan membership card with you

If you don't have our plan membership card with you, you can ask the pharmacy to call our plan or look up our plan enrollment information. If the pharmacy can't get the enrollment information they need right away, you may need to pay the full cost of the

Chapter 7 Asking us to pay a bill for covered medical services or drugs

prescription yourself. Save your receipt and send a copy to us when you ask us to pay you back. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full cost for a prescription in other situations

You may pay the full cost of the prescription because you find the drug isn't covered for some reason.

- For example, the drug may not be on our plan's Drug List or it could have a requirement or restriction you didn't know about or don't think should apply to you. If you decide to get the drug immediately, you may need to pay the full cost for it.
- Save your receipt and send a copy to us when you ask us to pay you back. In some situations, we may need to get more information from your doctor to pay you back for the drug. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

When you send us a request for payment, we'll review your request and decide whether the service or drug should be covered. This is called making a **coverage decision**. If we decide it should be covered, we'll pay for the service or drug. If we deny your request for payment, you can appeal our decision. Chapter 9 has information about how to make an appeal.

SECTION 2 How to ask us to pay you back or pay a bill you got

You can ask us to pay you back by sending us a request in writing. If you send a request in writing, send your bill and documentation of any payment you've made. It's a good idea to make a copy of your bill and receipts for your records. **You must submit your claim to us within 365 days** or one year of the date you got the service, item, or drug.

For Part C (Medical claims), mail your request for payment together with any bills or paid receipts to us at this address:

Part C (Medical Claims)

VNS Health

For Part D (Prescription drug claims), mail your request for payment together with any bills or paid receipts to us at this address:

Part D (Prescription drug claims)

Chapter 7 Asking us to pay a bill for covered medical services or drugs

MedImpact Healthcare Systems, Inc.
PO Box 509108
San Diego, CA 92150-9108

You must submit your claim to us within 3 years of the date you got the service, item, or drug.

SECTION 3 We'll consider your request for payment and say yes or no

When we get your request for payment, we'll let you know if we need any additional information from you. Otherwise, we'll consider your request and make a coverage decision.

- If we decide the medical care or drug is covered and you followed all the rules, we'll pay for the service or drug. If you already paid for the service or drug, we'll mail your reimbursement to you. If you paid the full cost of a drug, you might not be reimbursed the full amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid for a drug is higher than our negotiated price). If you haven't paid for the service or drug yet, we'll mail the payment directly to the provider.
- If we decide that the medical care or drug is *not* covered, or you did *not* follow all the rules, we won't pay for the care or drug. We'll send you a letter explaining the reasons why we aren't sending the payment and your rights to appeal that decision.

Section 3.1 If we tell you we won't pay for the medical care or drug, you can make an appeal

If you think we made a mistake in turning down your request for payment or the amount we're paying, you can make an appeal. If you make an appeal, it means you're asking us to change the decision we made when we turned down your request for payment. The appeals process is a formal process with detailed procedures and important deadlines. For the details on how to make this appeal, go to Chapter 9.

CHAPTER 8:

Your rights and responsibilities

SECTION 1 Our plan must honor your rights and cultural sensitivities

Section 1.1 We must provide information in a way that works for you and consistent with your cultural sensitivities (in languages other than English, braille, large print, or other alternate formats, etc.)

Our plan is required to ensure that all services, both clinical and non-clinical, are provided in a culturally competent manner and are accessible to all enrollees, including those with limited English proficiency, limited reading skills, hearing incapacity, or those with diverse cultural and ethnic backgrounds. Examples of how our plan may meet these accessibility requirements include, but aren't limited to provision of translator services, interpreter services, teletypewriters, or TTY (text telephone or teletypewriter phone) connection.

Our plan has free interpreter services available to answer questions from non-English speaking members. We can also give you materials in languages other than English including Spanish and Chinese, and braille, in large print, or other alternate formats at no cost if you need it. We're required to give you information about our plan's benefits in a format that's accessible and appropriate for you. To get information from us in a way that works for you, call your Care Team at 1-866-783-1444 (TTY users call 711).

Our plan is required to give female enrollees the option of direct access to a women's health specialist within the network for women's routine and preventive health care services.

If providers in our plan's network for a specialty aren't available, it's our plan's responsibility to locate specialty providers outside the network who will provide you with the necessary care. In this case, you'll only pay in-network cost sharing. If you find yourself in a situation where there are no specialists in our plan's network that cover a service you need, call our plan for information on where to go to get this service at in-network cost sharing.

If you have any trouble getting information from our plan in a format that's accessible and appropriate for you, seeing a women's health specialist or finding a network specialist, call to file a grievance with your Care Team at 1-866-783-1444 (TTY users call 711), 7 days a week, 8 am – 8 pm (Oct. – Mar.) and weekdays 8 am – 8 pm (Apr. – Sept.). You can also file a complaint

with Medicare by calling 1-800-MEDICARE (1-800-633-4227) or directly with the Office for Civil Rights 1-800-368-1019 or TTY 1-800-537-7697.

Section 1.1 Nosotros debemos brindarle información en una forma que funcione para usted (en idiomas diferentes al inglés, en braille, en letra legible u otros formatos alternativos, etc.)

Nuestro plan debe garantizar que todos los servicios, tanto clínicos como no clínicos, se proporcionen de manera culturalmente competente y accesibles para todas las personas inscritas, incluidos aquellos con dominio limitado del inglés, habilidades de lectura limitadas, discapacidad auditiva o aquellos con diversos antecedentes culturales y étnicos. Algunos ejemplos de cómo nuestro plan puede cumplir con estos requisitos de accesibilidad incluyen, entre otros, la prestación de servicios de traducción, servicios de interpretación, teletipos o conexión TTY (teléfono de texto o teléfono de teletipo).

Nuestro plan cuenta con servicios de interpretación gratuitos disponibles para responder las preguntas de los miembros que no hablan inglés. También podemos proporcionarle materiales en idiomas distintos del inglés, incluidos español y chino, braille, en letra grande u otros formatos alternativos sin costo si lo necesita. Estamos obligados a brindarle información sobre los beneficios de nuestro plan en un formato que sea accesible y apropiado para usted. Para obtener información de nosotros de una manera que funcione para usted, llame a su Equipo de atención al 1-866-783-1444 (los usuarios de TTY deben llamar al 711).

Nuestro plan debe garantizar que las mujeres inscritas tengan la opción de acceder de manera directa a especialistas en salud de la mujer dentro de la red para los servicios de atención médica preventivos y de rutina.

Si los proveedores de la red de nuestro plan no están disponibles para una especialidad, es responsabilidad de nuestro plan buscar proveedores especializados fuera de la red que le proporcionarán la atención necesaria. En este caso, solo pagará el costo compartido dentro de la red. Si se encuentra en una situación en la que no hay especialistas en la red de nuestro plan que cubran un servicio que usted necesita, llame a nuestro plan para obtener información sobre dónde ir para obtener este servicio con un costo compartido dentro de la red.

Si tiene dificultades para obtener información de nuestro plan en un formato accesible y apropiado para usted, para consultar a un especialista en salud de la mujer o para encontrar un especialista de la red, llame para presentar un reclamo ante su Equipo de atención al 1-866-783-1444 (los usuarios de TTY deben llamar al 711), de 8 am a 8 pm, 7 días de la semana (oct. - mar.) y de 8 am a 8 pm, días laborables (abr. - sept.). También puede presentar una queja ante Medicare llamando al 1-800-MEDICARE (1-800-633-4227) o directamente ante la Oficina de Derechos Civiles al 1-800-368-1019 o TTY 1-800-537-7697.

1.1 我們必須以適合您的方式提供信息（包括英語以外的其他語言、盲文、大號字體、或其他各式等）

我們的計劃必須確保所有臨床和非臨床服務皆以文化上恰當的方式提供，並可供所有註冊者獲取，包括有限英語水準、有限閱讀技能、無聽力能力、有多元文化和種族背景的人士。計劃如何滿足這些可及性要求的示例包括但不限於，提供翻譯服務、口譯服務、電傳打字機或 TTY（文字電話或電傳打字機電話）連線。

我們的計劃提供免費口譯服務，可以回答非英語會員的問題。我們也可以除英語外的其他語言（包括西班牙語和中文）、盲文、大號字體印刷版或您需要的其他可選形式免費向您提供材料。我們必須以方便您查閱且適合您的格式為您提供計劃福利的相關資訊。如需以適合您的方式獲取資訊，請致電您的護理團隊，電話：1-866-783-1444（TTY 使用者請撥打 711）。

我們的計劃必須為女性註冊者提供直接使用網絡內的女性健康專科醫生獲得女性常規和預防性健康護理服務的選擇。

如果我們計劃網絡內的專科醫療服務提供者不可用，則計劃有責任尋找網絡外的專科提供者，為您提供必要的護理。在這種情況下，您僅需支付網絡內分攤費用。若您發現我們的計劃網絡內沒有能為您提供所需服務的專科醫生，請致電計劃，瞭解在何處可以僅支付網絡內分攤費用獲得此服務。

如果您無法從我們的計劃獲得方便您查閱且適合您的計劃資訊格式、看女性健康專科醫生或尋找網絡專科醫生，請撥打 1-866-783-1444（TTY 使用者請撥打 711）向您的護理團隊提出申訴，服務時間為每週 7 天，早上 8 點至晚上 8 點（10 月至 3 月）；工作日，早上 8 點至晚上 8 點（4 月至 9 月）。您亦可撥打 1-800-MEDICARE (1-800-633-4227) 向紅藍卡 (Medicare) 提交投訴，或者直接向民權辦公室提出投訴，電話：1-800-368-1019 (TTY 1-800-537-7697)。

Section 1.2 We must ensure you get timely access to covered services and drugs

You have the right to choose a primary care provider (PCP) in our plan's network to provide and arrange for your covered services. We don't require you to get referrals.

You have the right to get appointments and covered services from our plan's network of providers *within a reasonable amount of time*. This includes the right to get timely services from specialists when you need that care. You also have the right to get your prescriptions filled or refilled at any of our network pharmacies without long delays.

If you think that you aren't getting your medical care or Part D drugs within a reasonable amount of time, Chapter 9 tells what you can do.

Section 1.3 We must protect the privacy of your personal health information

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

- Your personal health information includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.
- You have rights related to your information and controlling how your health information is used. We give you a written notice, called a *Notice of Privacy Practice*, that tells about these rights and explains how we protect the privacy of your health information.

How do we protect the privacy of your health information?

- We make sure that unauthorized people don't see or change your records.
- Except for the circumstances noted below, if we intend to give your health information to anyone who isn't providing your care or paying for your care, *we are required to get written permission from you or someone you've given legal power to make decisions for you first.*
- There are certain exceptions that don't require us to get your written permission first. These exceptions are allowed or required by law.
 - We are required to release health information to government agencies that are checking on quality of care.
 - Because you're a member of our plan through Medicare, we are required to give Medicare your health information including information about your Part D prescription drugs. If Medicare releases your information for research or other uses, this will be done according to federal statutes and regulations; typically, this requires that information that uniquely identifies you not be shared.

You can see the information in your records and know how it's been shared with others

You have the right to look at your medical records held at our plan, and to get a copy of your records. We're allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we'll work with your health care provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that aren't routine.

If you have questions or concerns about the privacy of your personal health information, call your Care Team at 1-866-783-1444 (TTY users call 711).

Section 1.4 We must give you information about our plan, our network of providers, and your covered services

As a member of VNS Health Total, you have the right to get several kinds of information from us.

If you want any of the following kinds of information, call your Care Team at 1-866-783-1444 (TTY users call 711):

- **Information about our plan.** This includes, for example, information about our plan's financial condition.
- **Information about our network providers and pharmacies.** You have the right to get information about the qualifications of the providers and pharmacies in our network and how we pay the providers in our network.
- **Information about your coverage and the rules you must follow when using your coverage.** Chapters 3 and 4 provide information regarding medical services. Chapters 5 and 6 provide information about Part D drug coverage.
- **Information about why something isn't covered and what you can do about it.** Chapter 9 provides information on asking for a written explanation on why a medical service or Part D drug isn't covered or if your coverage is restricted. Chapter 9 also provides information on asking us to change a decision, also called an appeal.

Section 1.5 You have the right to know about your treatment options and participate in decisions about your care

You have the right to get full information from your doctors and other health care providers. Your providers must explain your medical condition and your treatment choices *in a way that you can understand*.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- **To know about all your choices.** You have the right to be told about all treatment options recommended for your condition, no matter what they cost or whether

they're covered by our plan. It also includes being told about programs our plan offers to help members manage their medications and use drugs safely.

- **To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.
- **The right to say “no.”** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. You also have the right to stop taking your medication. If you refuse treatment or stop taking medication, you accept full responsibility for what happens to your body as a result.

You have the right to give instructions about what's to be done if you can't make medical decisions for yourself

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you're in this situation. This means *if you want to*, you can:

- Fill out a written form to give **someone the legal authority to make medical decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how you want them to handle your medical care if you become unable to make decisions for yourself.

Legal documents you can use to give directions in advance in these situations are called **advance directives**. Documents like a **living will** and **power of attorney for health care** are examples of advance directives.

How to set up an advance directive to give instructions:

- **Get a form.** You can get an advance directive form from your lawyer, a social worker, or some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare.
- **Fill out the form and sign it.** No matter where you get this form, it's a legal document. Consider having a lawyer help you prepare it.
- **Give copies of the form to the right people.** Give a copy of the form to your doctor and to the person you name on the form who can make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.

If you know ahead of time that you're going to be hospitalized, and you signed an advance directive, **take a copy with you to the hospital.**

- The hospital will ask whether you signed an advance directive form and whether you have it with you.
- If you didn't sign an advance directive form, the hospital has forms available and will ask if you want to sign one.

Filling out an advance directive is your choice (including whether you want to sign one if you're in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you signed an advance directive.

If your instructions aren't followed

If you sign an advance directive and you believe that a doctor or hospital did not follow the instructions in it, you can file a complaint with New York Medicaid
Office of the Commissioner
Empire State Plaza Corning Tower
Albany, NY 11237
1-800-541-2831.

Section 1.6 You have the right to make complaints and ask us to reconsider decisions we made

If you have any problems, concerns, or complaints and need to ask for coverage, or make an appeal, Chapter 9 of this document tells what you can do. Whatever you do – ask for a coverage decision, make an appeal, or make a complaint – **we're required to treat you fairly.**

Section 1.7 If you believe you're being treated unfairly, or your rights aren't being respected

If you believe you've been treated unfairly or your rights haven't been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, or national origin, call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY users call 1-800-537-7697), or call your local Office for Civil Rights.

If you believe you've been treated unfairly or your rights haven't been respected *and it's not* about discrimination, you can get help dealing with the problem you're having from these places:

- **Call your plan's Care Team at 1-866-783-1444 (TTY users call 711)**
- **Call your local SHIP at 1-800-701-0501 (TTY users call 711)**

- **Call Medicare** at 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048)
- **You can call New York State Medicaid Program** at 1-800-541-2831. TTY users should call 711.
- **Or, you can call the Independent Consumer Advocacy Network (ICAN)** at 1-844-614-8800 TTY users should call 711.

Section 1.8 How to get more information about your rights

Get more information about your rights from these places:

- **Call your Care Team at 1-866-783-1444 (TTY users call 711)**
- **Call your local SHIP** at 1-800-701-0501 (TTY users call 711)
- **Contact Medicare**
 - Visit www.Medicare.gov to read the publication *Medicare Rights & Protections*. (available at: [Medicare Rights & Protections](#))
 - Call 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048)

SECTION 2 Your responsibilities as a member of our plan

Things you need to do as a member of our plan are listed below. For questions, call your Care Team at 1-866-783-1444 (TTY users call 711).

- **Get familiar with your covered services and the rules you must follow to get these covered services.** Use this *Evidence of Coverage* to learn what's covered and the rules you need to follow to get covered services.
 - Chapters 3 and 4 give details about medical services.
 - Chapters 5 and 6 give details about Part D drug coverage.
- **If you have any other health coverage or drug coverage in addition to our plan, you're required to tell us.** Chapter 1 tells you about coordinating these benefits.
- **Tell your doctor and other health care providers that you're enrolled in our plan.** Show our plan membership card whenever you get medical care or Part D drugs.

- **Help your doctors and other providers help you by giving them information, asking questions, and following through on your care.**
 - To help get the best care, tell your doctors and other health providers about your health problems. Follow the treatment plans and instructions you and your doctors agree on.
 - Make sure your doctors know all the drugs you're taking, including over-the-counter drugs, vitamins, and supplements.
 - If you have questions, be sure to ask and get an answer you can understand.
- **Be considerate.** We expect our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor's office, hospitals, and other offices.
- **Pay what you owe.** As a plan member, you're responsible for these payments:
 - You must continue to pay your Medicare premiums to stay a member of our plan.
- **If you move *within* our plan service area, we need to know** so we can keep your membership record up to date and know how to contact you.
- **If you move *outside* our plan service area, you can't stay a member of our plan.**
- **If you move, tell Social Security (or the Railroad Retirement Board).**

CHAPTER 9:

If you have a problem or complaint (coverage decisions, appeals, complaints)

SECTION 1 What to do if you have a problem or concern

This chapter explains the processes for handling problems and concerns. The process you use to handle your problem depends on the type of problem you're having:

- For some problems, you need to use the **process for coverage decisions and appeals**.
- For other problems, you need to use the **process for making complaints** (also called grievances).

Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

Section 3 will help you identify the right process to use and what you should do.

Section 1.1 Legal terms

There are legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people. To make things easier, this chapter uses more familiar words in place of some legal terms.

However, it's sometimes important to know the correct legal terms. To help you know which terms to use to get the right help or information, we include these legal terms when we give details for handling specific situations.

SECTION 2 Where to get more information and personalized help

We're always available to help you. Even if you have a complaint about our treatment of you, we're obligated to honor your right to complain. You should always call your Care Team at 1-

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

866-783-1444 (TTY users call 711) for help. In some situations, you may also want help or guidance from someone who isn't connected with us. Two organizations that can help are:

State Health Insurance Assistance Program (SHIP)

Each state has a government program with trained counselors. The program isn't connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you're having. They can also answer questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free. 1-800-701-0501 (TTY users call 711).

Medicare

You can also contact Medicare for help:

- Call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.
- Visit www.medicare.gov.

You can get help and information from Medicaid

- You can call the Medicaid Helpline at 1-800-541-2831 (TTY 711) Monday through Friday 8:00AM-8:00PM, Saturday 9:00AM-1:00PM.
- You can write to your Local Department of Social Services (LDSS). Find the address for your LDSS at: www.health.ny.gov/health_care/medicaid/ldss
- You can also visit the New York State Medicaid Program website: www.health.ny.gov/health_care/medicaid

SECTION 3 Understanding Medicare and Medicaid complaints and appeals

You have Medicare and get help from Medicaid. Information in this chapter applies to **all** your Medicare and Medicaid benefits. This is called an integrated process because it combines, or integrates, Medicare and Medicaid processes.

Sometimes the Medicare and Medicaid processes aren't combined. In those situations, use a Medicare process for a benefit covered by Medicare and a Medicaid process for a benefit covered by Medicaid. These situations are explained in **Section 6.4**.

SECTION 4 Which process to use for your problem

If you have a problem or concern, read the parts of this chapter that apply to your situation. The information below will help you find the right section of this chapter for problems or complaints about **benefits covered by Medicare or Medicaid**.

Is your problem or concern about your benefits or coverage?

This includes problems about whether medical care (medical items, services and/or Part B drugs) are covered or not, the way they're covered, and problems related to payment for medical care.

Yes.

Go to **Section 5, A guide to coverage decisions and appeals**.

No.

Go to **Section 11, How to make a complaint about quality of care, waiting times, customer service, or other concerns**.

Coverage decisions and appeals

SECTION 5 A guide to coverage decisions and appeals

Coverage decisions and appeals deal with problems related to your benefits and coverage for your medical care (services, items, and Part B drugs, including payment). To keep things simple, we generally refer to medical items, services, and Medicare Part B drugs as **medical care**. You use the coverage decision and appeals process for issues such as whether something is covered or not and the way in which something is covered.

Asking for coverage decisions before you get services

If you want to know if we'll cover medical care before you get it, you can ask us to make a coverage decision for you. A coverage decision is a decision we make about your benefits and coverage or about the amount we'll pay for your medical care. For example, if our plan network doctor refers you to a medical specialist not inside the network, this referral is considered a favorable coverage decision unless either you or your network doctor can show that you got a standard denial notice for this medical specialist, or the *Evidence of Coverage* makes it clear that the referred service is never covered under any condition. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we'll cover a particular medical service or refuses to provide medical care you think you need.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

In limited circumstances a request for a coverage decision will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a coverage decision, we'll send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

We make a coverage decision whenever we decide what's covered for you and how much we pay. In some cases, we might decide medical care isn't covered or is no longer covered for you. If you disagree with this coverage decision, you can make an appeal.

Making an appeal

If we make a coverage decision, whether before or after you get a benefit, and you aren't satisfied, you can **appeal** the decision. An appeal is a formal way of asking us to review and change a coverage decision we made. Under certain circumstances, you can ask for an expedited or **fast appeal** of a coverage decision. Your appeal is handled by different reviewers than those who made the original decision.

When you appeal a decision for the first time, this is called a Level 1 appeal. In this appeal, we review the coverage decision we made to check to see if we properly followed the rules. When we complete the review, we give you our decision.

In limited circumstances, a request for a Level 1 appeal will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a Level 1 appeal, we'll send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

If we say no to all or part of your Level 1 appeal for medical care, your appeal will automatically go on to a Level 2 appeal conducted by an independent review organization not connected to us.

- You don't need to do anything to start a Level 2 appeal. Medicare rules require we automatically send your appeal for medical care to Level 2 if we don't fully agree with your Level 1 appeal.
- Go to **Section 6.4** of this chapter for more information about Level 2 appeals for medical care.
- Part D appeals are discussed in Section 7 of this chapter.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

If you aren't satisfied with the decision at the Level 2 appeal, you may be able to continue through additional levels of appeal (this chapter explains the Level 3, 4, and 5 appeals processes).

Section 5.1 Get help asking for a coverage decision or making an appeal

Here are resources if you decide to ask for any kind of coverage decision or appeal a decision:

- **Call your Care Team at 1-866-783-1444 (TTY users call 711)**
- **Get free help** from your State Health Insurance Assistance Program
- **Your doctor or other health care provider can make a request for you.** If your doctor helps with an appeal past Level 2, they need to be appointed as your representative. Call your Care Team at 1-866-783-1444 (TTY users call 711) and ask for the *Appointment of Representative* form. (The form is also available at www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.)
 - For medical care, your doctor or other health care provider can ask for a coverage decision or a Level 1 appeal on your behalf. If your appeal is denied at Level 1, it'll be automatically forwarded to Level 2.
 - If your doctor or other health provider asks that a service or item that you're already getting be continued during your appeal, you **may** need to name your doctor or other prescriber as your representative to act on your behalf.
 - For Part D drugs, your doctor or other prescriber can ask for a coverage decision or a Level 1 appeal on your behalf. If your Level 1 appeal is denied, your doctor or prescriber can ask for a Level 2 appeal.
- **You can ask someone to act on your behalf.** You can name another person to act for you as your representative to ask for a coverage decision or make an appeal.
 - If you want a friend, relative, or other person to be your representative, call your Care Team at 1-866-783-1444 (TTY users call 711) and ask for the *Appointment of Representative* form. (The form is also available at www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.) This form gives that person permission to act on your behalf. It must be signed by you and the person you want to act on your behalf. You must give us a copy of the signed form.
 - We can accept an appeal request from a representative without the form, but we can't begin or complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal, your appeal request will be dismissed. If this happens, we'll send you a written notice explaining your right to ask the independent review organization to review our decision to dismiss your appeal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **You also have the right to hire a lawyer.** You can contact your own lawyer or get the name of a lawyer from your local bar association or other referral service. There are also groups that will give you free legal services if you qualify. However, **you aren't required to hire a lawyer** to ask for any kind of coverage decision or appeal a decision.

Section 5.2 Rules and deadlines for different situations

There are 4 different situations that involve coverage decisions and appeals. Each situation has different rules and deadlines, we give the details for each of these situations:

- **Section 6:** “Medical care: How to ask for a coverage decision or make an appeal”
- **Section 7:** “Part D drugs: How to ask for a coverage decision or make an appeal”
- **Section 8:** “How to ask us to cover a longer inpatient hospital stay if you think you're being discharged too soon”
- **Section 9:** “How to ask us to keep covering certain medical services if you think your coverage is ending too soon” (*Applies only to these services:* home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services)

If you're not sure which information applies to you, call your Care Team at 1-866-783-1444 (TTY users call 711). You can also get help or information from your SHIP.

SECTION 6 Medical care: How to ask for a coverage decision or make an appeal

Section 6.1 What to do if you have problems getting coverage for medical care or want us to pay you back for your care

Your benefits for medical care are described in Chapter 4 in the Medical Benefits Chart. In some cases, different rules apply to a request for a Part B drug. In those cases, we'll explain how the rules for Part B drugs are different from the rules for medical items and services.

This section tells what you can do if you're in any of the 5 following situations:

1. You aren't getting certain medical care you want, and you believe our plan covers this care. **Ask for a coverage decision. Section 6.2.**
2. Our plan won't approve the medical care your doctor or other health care provider wants to give you, and you believe our plan covers this care. **Ask for a coverage decision. Section 6.2.**

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

3. You got medical care that you believe our plan should cover, but we said we won't pay for this care. **Make an appeal. Section 6.3.**
4. You got and paid for medical care that you believe our plan should cover, and you want to ask our plan to reimburse you for this care. **Send us the bill. Section 6.5.**
5. You're told that coverage for certain medical care you've been getting (that we previously approved) will be reduced or stopped, and you believe that reducing or stopping this care could harm your health. **Make an appeal. Section 6.3.**

Note: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, go to Sections 8 and 9. Special rules apply to these types of care.

Section 6.2 How to ask for a coverage decision**Legal Terms:**

A coverage decision that involves your medical care is called an **organization determination**.

A **fast coverage decision** is called an **expedited determination**.

Step 1: Decide if you need a standard coverage decision or a fast coverage decision.

A standard coverage decision is usually made within 7 calendar days when the medical item or service is subject to our prior authorization rules, 14 calendar days for all other medical items and services, or 72 hours for Part B drugs. A fast coverage decision is generally made within 72 hours, for medical services, 24 hours for Part B drugs.

- You can get a fast coverage decision *only* if using the standard deadlines could *cause serious harm to your health or hurt your ability to function*.
- **If your doctor tells us that your health requires a fast coverage decision, we'll automatically agree to give you a fast coverage decision.**
- **If you ask for a fast coverage decision on your own, without your doctor's support, we'll decide whether your health requires that we give you a fast coverage decision.** If we don't approve a fast coverage decision, we'll send you a letter that:
 - Explains that we'll use the standard deadlines
 - Explains if your doctor asks for the fast coverage decision, we'll automatically give you a fast coverage decision
 - Explains that you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you asked for

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Step 2: Ask our plan to make a coverage decision or fast coverage decision.

- Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this. Chapter 2 has contact information.

Step 3: We consider your request for medical care coverage and give you our answer.

For standard coverage decisions we use the standard deadlines.

This means we'll give you an answer within 7 calendar days after we get your request for a medical item or service that is subject to our prior authorization rules. **If your requested medical item or service is not subject to our prior authorization rules, we'll give you an answer within 14 calendar days** after we get your request. **If your request is for a Part B drug, we'll give you an answer within 72 hours** after we get your request.

- **However**, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
- If you believe we should *not* take extra days, you can file a fast complaint. We'll give you an answer to your complaint as soon as we make the decision. (The process for making a complaint is different from the process for coverage decisions and appeals. Go to Section 11 for information on complaints.)

For fast coverage decisions we use an expedited timeframe.

A fast coverage decision means we'll answer within 72 hours if your request is for a medical item or service. If your request is for a Part B drug, we'll answer within 24 hours.

- **However**, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days**. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
- If you believe we should *not* take extra days, you can file a fast complaint. (Go to Section 11 for information on complaints.) We'll call you as soon as we make the decision.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no.

Step 4: If we say no to your request for coverage for medical care, you can appeal.

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the medical care coverage you want. If you make an appeal, it means you're going on to Level 1 of the appeals process.

Section 6.3 How to make a Level 1 appeal**Legal Terms:**

An appeal to our plan about a medical care coverage decision is called a **plan reconsideration**.

A fast appeal is also called an **expedited reconsideration**.

Step 1: Decide if you need a standard appeal or a fast appeal.

A standard appeal is usually made within 30 calendar days or 7 calendar days for Part B drugs. A fast appeal is generally made within 72 hours.

- If you're appealing a decision we made about coverage for care, you and/or your doctor need to decide if you need a fast appeal. If your doctor tells us that your health requires a fast appeal, we'll give you a fast appeal.
- The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 6.2.

Step 2: Ask our plan for an appeal or a fast appeal

- **If you're asking for a standard appeal, submit your standard appeal in writing.** Chapter 2 has contact information.
- **If you're asking for a fast appeal, make your appeal in writing or call us.** Chapter 2 has contact information.
- **You must make your appeal request within 65 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for asking for an appeal.
- **You can ask for a free copy of the information regarding your medical decision.** You and your doctor may add more information to support your appeal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

If we told you we were going to stop or reduce services or items that you were already getting, you may be able to keep those services or items during your appeal.

- If we decided to change or stop coverage for a service or item that you currently get, we'll send you a notice before taking the proposed action.
- If you disagree with the action, you can file a Level 1 appeal. We'll continue covering the service or item if you ask for a Level 1 appeal within 10 calendar days of the postmark date on our letter or by the intended effective date of the action, whichever is later.
- If you meet this deadline, you can keep getting the service or item with no changes while your Level 1 appeal is pending. You'll also keep getting all other services or items (that aren't the subject of your appeal) with no changes.

Step 3: We consider your appeal and we give you our answer.

- When we are reviewing your appeal, we take a careful look at all the information. We check to see if we were following all the rules when we said no to your request.
- We'll gather more information if needed and may contact you or your doctor.

Deadlines for a fast appeal

- For fast appeals, we must give you our answer **within 72 hours after we get your appeal**. We'll give you our answer sooner if your health requires us to.
 - If you ask for more time, or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time if your request is for a Part B drug.
 - If we don't give you an answer within 72 hours (or by the end of the extended time period if we took extra days), we're required to automatically send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 6.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for**, we must authorize or provide the coverage we agreed to within 72 hours after we get your appeal.
- **If our answer is no to part or all of what you asked for**, we'll send you our decision in writing and automatically forward your appeal to the independent review organization for a Level 2 appeal. The independent review organization will notify you in writing when it gets your appeal.

Deadlines for a standard appeal

- For standard appeals, we must give you our answer **within 30 calendar days** after we get your appeal. If your request is for a Part B drug you didn't get yet, we'll give you our answer **within 7 calendar days** after we get your appeal. We'll give you our decision sooner if your health condition requires us to.
 - However, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
 - If you believe we *shouldn't* take extra days, you can file a fast complaint. When you file a fast complaint, we'll give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, go to **Section 11**.)
 - If we don't give you an answer by the deadline (or by the end of the extended time period), we'll send your request to a Level 2 appeal where an independent review organization will review the appeal. Section 6.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for**, we must authorize or provide the coverage **within 30 calendar days** if your request is for a medical item or service, or **within 7 calendar days** if your request is for a Part B drug.
- **If our plan says no to part or all of your appeal, you have additional appeal rights.**
- If we say no to part or all of what you asked for, we'll send you a letter.
 - If your problem is about coverage of a Medicare service or item, the letter will tell you that we sent your case to the independent review organization for a Level 2 appeal.
 - If your problem is about coverage of a Medicaid service or item, the letter will tell you how to file a Level 2 appeal yourself.

Section 6.4 The Level 2 appeal process

Legal Term:

The formal name for the independent review organization is the **Independent Review Entity**. It's sometimes called the **IRE**.

The **independent review organization is an independent organization hired by Medicare**. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

- If your problem is about a service or item that's usually **covered by Medicare**, we'll automatically send your case to Level 2 of the appeals process as soon as the Level 1 appeal is complete.
- If your problem is about a service or item that's usually **covered by Medicaid**, you can file a Level 2 appeal yourself. The letter will tell you how to do this. Information is also below.
- If your problem is about a service or item that could be **covered by both Medicare and Medicaid**, you'll automatically get a Level 2 appeal with the independent review organization. You can also ask for a Fair Hearing with the state.

If you qualified for continuation of benefits when you filed your Level 1 appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Go to page 142 for information about continuing your benefits during Level 1 appeals.

- If your problem is about a service that's usually covered by Medicare only, your benefits for that service will not continue during the Level 2 appeals process with the independent review organization.
- If your problem is about a service that's usually covered by Medicaid, your benefits for that service will continue if you submit a Level 2 appeal within 10 calendar days after getting our plan's decision letter.

If your problem is about a service or item Medicare usually covers:

Step 1: The independent review organization reviews your appeal.

- We'll send the information about your appeal to this organization. This information is called your **case file**. **You have the right to ask us for a free copy of your case file.**
- You have a right to give the independent review organization additional information to support your appeal.
- Reviewers at the independent review organization will take a careful look at all the information related to your appeal.

If you had a fast appeal at Level 1, you'll also have a fast appeal at Level 2.

- For the fast appeal, the independent review organization must give you an answer to your Level 2 appeal **within 72 hours** of when it gets your appeal.
- If your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Part B drug.

If you had a standard appeal at Level 1, you'll also have a standard appeal at Level 2.

- For the standard appeal, if your request is for a medical item or service, the independent review organization must give you an answer to your Level 2 appeal **within 30 calendar days** of when it gets your appeal. If your request is for a Part B drug, the independent review organization must give you an answer to your Level 2 appeal **within 7 calendar days** of when it gets your appeal.
- If your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Part B drug.

Step 2: The independent review organization gives you its answer.

The independent review organization will tell you its decision in writing and explain the reasons for it.

- **If the independent review organization says yes to part or all of a request for a medical item or service**, we must authorize the medical care coverage within **72 hours** or provide the service within 14 calendar days after we get the decision from the independent review organization for **standard requests**. For **expedited requests**, we have **72 hours** from the date we get the decision from the independent review organization.
- **If the independent review organization says yes to part or all of a request for a Part B drug**, we must authorize or provide the Part B drug within **72 hours** after we get the decision from the independent review organization for **standard requests**. For **expedited requests** we have **24 hours** from the date we get the decision from the independent review organization.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **If the independent review organization says no to part or all of your appeal**, it means they agree with our plan that your request (or part of your request) for coverage for medical care shouldn't be approved. (This is called **upholding the decision or turning down your appeal**.) In this case, the independent review organization will send you a letter that:
 - Explains the decision.
 - Lets you know about your right to a Level 3 appeal if the dollar value of the medical care coverage meets a certain minimum. The written notice you get from the independent review organization will tell you the dollar amount you must meet to continue the appeals process.
 - Tells you how to file a Level 3 appeal.
- If your Level 2 appeal is turned down and you meet the requirements to continue with the appeals process, you must decide whether you want to go to Level 3 and make a third appeal. The details on how to do this are in the written notice you get after your Level 2 appeal.
 - The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. **Section 10** in this chapter explains the process for Level 3, 4, and 5 appeals.

If your problem is about a service or item Medicaid usually covers:**Step 1: Ask for a Fair Hearing with the state.**

- Level 2 of the appeals process for services usually covered by Medicaid is a Fair Hearing with the state. You must ask for a Fair Hearing in writing or over the phone **within 120 calendar days** of the date that we sent the decision letter on your Level 1 appeal. The letter you get from us will tell you where to submit your hearing request.

You can ask for a Fair Hearing with the state:

- By phone: 1-800-342-3334
(TTY call 711 and ask the operator to call 1-877-502-6155)
- By fax: 518-473-6735
- By internet: <http://otda.ny.gov/oah/FHReq.asp>
- By mail:
 - NYS Office of Temporary and Disability Assistance
 - Office of Administrative Hearings Managed Care Hearing Unit
 - P.O. Box 22023
 - Albany, New York 12201-2023
- In person:
 - For non-New York City residents:

For New York City residents:

Office of Temporary and Disability Assistance
Office of Administrative Hearings
5 Beaver Street
New York, New York 10004

After you ask for a Fair Hearing, the State will send you a notice with the time and place of the hearing. At the hearing you will be asked to explain why you think this decision is wrong. A hearing officer will hear from both you and the plan and decide whether our decision was wrong. If the State denies your request for a fast track Fair Hearing, they will call you and send you a letter. If your request for a fast track Fair Hearing is denied, the State will process your Fair Hearing in 90 days.

If the State approves your request for a fast track Fair Hearing, they will call you to give you the time and date of your hearing. All Fast Track Fair Hearings will be held by phone.

To prepare for the hearing:

- **We will send you a copy of the "evidence packet" before the hearing.** This is information we used to make our decision about your services. We will give this information to the hearing officer to explain our decision. If there is not time enough to mail it to you, we will bring a copy of the evidence packet to the hearing for you. If you do not get the evidence packet by the week before your hearing, you can call 1-866-783-1444 to ask for it.
- **You have the right to see your case file and other documents.** Your case file has your health records and may have more information about why your health care service was changed or not approved. You can also ask to see guidelines and any other document we used to make this decision. You can call 1-866-783-1444 to see your case file and other documents, or to ask for a free copy. Copies will only be mailed to you if you say you want them to be mailed.
- **You have a right to bring a person with you to help you at the hearing**, like a lawyer, a friend, a relative or someone else. At the hearing, you or this person can give the hearing officer something in writing, or just say why the decision was wrong. You can also bring people to speak in your favor. You or this person can also ask questions of any other people at the hearing.
- **You have the right to submit documents to support your case.** Bring a copy of any papers you think will help your case, such as doctor's letters, health care bills,

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

and receipts. It may be helpful to bring a copy of this notice and all the pages that came with it to your hearing.

- **You may be able to get legal help** by calling your local Legal Aid Society or advocate group. To locate a lawyer, check your Yellow Pages under "Lawyers" or go to www.LawhelpNY.org. In New York City, call 311.

External Appeal

You have other appeal rights if we said the service you asked for was:

1. not medically necessary;
2. experimental or investigational;
3. not different from care you can get in the plan's network; or
4. available from a participating provider who has correct training and experience to meet your needs.

For these types of decisions, you can ask New York State (NYS) for an independent External Appeal. This is called an External Appeal because it is decided by reviewers who do not work for VNS Health Total or NYS. These reviewers are qualified people approved by NYS. The service must be in the plan's benefit package or be an experimental treatment, clinical trial, or treatment for a rare disease. You do not have to pay for an External Appeal.

You have **4 months** from the date that we sent the decision letter on your Level 1 appeal to ask for an External Appeal. If you and VNS Health Total agreed to skip our appeals process, then you must ask for the External Appeal within 4 months of when you made that agreement.

To ask for an External Appeal, fill out an application and send it to the Department of Financial Services. You can call your Care Team at 1-866-783-1444 if you need help filing an External Appeal. You and your doctors will have to give information about your medical problem. The External Appeal application says what information will be needed.

Here are some ways to get an External Appeal application:

- Call the Department of Financial Services at 1-800-400-8882
- Go to the Department of Financial Services' web site at www.dfs.ny.gov.
- Contact us at 1-866-783-1444

Your External Appeal will be decided in 30 days. More time (up to five work days) may be needed if the External Appeal reviewer asks for more information. You and VNS Health Total will be told the final decision within two days after the decision is made.

You can get a faster decision if:

- Your doctor says that a delay will cause serious harm to your health; or
- You are in the hospital after an emergency room visit and the hospital care is denied by your plan.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

This is called an Expedited External Appeal. The External Appeal reviewer will decide an expedited appeal in 72 hours or less.

If you asked for inpatient substance use disorder treatment at least 24 hours before you were to leave the hospital, we will continue to pay for your stay if:

- you ask for a fast track Level 1 appeal within 24 hours, **AND**
- you ask for a fast track External Appeal at the same time.

We will continue to pay for your stay until there is a decision made on your appeals. We will make a decision about your fast track Level 1 appeal in 24 hours. The fast track External Appeal will be decided in 72 hours.

The External Appeal reviewer will tell you and the plan the decision right away by phone or fax. Later, a letter will be sent that tells you the decision.

You may ask for a Fair Hearing or ask for an External Appeal, or both. If you ask for both a Fair Hearing **and** an External Appeal, the decision of the fair hearing officer will be the one that counts.

Step 2: The Fair Hearing office gives you its answer.

The Fair Hearing office will tell you its decision in writing and explain the reasons.

- **If the Fair Hearing office says yes to part or all of a request for a medical item or service**, we must authorize or provide the service or item within 72 hours after we get the decision from the Fair Hearing office.
- **If the Fair Hearing office says no to part or all of your appeal**, they agree with our plan that your request (or part of your request) for coverage for medical care should not be approved. (This is called **upholding the decision** or **turning down your appeal**.)

If the decision is no for all or part of what you asked for, you can make another appeal

If the independent review organization or Fair Hearing office decision is no for all or part of what you asked for, you have **additional appeal rights**.

The letter you get from the Fair Hearing office will describe this next appeal option.

Go to **Section 10** for more information on your appeal rights after Level 2.

Section 6.5 If you're asking us to pay you back for a bill you got for medical care

We can't reimburse you directly for a Medicaid service or item. If you get a bill for Medicaid-covered services and items, send the bill to us. **Don't pay the bill yourself.** We'll

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund from that health care provider if you followed the rules for getting the service or item.

Asking to be paid back for something you have already paid for

If you send us the paperwork asking for reimbursement, you're asking for a coverage decision. We can't reimburse you directly for a **Medicaid** service or item. If you get a bill for Medicaid-covered services and items, send the bill to us. **Don't pay the bill yourself.** We'll contact the health care provider directly and take care of the problem. If you do pay the bill, you can get a refund from that health care provider if you followed the rules for getting services or items.

If you want us to reimburse you for a **Medicare** service or item or you're asking us to pay a health care provider for a Medicaid service or item you paid for, ask us to make this coverage decision. We'll check to see if the medical care you paid for is a covered service. We'll also check to see if you followed all the rules for using your coverage for medical care.

- **If we say yes to your request:** If the Medicare medical care is covered, we'll send you the payment for the cost within 60 calendar days after we get your request.
 - If the Medicaid care that you paid a health care provider for is covered and you think we should pay the health care provider instead, we'll send your health care provider the payment for the cost within 60 calendar days after we get your request.
 - Then you'll need to contact your health care provider to get them to pay you back. If you haven't paid for the medical care, we'll send the payment directly to the health care provider.
- **If we say no to your request:** If the medical care isn't covered, or you did *not* follow all the rules, we won't send payment. Instead, we'll send you a letter that says we'll not pay for the medical care and the reasons why.

If you don't agree with our decision to turn you down, **you can make an appeal.** If you make an appeal, it means you're asking us to change the coverage decision we made when we turned down your request for payment.

To make this appeal, follow the process for appeals in Section 6.3. For appeals concerning reimbursement, note:

- We must give you our answer within 30 calendar days after we get your appeal.
- If the independent review organization decides we should pay, we must send you or the provider the payment within 30 calendar days. If the answer to your appeal is yes

at any stage of the appeals process after Level 2, we must send the payment you asked for to you or the health care provider within 60 calendar days.

SECTION 7 Part D drugs: How to ask for a coverage decision or make an appeal

Section 7.1 This section tells you what to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug

Your benefits include coverage for many prescription drugs. To be covered, the drug must be used for a medically accepted indication. (Go to Chapter 5 for more information about a medically accepted indication.) For details about Part D drugs, rules, restrictions, and costs go to Chapters 5 and 6. **This section is about your Part D drugs only.** To keep things simple, we generally say *drug* in the rest of this section, instead of repeating *covered outpatient prescription drug* or *Part D drug* every time. We also use the term Drug List instead of *List of Covered Drugs* or formulary.

- If you don't know if a drug is covered or if you meet the rules, you can ask us. Some drugs require you to get approval from us before we'll cover it.
- If your pharmacy tells you that your prescription can't be filled as written, the pharmacy will give you a written notice explaining how to contact us to ask for a coverage decision.

Part D coverage decisions and appeals

Legal Term:

An initial coverage decision about your Part D drugs is called a **coverage determination**.

A coverage decision is a decision we make about your benefits and coverage or about the amount we'll pay for your drugs. This section tells what you can do if you're in any of the following situations:

- Asking to cover a Part D drug that isn't on our plan's Drug List. **Ask for an exception. Section 7.2.**
- Asking to waive a restriction on our plan's coverage for a drug (such as limits on the amount of the drug you can get, prior authorization criteria, or the requirement to try another drug first) **Ask for an exception. Section 7.2.**
- Asking to get pre-approval for a drug. **Ask for a coverage decision. Section 7.4.**
- Pay for a prescription drug you already bought. **Ask us to pay you back. Section 7.4.**

If you disagree with a coverage decision we made, you can appeal our decision.

This section tells you both how to ask for coverage decisions and how to ask for an appeal.

Section 7.2 Asking for an exception

Legal Terms:

Asking for coverage of a drug that's not on the Drug List is a **formulary exception**.

Asking for removal of a restriction on coverage for a drug is a **formulary exception**.

Asking to pay a lower price for a covered non-preferred drug is a **tiering exception**.

If a drug isn't covered in the way you'd like it to be covered, you can ask us to make an **exception**. An exception is a type of coverage decision.

For us to consider your exception request, your doctor or other prescriber will need to explain the medical reasons why you need the exception approved. Here are 2 examples of exceptions that you or your doctor or other prescriber can ask us to make:

- 1. Covering a Part D drug that's not on our Drug List.**
- 2. Removing a restriction for a covered drug.** Chapter 5 describes the extra rules or restrictions that apply to certain drugs on our Drug List.

Section 7.3 Important things to know about asking for exceptions

Your doctor must tell us the medical reasons

Your doctor or other prescriber must give us a statement that explains the medical reasons you're asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our Drug List typically includes more than one drug for treating a particular condition. These different possibilities are called **alternative** drugs. If an alternative drug would be just as effective as the drug you're asking for and wouldn't cause more side effects or other health problems, we generally **won't** approve your request for an exception.

We can say yes or no to your request

- If we approve your request for an exception, our approval usually is valid until the end of our plan year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.

- If we say no to your request, you can ask for another review by making an appeal.

Section 7.4 How to ask for a coverage decision, including an exception

Legal Term:

A fast coverage decision is called an **expedited coverage determination**.

Step 1: Decide if you need a standard coverage decision or a fast coverage decision.

Standard coverage decisions are made within **72 hours** after we get your doctor's statement. **Fast coverage decisions** are made within **24 hours** after we get your doctor's statement.

If your health requires it, ask us to give you a fast coverage decision. To get a fast coverage decision, you must meet 2 requirements:

- You must be asking for a *drug you didn't get yet*. (You can't ask for fast coverage decision to be paid back for a drug you have already bought.)
- Using the standard deadlines could *cause serious harm to your health or hurt your ability to function*.
- **If your doctor or other prescriber tells us that your health requires a fast coverage decision, we'll automatically give you a fast coverage decision.**
- **If you ask for a fast coverage decision on your own, without your doctor or prescriber's support, we'll decide whether your health requires that we give you a fast coverage decision.** If we don't approve a fast coverage decision, we'll send you a letter that:
 - Explains that we'll use the standard deadlines.
 - Explains if your doctor or other prescriber asks for the fast coverage decision, we'll automatically give you a fast coverage decision.
 - Tells you how you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you asked for. We'll answer your complaint within 24 hours of receipt.

Step 2: Ask for a standard coverage decision or a fast coverage decision.

Start by calling, writing, or faxing our plan to ask us to authorize or provide coverage for the medical care you want. You can also access the coverage decision process through our website. We must accept any written request, including a request submitted on the *CMS Model Coverage Determination Request* form which is available on our website

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

vnshealthplans.org. Chapter 2 has contact information. To help us process your request, include your name, contact information, and information that shows which denied claim is being appealed.

You, your doctor, (or other prescriber), or your representative can do this. You can also have a lawyer act on your behalf. Section 4 of this chapter tells how you can give written permission to someone else to act as your representative.

- **If you're asking for an exception, provide the supporting statement**, which is the medical reason for the exception. Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone and follow up by faxing or mailing a written statement if necessary.

Step 3: We consider your request and give you our answer.***Deadlines for a fast coverage decision***

- We must generally give you our answer **within 24 hours** after we get your request.
 - For exceptions, we'll give you our answer within 24 hours after we get your doctor's supporting statement. We'll give you our answer sooner if your health requires us to.
 - If we don't meet this deadline, we're required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for**, we must provide the coverage we agreed to within 24 hours after we get your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Deadlines for a standard coverage decision about a drug you didn't get yet

- We must give you our answer **within 72 hours** after we get your request.
 - For exceptions, we'll give you our answer within 72 hours after we get your doctor's supporting statement. We'll give you our answer sooner if your health requires us to.
 - If we don't meet this deadline, we are required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **If our answer is yes to part or all of what you asked for**, we must **provide the coverage** we agreed to **within 72 hours** after we get your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Deadlines for a standard coverage decision about payment for a drug you have already bought

- We must give you our answer **within 14 calendar days** after we get your request.
 - If we don't meet this deadline, we are required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization
- **If our answer is yes to part or all of what you asked for**, we are also required to make payment to you within 14 calendar days after we get your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Step 4: If we say no to your coverage request, you can make an appeal.

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the drug coverage you want. If you make an appeal, it means you're going to Level 1 of the appeals process.

Section 7.5 How to make a Level 1 appeal**Legal Terms:**

An appeal to the plan about a Part D drug coverage decision is called a plan **redetermination**.

A fast appeal is called an **expedited redetermination**.

Step 1: Decide if you need a standard appeal or a fast appeal.

A standard appeal is usually made within 7 calendar days. A fast appeal is generally made within 72 hours. If your health requires it, ask for a fast appeal.

- If you're appealing a decision we made about a drug you didn't get yet, you and your doctor or other prescriber will need to decide if you need a fast appeal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 7.4.

Step 2: You, your representative, doctor or other prescriber must contact us and make your Level 1 appeal. If your health requires a quick response, you must ask for a fast appeal.

- **For standard appeals, submit a written request or call us.** Chapter 2 has contact information.
- **For fast appeals either submit your appeal in writing or call us at 1-888-672-7205.** Chapter 2 has contact information.
- **We must accept any written request**, including a request submitted on the *CMS Model Redetermination Request Form*, which is available on our website vnshealthplans.org. Include your name, contact information, and information about your claim to help us process your request.
- **You must make your appeal request within 65 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for asking for an appeal.
- **You can ask for a copy of the information in your appeal and add more information.** You and your doctor may add more information to support your appeal.

Step 3: We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all the information about your coverage request. We check to see if we were following all the rules when we said no to your request.
- We may contact you or your doctor or other prescriber to get more information.

Deadlines for a fast appeal

- For fast appeals, we must give you our answer **within 72 hours after we get your appeal**. We'll give you our answer sooner if your health requires us to.
 - If we don't give you an answer within 72 hours, we're required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization. **Section 7.6** explains the Level 2 appeal process.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **If our answer is yes to part or all of what you asked for**, we must provide the coverage we agreed to within 72 hours after we get your appeal.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no and how you can appeal our decision.

Deadlines for a standard appeal for a drug you didn't get yet

- For standard appeals, we must give you our answer **within 7 calendar days** after we get your appeal. We'll give you our decision sooner if you didn't get the drug yet and your health condition requires us to do so.
 - If we don't give you a decision within 7 calendar days, we're required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization. **Section 7.6** explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for**, we must provide the coverage as quickly as your health requires, but no later than **7 calendar days** after we get your appeal.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no and how you can appeal our decision.

Deadlines for a standard appeal about payment for a drug you already bought

- We must give you our answer **within 14 calendar days** after we get your request.
 - If we don't meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for**, we are also required to make payment to you within 30 calendar days after we get your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Step 4: If we say no to your appeal, you decide if you want to continue with the appeals process and make another appeal.

- If you decide to make another appeal, it means your appeal is going on to Level 2 of the appeals process.

Section 7.6 Step-by-step: How to make a Level 2 appeal

Legal Term:

The formal name for the independent review organization is the **Independent Review Entity**. It is sometimes called the **IRE**.

The **independent review organization is an independent organization hired by Medicare**. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: You (or your representative or your doctor or other prescriber) must contact the independent review organization and ask for a review of your case.

- If we say no to your Level 1 appeal, the written notice we send you'll include **instructions on how to make a Level 2 appeal** with the independent review organization. These instructions will tell who can make this Level 2 appeal, what deadlines you must follow, and how to reach the independent review organization.
- **You must make your appeal request within 65 calendar days** from the date on the written notice.
- If we did not complete our review within the applicable timeframe, or make an unfavorable decision regarding **at-risk** determination under our drug management program, we'll automatically forward your request to the IRE.
- We'll send the information about your appeal to this organization. This information is called your **case file**. **You have the right to ask us for a copy of your case file.**
- You have a right to give the independent review organization additional information to support your appeal.

Step 2: The independent review organization reviews your appeal.

Reviewers at the independent review organization will take a careful look at all the information related to your appeal.

Deadlines for fast appeal

- If your health requires it, ask the independent review organization for a fast appeal.
- If the independent review organization agrees to give you a fast appeal, the independent review organization must give you an answer to your Level 2 appeal **within 72 hours** after it gets your appeal request.

Deadlines for standard appeal

- For standard appeals, the independent review organization must give you an answer to your Level 2 appeal **within 7 calendar days** after it gets your appeal if it is for a drug you didn't get yet. If you're asking us to pay you back for a drug you have already bought, the independent review organization must give you an answer to your Level 2 appeal **within 14 calendar days** after it gets your request.

Step 3: The independent review organization gives you its answer.

For fast appeals:

- **If the independent review organization says yes to part or all of what you asked for**, we must provide the drug coverage that was approved by the independent review organization **within 24 hours** after we get the decision from the independent review organization.

For standard appeals:

- **If the independent review organization says yes to part or all of your request for coverage**, we must **provide the drug coverage** that was approved by the independent review organization **within 72 hours** after we get the decision from the independent review organization.
- **If the independent review organization says yes to part or all of your request to pay you back** for a drug you already bought, we're required to **send payment to you within 30 calendar days** after we get the decision from the independent review organization.

What if the independent review organization says no to your appeal?

If the independent organization says no to part or all of your appeal, it means they agree with our decision not to approve your request (or part of your request). (This is called **upholding the decision** or **turning down your appeal**.) In this case, the independent review organization will send you a letter that:

- Explains the decision.
- Lets you know about your right to a Level 3 appeal if the dollar value of the drug coverage you're asking for meets a certain minimum. If the dollar value of the drug coverage you're asking for is too low, you can't make another appeal and the decision at Level 2 is final.
- Tells you the dollar value that must be in dispute to continue with the appeals process.

Step 4: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal).
- If you want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. **Section 10** talks more about the process for Level 3, 4, and 5 appeals.

SECTION 8 How to ask us to cover a longer inpatient hospital stay if you think you're being discharged too soon

When you're admitted to a hospital, you have the right to get all covered hospital services necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will work with you to prepare for the day you leave the hospital. They'll help arrange for care you may need after you leave.

- The day you leave the hospital is called your **discharge date**.
- When your discharge date is decided, your doctor or the hospital staff will tell you.
- If you think you're being asked to leave the hospital too soon, you can ask for a longer hospital stay and your request will be considered.

Section 8.1 During your inpatient hospital stay, you'll get a written notice from Medicare that tells you about your rights

Within 2 calendar days of being admitted to the hospital, you'll be given a written notice called *An Important Message from Medicare about Your Rights*. Everyone with Medicare gets a copy of this notice.

If you don't get the notice from someone at the hospital (for example, a caseworker or nurse), ask any hospital employee for it. If you need help, call your Care Team at 1-866-783-1444 (TTY users call 711) or 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048).

1. Read this notice carefully and ask questions if you don't understand it. It tells you:

- Your right to get Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- Your right to be involved in any decisions about your hospital stay.
 - Where to report any concerns you have about the quality of your hospital care.
 - Your right to **ask for an immediate review** of the decision to discharge you if you think you're being discharged from the hospital too soon. This is a formal, legal way to ask for a delay in your discharge date so that we'll cover your hospital care for a longer time.
- 2. You'll be asked to sign the written notice to show that you got it and understand your rights.**
- You or someone who is acting on your behalf will be asked to sign the notice.
 - Signing the notice shows *only* that you got the information about your rights. The notice doesn't give your discharge date. Signing the notice **doesn't mean** you're agreeing on a discharge date.
- 3. Keep your copy** of the notice so you have the information about making an appeal (or reporting a concern about quality of care) if you need it.
- If you sign the notice more than 2 calendar days before your discharge date, you'll get another copy before you're scheduled to be discharged.
 - To look at a copy of this notice in advance, call your Care Team at 1-866-783-1444 (TTY users call 711) or 1-800 MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can also get the notice online at www.CMS.gov/Medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

Section 8.2 How to make a Level 1 appeal to change your hospital discharge date

To ask us to cover inpatient hospital services for a longer time, use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process**
- **Meet the deadlines**
- **Ask for help if you need it.** If you have questions or need help, call your Care Team at 1-866-783-1444 (TTY users call 711). Or call your State Health Insurance Assistance Program (SHIP) for personalized help. Health Insurance Information Counseling and Assistance Program (HIICAP) 1-800-701-0501 (TTY users call 711). SHIP contact information is available in Chapter 2, Section 3.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It checks to see if your planned discharge date is medically appropriate for you. The **Quality Improvement Organization** is a group of doctors and other health care professionals paid by

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

the federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare. These experts aren't part of our plan.

Step 1: Contact the Quality Improvement Organization for your state and ask for an immediate review of your hospital discharge. You must act quickly.

How can you contact this organization?

- The written notice you got (*An Important Message from Medicare About Your Rights*) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

Act quickly:

- To make your appeal, you must contact the Quality Improvement Organization *before* you leave the hospital and **no later than midnight the day of your discharge**.
 - **If you meet this deadline**, you can stay in the hospital *after* your discharge date *without paying for it* while you wait to get the decision from the Quality Improvement Organization.
 - **If you don't meet this deadline, contact us.** If you decide to stay in the hospital after your planned discharge date, *you may have to pay all the costs* for hospital care you get after your planned discharge date.

Once you ask for an immediate review of your hospital discharge, the Quality Improvement Organization will contact us. By noon of the day after we're contacted, we'll give you a **Detailed Notice of Discharge**. This notice gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

You can get a sample of the **Detailed Notice of Discharge** by calling your Care Team at 1-866-783-1444 (TTY users call 711) or 1-800-MEDICARE (1-800-633-4227). (TTY users call 1-877-486-2048.) Or you can get a sample notice online at www.CMS.gov/Medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

- Health professionals at the Quality Improvement Organization (the reviewers) will ask you (or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you can if you want to.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- The reviewers will also look at your medical information, talk with your doctor, and review information that we and the hospital gave them.
- By noon of the day after the reviewers told us of your appeal, you'll get a written notice from us that gives your planned discharge date. This notice also explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.

What happens if the answer is yes?

- If the independent review organization says yes, **we must keep providing your covered inpatient hospital services for as long as these services are medically necessary.**
- You'll have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered hospital services.

What happens if the answer is no?

- If the independent review organization says no, they're saying that your planned discharge date is medically appropriate. If this happens, **our coverage for your inpatient hospital services will end** at noon on the day **after** the Quality Improvement Organization gives you its answer to your appeal.
- If the independent review organization says no to your appeal and you decide to stay in the hospital, **you may have to pay the full cost** of hospital care you get after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If the Quality Improvement Organization said *no* to your appeal, *and* you stay in the hospital after your planned discharge date, you can make another appeal. Making another appeal means you're going to **Level 2** of the appeals process.

Section 8.3 How to make a Level 2 appeal to change your hospital discharge date

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at its decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your stay after your planned discharge date.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Step 1: Contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 calendar days** after the day the Quality Improvement Organization said no to your Level 1 appeal. You can ask for this review only if you stay in the hospital after the date your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all the information related to your appeal.

Step 3: Within 14 calendar days of receipt of your request for a Level 2 appeal, the reviewers will decide on your appeal and tell you its decision.*If the independent review organization says yes:*

- **We must reimburse you** for our share of the costs of hospital care you got since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. **We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.**
- You must continue to pay your share of the costs and coverage limitations may apply.

If the independent review organization says no:

- It means they agree with the decision they made on your Level 1 appeal.
- The notice you get will tell you in writing what you can do if you want to continue with the review process.

Step 4: If the answer is no, you'll need to decide whether you want to take your appeal further by going to Level 3.

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal). If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. **Section 10** talks more about Levels 3, 4, and 5 of the appeals process.

SECTION 9 How to ask us to keep covering certain medical services if you think your coverage is ending too soon

When you're getting covered **home health services, skilled nursing care, or rehabilitation care (Comprehensive Outpatient Rehabilitation Facility)**, you have the right to keep getting

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

your services for that type of care for as long as the care is needed to diagnose and treat your illness or injury.

When we decide it is time to stop covering any of the 3 types of care for you, we're required to tell you in advance. When your coverage for that care ends, *we'll stop paying for your care.*

If you think we're ending the coverage of your care too soon, **you can appeal our decision.** This section tells you how to ask for an appeal.

Section 9.1 We'll tell you in advance when your coverage will be ending**Legal Term:**

Notice of Medicare Non-Coverage. It tells you how you can ask for a **fast-track appeal.** Asking for a fast-track appeal is a formal, legal way to ask for a change to our coverage decision about when to stop your care.

- 1. You get a notice in writing** at least 2 calendar days before our plan is going to stop covering your care. The notice tells you:
 - The date when we'll stop covering the care for you.
 - How to ask for a fast-track appeal to ask us to keep covering your care for a longer period of time.
- 2. You, or someone who is acting on your behalf, will be asked to sign the written notice to show that you got it.** Signing the notice shows *only* that you got the information about when your coverage will stop. **Signing it *doesn't* mean you agree** with our plan's decision to stop care.

Section 9.2 How to make a Level 1 appeal to have our plan cover your care for a longer time

If you want to ask us to cover your care for a longer period of time, you'll need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process**
- **Meet the deadlines**
- **Ask for help if you need it.** If you have questions or need help, call your Care Team at 1-866-783-1444 (TTY users call 711). Or call your State Health Insurance Assistance Program (SHIP) for personalized help. Health Insurance Information Counseling and

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Assistance Program (HIICAP) 1-800-701-0501 (TTY users call 711). SHIP contact information is available in Chapter 2, Section 3.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It decides if the end date for your care is medically appropriate. The **Quality Improvement Organization** is a group of doctors and other health care experts paid by the federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing plan decisions about when it's time to stop covering certain kinds of medical care. These experts aren't part of our plan.

Step 1: Make your Level 1 appeal: contact the Quality Improvement Organization and ask for a *fast-track appeal*. You must act quickly.

How can you contact this organization?

- The written notice you got (*Notice of Medicare Non-Coverage*) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

Act quickly:

- You must contact the Quality Improvement Organization to start your appeal **by noon of the day before the effective date** on the *Notice of Medicare Non-Coverage*.
- If you miss the deadline, and you want to file an appeal, you still have appeal rights. Contact your Quality Improvement Organization.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

Legal Term:

Detailed Explanation of Non-Coverage. Notice that gives details on reasons for ending coverage.

What happens during this review?

- Health professionals at the Quality Improvement Organization (the reviewers) will ask you, or your representative, why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you can if you want to.
- The independent review organization will also look at your medical information, talk with your doctor, and review information our plan gives them.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- By the end of the day the reviewers told us of your appeal, you'll get the *Detailed Explanation of Non-Coverage* from us that explains in detail our reasons for ending our coverage for your services.

Step 3: Within one full day after they have all the information they need, the reviewers will tell you its decision.

What happens if the reviewers say yes?

- If the reviewers say yes to your appeal, then **we must keep providing your covered service for as long as it's medically necessary.**
- You'll have to keep paying your share of the costs (such as deductibles or copayments, if these apply). There may be limitations on your covered services.

What happens if the reviewers say no?

- If the reviewers say no, then **your coverage will end on the date we told you.**
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services **after** this date when your coverage ends, **you'll have to pay the full cost** of this care yourself.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If reviewers say no to your Level 1 appeal - and you choose to continue getting care after your coverage for the care has ended, then you can make a Level 2 appeal.

Section 9.3 How to make a Level 2 appeal to have our plan cover your care for a longer time

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at the decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end.

Step 1: Contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 calendar days** after the day when the Quality Improvement Organization said *no* to your Level 1 appeal. You can ask for this review only if you continued getting care after the date your coverage for the care ended.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all the information related to your appeal.

Step 3: Within 14 calendar days of receipt of your appeal request, reviewers will decide on your appeal and tell you its decision.***What happens if the independent review organization says yes?***

- **We must reimburse you** for our share of the costs of care you got since the date when we said your coverage would end. **We must continue providing coverage** for the care for as long as it's medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

What happens if the independent review organization says no?

- It means they agree with the decision made to your Level 1 appeal.
- The notice you get will tell you in writing what you can do if you want to continue with the review process. It will give you details about how to go to the next level of appeal, which is handled by an Administrative Law Judge or attorney adjudicator.

Step 4: If the answer is no, you'll need to decide whether you want to take your appeal further.

- There are 3 additional levels of appeal after Level 2, for a total of 5 levels of appeal. If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 10 of this chapter tells more about the process for Level 3, 4, and 5 appeals.

SECTION 10 Taking your appeal to Levels 3, 4 and 5

Section 10.1 Appeal Levels 3, 4 and 5 for Medical Service Requests

This section may be right for you if you made a Level 1 appeal and a Level 2 appeal, and both of your appeals were turned down.

If the dollar value of the item or medical service you appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

minimum level, you can't appeal any further. The written response you get to your Level 2 appeal will explain how to make a Level 3 appeal.

For most situations that involve appeals, the last 3 levels of appeal work in much the same way as the first 2 levels. Here's who handles the review of your appeal at each of these levels.

Level 3 appeal

An **Administrative Law Judge** or an attorney adjudicator who works for the federal government will review your appeal and give you an answer.

- **If the Administrative Law Judge or attorney adjudicator says yes to your appeal, the appeals process *may or may not* be over.** Unlike a decision at a Level 2 appeal, we have the right to appeal a Level 3 decision that's favorable to you. If we decide to appeal, it will go to a Level 4 appeal.
 - If we decide *not* to appeal, we must authorize or provide you with the medical care within 60 calendar days after we get the Administrative Law Judge's or attorney adjudicator's decision.
 - If we decide to appeal the decision, we'll send you a copy of the Level 4 appeal request with any accompanying documents. We may wait for the Level 4 appeal decision before authorizing or providing the medical care in dispute.
- **If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process *may or may not* be over.**
 - If you decide to accept the decision that turns down your appeal, the appeals process is over.
 - If you don't want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 appeal

The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the federal government.

- **If the answer is yes, or if the Council denies our request to review a favorable Level 3 appeal decision, the appeals process *may or may not* be over.** Unlike a decision at Level 2, we have the right to appeal a Level 4 decision that is favorable to you. We'll decide whether to appeal this decision to Level 5.
 - If we decide *not* to appeal the decision, we must authorize or provide you with the medical care within 60 calendar days after getting the Council's decision.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If we decide to appeal the decision, we'll let you know in writing.
- **If the answer is no or if the Council denies the review request, the appeals process *may or may not* be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you don't want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go to a Level 5 appeal and how to continue with a Level 5 appeal.

Level 5 appeal

A judge at the **Federal District Court** will review your appeal.

- A judge will review all the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

Section 10.2 Additional Medicaid appeals

You also have other appeal rights if your appeal is about services or items that Medicaid usually covers. The letter you get from the Fair Hearing office will tell you what to do if you want to continue the appeals process.

Section 10.3 Appeal Levels 3, 4 and 5 for Part D Drug Requests

This section may be right for you if you made a Level 1 appeal and a Level 2 appeal, and both of your appeals were turned down.

If the value of the drug you appealed meets a certain dollar amount, you may be able to go to additional levels of appeal. If the dollar amount is less, you can't appeal any further. The written response you get to your Level 2 appeal will explain who to contact and what to do to ask for a Level 3 appeal.

For most situations that involve appeals, the last 3 levels of appeal work in much the same way as the first 2 levels. Here's who handles the review of your appeal at each of these levels.

Level 3 appeal

An **Administrative Law Judge or an attorney adjudicator who works for the federal government** will review your appeal and give you an answer.

- **If the answer is yes, the appeals process is over.** We must **authorize or provide the drug coverage** that was approved by the Administrative Law Judge or attorney adjudicator **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we get the decision.
- **If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process may or may not be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you don't want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 appeal

The **Medicare Appeals Council (Council)** will review your appeal and give you an answer. The Council is part of the federal government.

- **If the answer is yes, the appeals process is over.** We must **authorize or provide the drug coverage** that was approved by the Council **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we get the decision.
- **If the answer is no or if the Council denies the review request, the appeals process *may or may not be over.***
 - If you decide to accept the decision that turns down your appeal, the appeals process is over.
 - If you don't want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go to a Level 5 appeal and how to continue with a Level 5 appeal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)**Level 5 appeal**

A judge at the **Federal District Court** will review your appeal.

- A judge will review all the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

Making complaints

SECTION 11 How to make a complaint about quality of care, waiting times, customer service, or other concerns

Section 11.1 What kinds of problems are handled by the complaint process

The complaint process is *only* used for certain types of problems. This includes problems about quality of care, waiting times, and customer service. Here are examples of the kinds of problems handled by the complaint process.

Complaint	Example
Quality of your medical care	<ul style="list-style-type: none"> • Are you unhappy with the quality of the care you got (including care in the hospital)?
Respecting your privacy	<ul style="list-style-type: none"> • Did someone not respect your right to privacy or share confidential information?
Disrespect, poor customer service, or other negative behaviors	<ul style="list-style-type: none"> • Has someone been rude or disrespectful to you? • Are you unhappy with your Care Team? • Do you feel you're being encouraged to leave our plan?
Waiting times	<ul style="list-style-type: none"> • Are you having trouble getting an appointment, or waiting too long to get it? • Have you been kept waiting too long by doctors, pharmacists, or other health professionals? Or by your Care Team or other staff at our plan? <ul style="list-style-type: none"> ○ Examples include waiting too long on the phone, in the waiting or exam room, or getting a prescription.
Cleanliness	<ul style="list-style-type: none"> • Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor's office?

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Complaint	Example
Information you get from us	<ul style="list-style-type: none"> • Did we fail to give you a required notice? • Is our written information hard to understand?
Timeliness (These types of complaints are about the <i>timeliness</i> of our actions related to coverage decisions and appeals)	If you asked for a coverage decision or made an appeal, and you think we aren't responding quickly enough, you can make a complaint about our slowness. Here are examples: <ul style="list-style-type: none"> • You asked us for a <i>fast coverage decision</i> or a <i>fast appeal</i>, and we said no; you can make a complaint. • You believe we aren't meeting the deadlines for coverage decisions or appeals; you can make a complaint. • You believe we aren't meeting deadlines for covering or reimbursing you for certain medical items or services or drugs that were approved; you can make a complaint. • You believe we failed to meet required deadlines for forwarding your case to the independent review organization; you can make a complaint.

Section 11.2 How to make a complaint**Legal Terms:**

A **complaint** is also called a **grievance**.

Making a complaint is called **filing a grievance**.

Using the process for complaints is called **using the process for filing a grievance**.

A **fast complaint** is called an **expedited grievance**.

Step 1: Contact us promptly – either by phone or in writing.

- **Calling your Care Team at 1-866-783-1444 (TTY users call 711) is usually the first step.** If there's anything else you need to do, your Care Team will let you know.
- **If you don't want to call (or you called and weren't satisfied), you can put your complaint in writing and send it to us.** If you put your complaint in writing, we'll respond to your complaint in writing.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **All complaints are investigated by VNS Health Total** in order to understand and correct the problems that you identify.
 - We must notify you of our decision about your grievance as quickly as required based on your health status, but no later than 30 days after receiving your complaint.
 - We may extend the timeframe by up to 14 days if you request the extension or if we justify a need for additional information and the delay is in your best interest. If we must extend the deadline, we will notify you of this in writing.
 - Our written decision will explain why we denied it and will tell you about any dispute resolution options you may have.
- **Whether you call or write, you should call your Care Team at 1-866-783-1444 (TTY users call 711) right away.** You can make the complaint at any time after you had the problem you want to complain about.

Step 2: We look into your complaint and give you our answer.

- **If possible, we'll answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call.
- **Most complaints are answered within 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint. If we decide to take extra days, we'll tell you in writing.
- **If you're making a complaint because we denied your request for a fast coverage decision or a fast appeal, we'll automatically give you a fast complaint.** If you have a fast complaint, it means we'll give you an answer within 24 hours.
- **If we don't agree** with some or all of your complaint or don't take responsibility for the problem you're complaining about, we'll include our reasons in our response to you.

Section 11.3 You can also make complaints about quality of care to the Quality Improvement Organization

When your complaint is about *quality of care*, you also have 2 extra options:

- **You can make your complaint directly to the Quality Improvement Organization.** The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients. Chapter 2 has contact information.

Or

- **You can make your complaint to both the Quality Improvement Organization and us at the same time.**

Section 11.4 You can also tell Medicare and Medicaid about your complaint

You can submit a complaint about VNS Health Total directly to Medicare. To submit a complaint to Medicare, go to www.Medicare.gov/my/medicare-complaint. You can also call 1-800-MEDICARE (1-800-633-4227). TTY/TDD users call 1-877-486-2048.

You also have a right to contact the New York State Department of Health about your complaint. Contact the Department of Health by:

- Phone: 1-866-712-7197
- Mail: New York State Department of Health
Bureau of Managed Long Term Care
Technical Assistance Center

CHAPTER 10: Ending membership in our plan

SECTION 1 Ending your membership in our plan

Ending your membership in VNS Health Total may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our plan because you decide you *want* to leave. Sections 2 and 3 give information on ending your membership voluntarily.
- There are also limited situations where we're required to end your membership. Section 5 tells you about situations when we must end your membership.

If you're leaving our plan, our plan must continue to provide your medical care and prescription drugs and you'll continue to pay your cost share until your membership ends.

SECTION 2 When can you end your membership in our plan?

Section 2.1 You may be able to end your membership because you have Medicare and Medicaid

Most people with Medicare can end their membership only during certain times of the year. Because you have Medicaid, you can end your membership in our plan by choosing one of the following Medicare options in any month of the year:

- Original Medicare *with* a separate Medicare prescription drug plan
- Original Medicare *without* a separate Medicare prescription drug plan (If you choose this option and receive Extra Help, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.), or
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

Note: If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for a continuous period of 63 days or more, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

- Call your State Medicaid Office at 1-800-541-2831 (TTY users call 711) to learn about your Medicaid plan options.
- Other Medicare health plan options are available during the **Open Enrollment Period**. Section 2.2 tells you more about the Open Enrollment Period.
- **Your membership will usually end on the first day of the month after we get your request to change plans.** Your enrollment in your new plan will also begin on this day.

Section 2.2 You can end your membership during the Open Enrollment Period

You can end your membership during the **Open Enrollment Period** each year. During this time, review your health and drug coverage and decide about coverage for the upcoming year.

- The **Open Enrollment Period** is from **October 15 to December 7**.
- **Choose to keep your current coverage or make changes to your coverage for the upcoming year.** If you decide to change to a new plan, you can choose any of the following types of plans:
 - Another Medicare health plan, with or without drug coverage
 - Original Medicare *with* a separate Medicare drug plan
 - Original Medicare *without* a separate Medicare drug plan
 - If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

You get Extra Help from Medicare to pay for your prescription drugs: If you switch to Original Medicare and don't enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan, unless you've opted out of automatic enrollment.

Note: If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

- **Your membership will end in our plan** when your new plan's coverage begins on January 1.

Section 2.3 You can end your membership during the Medicare Advantage Open Enrollment Period

You can make *one* change to your health coverage during the **Medicare Advantage Open Enrollment Period** each year.

- **The Medicare Advantage Open Enrollment Period** is from January 1 to March 31 and also, for new Medicare beneficiaries who are enrolled in an MA plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement.
- **During the Medicare Advantage Open Enrollment Period** you can:
 - Switch to another Medicare Advantage Plan with or without drug coverage.
 - Disenroll from our plan and get coverage through Original Medicare. If you switch to Original Medicare during this period, you can also join a separate Medicare drug plan at the same time.
- **Your membership will end** on the first day of the month after you enroll in a different Medicare Advantage plan, or we get your request to switch to Original Medicare. If you also choose to enroll in a Medicare drug plan, your membership in the drug plan will start the first day of the month after the drug plan gets your enrollment request.

Section 2.4 In certain situations, you can end your membership during a Special Enrollment Period

In certain situations, you may be eligible to end your membership at other times of the year. This is known as a **Special Enrollment Period**.

You may be eligible to end your membership during a Special Enrollment Period if any of the following situations apply to you. These are just examples. For the full list you can contact our plan, call Medicare, or visit www.Medicare.gov.

- Usually, when you move
- If you have Medicaid
- If you're eligible for Extra Help paying for your Medicare drug coverage
- If we violate our contract with you
- If you're getting care in an institution, such as a nursing home or long-term care (LTC) hospital
- If you enroll in the Program of All-inclusive Care for the Elderly (PACE)

- **Note:** If you're in a drug management program, you may only be eligible for certain Special Enrollment Periods. Chapter 5, Section 10 tells you more about drug management programs.
- **Note:** Section 2.1 tells you more about the special enrollment period for people with Medicaid.

Enrollment time periods vary depending on your situation.

To find out if you're eligible for a Special Enrollment Period, call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. If you're eligible to end your membership because of a special situation, you can choose to change both your Medicare health coverage and drug coverage. You can choose:

- Another Medicare health plan with or without drug coverage.
- Original Medicare *with* a separate Medicare drug plan
- Original Medicare *without* a separate Medicare drug plan.
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

Note: If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

If you get Extra Help from Medicare to pay for your drug coverage drugs: If you switch to Original Medicare and don't enroll in a separate Medicare drug plan, Medicare may enroll you in a drug plan, unless you opt out of automatic enrollment.

Your membership will usually end on the first day of the month after your request to change our plans is received.

Note: Sections 2.1 and 2.2 tell you more about the special enrollment period for people with Medicaid and Extra Help.

Section 2.5 Get more information about when you can end your membership

If you have questions about ending your membership you can:

- **Call your Care Team at 1-866-783-1444 (TTY users call 711)**
- Find the information in the *Medicare & You 2026* handbook.
- Call **Medicare** at 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048)

SECTION 3 How to end your membership in our plan

The table below explains how you can end your membership in our plan.

To switch from our plan to:	Here's what to do:
Another Medicare health plan	<ul style="list-style-type: none"> • Enroll in the new Medicare health plan. • You'll automatically be disenrolled from VNS Health Total when your new plan's coverage starts.
Original Medicare <i>with</i> a separate Medicare drug plan	<ul style="list-style-type: none"> • Enroll in the new Medicare drug plan. • You'll automatically be disenrolled from VNS Health Total when your new drug plan's coverage starts.
Original Medicare <i>without</i> a separate Medicare drug plan	<ul style="list-style-type: none"> • Send us a written request to disenroll. Call your Care Team at 1-866-783-1444 (TTY users call 711) if you need more information on how to do this. • You can also call Medicare at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users call 1-877-486-2048. • You'll be disenrolled from VNS Health Total when your coverage in Original Medicare starts.

Note: If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later. If you have MLTC Legacy Status and you disenroll from the VNS Health Total MAP program, you must transfer directly to another managed long term care plan, with no break in enrollment, to retain your legacy status.

For questions about your New York State Medicaid Program benefits, call New York State Medicaid Program: 1-800-541-2831 (TTY: 711) Monday through Friday 8:00AM-8:00PM, Saturday 9:00AM-1:00PM. Ask how joining another plan or returning to Original Medicare affects how you get your New York State Medicaid Program coverage.

SECTION 4 Until your membership ends, you must keep getting your medical items, services and drugs through our plan

Until your membership VNS Health Total ends, and your new Medicare and Medicaid coverage starts, you must continue to get your medical items, services and prescription drugs through our plan.

- **Continue to use our network providers to get medical care.**
- **Continue to use our network pharmacies or mail order to get your prescriptions filled.**
- **If you're hospitalized on the day your membership ends, your hospital stay will be covered by our plan until you're discharged** (even if you're discharged after your new health coverage starts).

SECTION 5 VNS Health Total must end our plan membership in certain situations

VNS Health Total must end your membership in our plan if any of the following happen:

- If you no longer have Medicare Part A and Part B
- If you're no longer eligible for Medicaid. As stated in Chapter 1, Section 2.1, our plan is for people who are eligible for both Medicare and Medicaid. If you no longer qualify for Medicaid, you will be required to disenroll from VNS Health Total. For the VNS Health Total plan, we provide the member with 1 month for deeming continued eligibility.
- If you move out of our service area
- If you're away from our service area for more than 6 months.
 - If you move or take a long trip, call your Care Team at 1-866-783-1444 (TTY users call 711) to find out if the place you're moving or traveling to is in our plan's area.
- If you become incarcerated (go to prison)
- If you're no longer a United States citizen or lawfully present in the United States
- If you lie or withhold information about other insurance you have that provides drug coverage
- If you intentionally give us incorrect information when you're enrolling in our plan and that information affects your eligibility for our plan. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)

- If you continuously behave in a way that's disruptive and makes it difficult for us to provide medical care for you and other members of our plan. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)
- If you let someone else use your membership card to get medical care. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)
 - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.

If you have questions or want more information on when we can end your membership call your Care Team at 1-866-783-1444 (TTY users call 711).

Section 5.1 We can't ask you to leave our plan for any health-related reason

VNS Health Total isn't allowed to ask you to leave our plan for any health-related reason.

What should you do if this happens?

If you feel you're being asked to leave our plan because of a health-related reason, call Medicare at 1-800-MEDICARE (1-800-633-4227) TTY users call 1-877-486-2048.

Section 5.2 You have the right to make a complaint if we end your membership in our plan

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership.

CHAPTER 11:

Legal notices

SECTION 1 Notice about governing law

The principal law that applies to this *Evidence of Coverage* document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services (CMS). In addition, other federal laws may apply and, under certain circumstances, the laws of the state you live in. This may affect your rights and responsibilities even if the laws aren't included or explained in this document.

SECTION 2 Notice about nondiscrimination

We don't discriminate based on race, ethnicity, national origin, color, religion, sex, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get federal funding, and any other laws and rules that apply for any other reason.

If you want more information or have concerns about discrimination or unfair treatment, call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY 1-800-537-7697) or your local Office for Civil Rights. You can also review information from the Department of Health and Human Services' Office for Civil Rights at www.HHS.gov/ocr/index.html.

If you have a disability and need help with access to care, call your Care Team at 1-866-783-1444 (TTY users call 711). If you have a complaint, such as a problem with wheelchair access, Care Team can help.

NOTICE OF NON-DISCRIMINATION

VNS Health Total (HMO D-SNP), complies with Federal civil rights laws. **VNS Health Total** does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex (as defined in 45 CFR § 92.101(a)(2)).

VNS Health Total provides the following:

- Free aids and services to people with disabilities to help you communicate with us, such as:
 - Qualified sign language interpreters
 - Written information in other formats (large print, audio, accessible electronic formats, other formats)

SECTION 3 Notice about Medicare Secondary Payer subrogation rights

We have the right and responsibility to collect for covered Medicare services for which Medicare isn't the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, VNS Health Total, as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any state laws.

SECTION 4 Commitment to Compliance

At VNS Health, we know that Compliance is everyone's responsibility. This shared promise to meet our federal, state, and local requirements—in other words, our commitment to Compliance—has helped us remain one of the nation's leading health care organizations for nearly 125 years. Every day, we rededicate ourselves to doing the right thing—for our patients, clients, and plan members, for their families, for our VNS Health colleagues, and for our community.

If you have concerns that any member of the VNS Health team is not meeting our commitment to Compliance, please contact us.

Possible Compliance concerns might include:

- Bribes or exchanges for patient/member referrals or other business
- Questionable billing, coding or medical record documentation practices
- Poor quality of care
- Fraud, waste or abuse
- Any activity or business that could be interpreted as unethical or illegal

There are many ways that you can report a compliance concern:

CHAPTER 12: Definitions

Ambulatory Surgical Center – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center doesn't exceed 24 hours.

Appeal – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs you already got. You may also make an appeal if you disagree with our decision to stop services that you're getting.

Benefit Period – The way that Original Medicare measures your use of hospital and skilled nursing facility (SNF) services. A benefit period begins the day you go into a hospital or skilled nursing facility. The benefit period ends when you haven't received any inpatient hospital care (or skilled care in a SNF) for 60 days in a row. If you go into a hospital or a skilled nursing facility after one benefit period has ended, a new benefit period begins. There's no limit to the number of benefit periods.

Biological Product – A prescription drug that's made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biological products are more complex than other drugs and can't be copied exactly, so alternative forms are called biosimilars (go to "**Original Biological Product**" and "**Biosimilar**").

Biosimilar – A biological product that's very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription (go to "**Interchangeable Biosimilar**").

Brand Name Drug – A prescription drug that's manufactured and sold by the pharmaceutical company that originally researched and developed the drug. Brand name drugs have the same active-ingredient formula as the generic version of the drug. However, generic drugs are manufactured and sold by other drug manufacturers and are generally not available until after the patent on the brand name drug has expired.

Care Team (formally Member Services) – A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals.

Chapter 12 Definitions

Catastrophic Coverage Stage – The stage in the Part D Drug Benefit that begins when you (or other qualified parties on your behalf) have spent \$2,100 for Part D covered drugs during the covered year. During this payment stage, you pay nothing for your covered Part D drugs.

Centers for Medicare & Medicaid Services (CMS) – The federal agency that administers Medicare.

Chronic-Care Special Needs Plan (C-SNP) – C-SNPs are SNPs that restrict enrollment to MA eligible people who have specific severe and chronic diseases.

Coinsurance – An amount you may be required to pay, expressed as a percentage (for example 20%) as your share of the cost for services or prescription drugs.

Complaint – The formal name for making a complaint is **filing a grievance**. The complaint process is used *only* for certain types of problems. This includes problems about quality of care, waiting times, and the customer service you get. It also includes complaints if our plan doesn't follow the time periods in the appeal process.

Comprehensive Outpatient Rehabilitation Facility (CORF) – A facility that mainly provides rehabilitation services after an illness or injury, including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

Copayment (or copay) – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor's visit, hospital outpatient visit, or a prescription drug. A copayment is a set amount (for example \$10), rather than a percentage.

Cost Sharing – Cost sharing refers to amounts that a member has to pay when services or drugs are gotten. Cost sharing includes any combination of the following 3 types of payments: (1) any deductible amount a plan may impose before services or drugs are covered; (2) any fixed copayment amount that a plan requires when a specific service or drug is received; or (3) any coinsurance amount, a percentage of the total amount paid for a service or drug that a plan requires when a specific service or drug is received.

Cost-Sharing Tier – Every drug on the list of covered drugs is in one of cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the-drug.

Coverage Determination – A decision about whether a drug prescribed for you is covered by our plan and the amount, if any, you’re required to pay for the prescription. In general, if you bring your prescription to a pharmacy and the pharmacy tells you the prescription isn’t covered under our plan, that isn’t a coverage determination. You need to call or write to our plan to ask for a formal decision about the coverage. Coverage determinations are called **coverage decisions** in this document.

Covered Drugs – The term we use to mean all the drugs covered by our plan.

Covered Services – The term we use to mean all the health care services and supplies that are covered by our plan.

Creditable Prescription Drug Coverage – Prescription drug coverage (for example, from an employer or union) that’s expected to pay, on average, at least as much as Medicare’s standard prescription drug coverage. People who have this kind of coverage when they become eligible for Medicare can generally keep that coverage without paying a penalty if they decide to enroll in Medicare prescription drug coverage later.

Custodial Care – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you don’t need skilled medical care or skilled nursing care. Custodial care, provided by people who don’t have professional skills or training, includes help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn’t pay for custodial care.

Daily cost-sharing rate – A daily cost-sharing rate may apply when your doctor prescribes less than a full month’s supply of certain drugs for you and you’re required to pay a copayment. A daily cost-sharing rate is the copayment divided by the number of days in a month’s supply. Here is an example: If your copayment for a one-month supply of a drug is \$30, and a one-month’s supply in our plan is 30 days, then your daily cost-sharing rate is \$1 per day.

Deductible – The amount you must pay for health care or prescriptions before our plan pays.

Disenroll or Disenrollment – The process of ending your membership in our plan.

Dispensing Fee – A fee charged each time a covered drug is dispensed to pay for the cost of filling a prescription, such as the pharmacist’s time to prepare and package the prescription.

Chapter 12 Definitions

Dual Eligible Special Needs Plans (D-SNP) – D-SNPs enroll people who are entitled to both Medicare (Title XVIII of the Social Security Act) and medical assistance from a state plan under Medicaid (Title XIX). States cover some or all Medicare costs, depending on the state and the person's eligibility.

Dually Eligible Individual – A person who is eligible for Medicare and Medicaid coverage.

Durable Medical Equipment (DME) – Certain medical equipment that's ordered by your doctor for medical reasons. Examples include walkers, wheelchairs, crutches, powered mattress systems, diabetic supplies, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, or hospital beds ordered by a provider for use in the home.

Emergency – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and if you're a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.

Emergency Care – Covered services that are: 1) provided by a provider qualified to furnish emergency services; and 2) needed to treat, evaluate, or stabilize an emergency medical condition.

Evidence of Coverage (EOC) and Disclosure Information – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

Exception – A type of coverage decision that, if approved, allows you to get a drug that isn't on our formulary (a formulary exception), or get a non-preferred drug at a lower cost-sharing level (a tiering exception). You may also ask for an exception if our plan requires you to try another drug before getting the drug you're asking for, if our plan requires a prior authorization for a drug and you want us to waive the criteria restriction, or if our plan limits the quantity or dosage of the drug you're asking for (a formulary exception).

Extra Help – A Medicare program to help people with limited income and resources pay Medicare prescription drug program costs, such as premiums, deductibles, and coinsurance.

Generic Drug – A prescription drug that's approved by the FDA as having the same active ingredient(s) as the brand name drug. Generally, a generic drug works the same as a brand name drug and usually costs less.

Chapter 12 Definitions

Home Health Aide – A person who provides services that don't need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet, dressing, or carrying out the prescribed exercises).

Hospice – A benefit that provides special treatment for a member who has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less. Our plan must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums, you're still a member of our plan. You can still get all medically necessary services as well as the supplemental benefits we offer.

Hospital Inpatient Stay – A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an outpatient.

Income Related Monthly Adjustment Amount (IRMAA) – If your modified adjusted gross income as reported on your IRS tax return from 2 years ago is above a certain amount, you'll pay the standard premium amount and an Income Related Monthly Adjustment Amount, also known as IRMAA. IRMAA is an extra charge added to your premium. Less than 5% of people with Medicare are affected, so most people will not pay a higher premium.

Initial Coverage Stage – This is the stage before your out-of-pocket costs for the year have reached the out-of-pocket threshold amount.

Initial Enrollment Period – When you're first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. If you're eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins 3 months before the month you turn 65, includes the month you turn 65, and ends 3 months after the month you turn 65.

Institutional Special Needs Plan (I-SNP) – I-SNPs restrict enrollment to MA eligible people who live in the community but need the level of care a facility offers, or who live (or are expected to live) for at least 90 days straight in certain long-term facilities. I-SNPs include the following types of plans: Institutional-equivalent SNPs (IE-SNPs) Hybrid Institutional SNPs (HI-SNPs), and Facility-based Institutional SNPs (FI-SNPs).

Institutional-Equivalent Special Needs Plan (IE-SNP) – An IE-SNP restricts enrollment to MA eligible people who live in the community but need the level of care a facility offers.

Integrated D-SNP – A D-SNP that covers Medicare and most or all Medicaid services under a single health plan for certain groups of people eligible for both Medicare and Medicaid. These people are also known as full-benefit dually eligible people.

Chapter 12 Definitions

Interchangeable Biosimilar – A biosimilar that may be used as a substitute for an original biosimilar product at the pharmacy without needing a new prescription because it meets additional requirements about the potential for automatic substitution. Automatic substitution at the pharmacy is subject to state law.

Integrated Grievance – A type of complaint you make about our plan, providers, or pharmacies, including a complaint concerning the quality of your care. This doesn't involve coverage or payment disputes.

Integrated Organization Determination – A decision our plan makes about whether items or services are covered or how much you have to pay for covered items or services. Organization determinations are called coverage decisions in this document.

List of Covered Drugs (formulary or Drug List) – A list of prescription drugs covered by our plan.

Low Income Subsidy (LIS) – Go to Extra Help.

Manufacturer Discount Program – A program under which drug manufacturers pay a portion of our plan's full cost for covered Part D brand name drugs and biologics. Discounts are based on agreements between the federal government and drug manufacturers.

Maximum Fair Price – The price Medicare negotiated for a selected drug.

Maximum Out-of-Pocket Amount – The most that you pay out of pocket during the calendar year for covered Part A and Part B services. Amounts you pay for our Medicare Part A and Part B premiums, and prescription drugs don't count toward the maximum out-of-pocket amount. (**Note:** Because our members also get help from Medicaid, very few members ever reach this out-of-pocket maximum.)

Medicaid (or Medical Assistance) – A joint federal and state program that helps with medical costs for some people with low incomes and limited resources. State Medicaid programs vary, but most health care costs are covered if you qualify for both Medicare and Medicaid.

Medically Accepted Indication – A use of a drug that's either approved by the FDA or supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information system.

Medically Necessary – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Chapter 12 Definitions

Medicare – The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant).

Medicare Advantage Open Enrollment Period – The time period from January 1 to March 31 when members in a Medicare Advantage plan can cancel its plan enrollment and switch to another Medicare Advantage plan, or get coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time. The Medicare Advantage Open Enrollment Period is also available for a 3-month period after a person is first eligible for Medicare.

Medicare Advantage (MA) Plan – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be i) an HMO, ii) a PPO, iii) a Private Fee-for-Service (PFFS) plan, or iv) a Medicare Medical Savings Account (MSA) plan. Besides choosing from these types of plans, a Medicare Advantage HMO or PPO plan can also be a Special Needs Plan (SNP). In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug coverage**.

Medicare-Covered Services – Services covered by Medicare Part A and Part B. All Medicare health plans must cover all the services that are covered by Medicare Part A and B. The term Medicare-Covered Services doesn't include the extra benefits, such as vision, dental, or hearing, that a Medicare Advantage plan may offer.

Medicare Health Plan – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in our plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Special Needs Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

Medicare Drug coverage (Medicare Part D) – Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

Medication Therapy Management (MTM) program – A Medicare Part D program for complex health needs provided to people who meet certain requirements or are in a Drug Management Program. MTM services usually include a discussion with a pharmacist or health care provider to review medications.

Chapter 12 Definitions

Medigap (Medicare Supplement Insurance) Policy – Medicare supplement insurance sold by private insurance companies to fill *gaps* in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage plan isn't a Medigap policy.)

Member (member of our plan, or plan member) – A person with Medicare who is eligible to get covered services, who has enrolled in our plan and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

Network Pharmacy – A pharmacy that contracts with our plan where members of our plan can get their prescription drug benefits. In most cases, your prescriptions are covered only if they're filled at one of our network pharmacies.

Network Provider – Provider is the general term for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the state to provide health care services. **Network providers** have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Network providers are also called **plan providers**.

Open Enrollment Period – The time period of October 15 until December 7 of each year when members can change their health or drug plans or switch to Original Medicare.

Original Biological Product – A biological product that has been approved by the FDA and serves as the comparison for manufacturers making a biosimilar version. It is also called a reference product.

Original Medicare (Traditional Medicare or Fee-for-Service Medicare) – Original Medicare is offered by the government, and not a private health plan like Medicare Advantage plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has 2 parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

Out-of-Network Pharmacy – A pharmacy that doesn't have a contract with our plan to coordinate or provide covered drugs to members of our plan. Most drugs you get from out-of-network pharmacies aren't covered by our plan unless certain conditions apply.

Out-of-Network Provider or Out-of-Network Facility – A provider or facility that doesn't have a contract with our plan to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that aren't employed, owned, or operated by our plan.

Out-of-Pocket Costs – Go to the definition for cost sharing above. A member’s cost-sharing requirement to pay for a portion of services or drugs received is also referred to as the member’s out-of-pocket cost requirement.

Out-of-Pocket Threshold – The maximum amount you pay out of pocket for Part D drugs.

PACE plan – A PACE (Program of All-Inclusive Care for the Elderly) plan combines medical, social, and long-term services and supports (LTSS) for frail people to help people stay independent and living in their community (instead of moving to a nursing home) as long as possible. People enrolled in PACE plans get both their Medicare and Medicaid benefits through our plan.

Part C – Go to Medicare Advantage (MA) plan.

Part D – The voluntary Medicare Prescription Drug Benefit Program.

Part D Drugs – Drugs that can be covered under Part D. We may or may not offer all Part D drugs. Certain categories of drugs have been excluded from Part D coverage by Congress. Certain categories of Part D drugs must be covered by every plan.

Part D Late Enrollment Penalty – An amount added to your monthly plan premium for Medicare drug coverage if you go without creditable coverage (coverage that’s expected to pay, on average, at least as much as standard Medicare drug coverage) for a continuous period of 63 days or more after you’re first eligible to join a Part D plan. If you lose Extra Help, you may be subject to the late enrollment penalty if you go 63 days or more in a row without Part D or other creditable drug coverage.

Preferred Provider Organization (PPO) plan – A Preferred Provider Organization plan is a Medicare Advantage Plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they’re received from network or out-of-network providers. Member cost sharing will generally be higher when plan benefits are received from out-of-network providers. PPO plans have an annual limit on your out-of-pocket costs for services received from network (preferred) providers and a higher limit on your total combined out-of-pocket costs for services from both network (preferred) and out-of-network (non-preferred) providers.

Premium – The periodic payment to Medicare, an insurance company, or a health care plan for health or prescription drug coverage.

Preventive services – Health care to prevent illness or detect illness at an early stage, when treatment is likely to work best (for example, preventive services include Pap tests, flu shots, and screening mammograms).

Chapter 12 Definitions

Primary Care Provider (PCP) – The doctor or other provider you see first for most health problems. In many Medicare health plans, you must see your primary care provider before you see any other health care provider.

Prior Authorization – Approval in advance to get services or certain drugs based on specific criteria. Covered services that need prior authorization are marked in the Medical Benefits Chart in Chapter 4. Covered drugs that need prior authorization are marked in the formulary and our criteria are posted on our website.

Prosthetics and Orthotics – Medical devices including, but not limited to, arm, back, and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality Improvement Organization (QIO) – A group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients.

Quantity Limits – A management tool that’s designed to limit the use of a drug for quality, safety, or utilization reasons. Limits may be on the amount of the drug that we cover per prescription or for a defined period of time.

“Real-Time Benefit Tool” – A portal or computer application in which enrollees can look up complete, accurate, timely, clinically appropriate, enrollee-specific formulary and benefit information. This includes cost-sharing amounts, alternative formulary medications that may be used for the same health condition as a given drug, and coverage restrictions (Prior Authorization, Step Therapy, Quantity Limits) that apply to alternative medications.

Referral – A written order from your primary care doctor for you to visit a specialist or get certain medical services. Without a referral, our plan may not pay for services from a specialist.

Rehabilitation Services – These services include inpatient rehabilitation care, physical therapy (outpatient), speech and language therapy, and occupational therapy.

Selected Drug – A drug covered under Part D for which Medicare negotiated a Maximum Fair Price.

Service Area – A geographic area where you must live to join a particular health plan. For plans that limit which doctors and hospitals you may use, it’s also generally the area where you can get routine (non-emergency) services. Our plan must disenroll you if you permanently move out of our plan’s service area.

Skilled Nursing Facility (SNF) Care – Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

Special Needs Plan – A special type of Medicare Advantage plan that provides more focused health care for specific groups of people, such as those who have both Medicare and Medicaid, who live in a nursing home, or who have certain chronic medical conditions.

Step Therapy – A utilization tool that requires you to first try another drug to treat your medical condition before we'll cover the drug your physician may have initially prescribed.

Supplemental Security Income (SSI) – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits aren't the same as Social Security benefits.

Urgently Needed Services – A plan-covered service requiring immediate medical attention that's not an emergency is an urgently needed service if either you're temporarily outside our plan's service area, or it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

WELCOME TO VNS HEALTH TOTAL MEDICAID ADVANTAGE PLUS PROGRAM

Welcome to VNS Health Total Medicaid Advantage Plus (MAP) Program. The MAP Program is designed for people who have Medicare and Medicaid and who need health services and Community Based Long Term Services and Supports (CBLTSS) like home care and personal care to stay in their homes and communities as long as possible.

This handbook tells you about the added benefits VNS Health Total covers since you are enrolled in the VNS Health Total MAP Program. It also tells you how to request a service, file a complaint or disenroll from VNS Health Total MAP Program. The benefits described in this handbook are in addition to the Medicare benefits described in the VNS Health Total Medicare Evidence of Coverage. Keep this handbook with the VNS Health Total Medicare Evidence of Coverage. You need both to learn what services are covered, and how to get services.

Section I - HELP FROM MEMBER SERVICES (WHICH IS PART OF YOUR CARE TEAM)

You can call us at any time, 24 hours a day seven days a week, at the number below.

There is someone to help you at Member Services (which is part of your Care Team)

7 days a week, 8 am – 8 pm (Oct. – March), and
weekdays, 8 am – 8 pm (April – Sept.).

Call us toll free at 1-866-783-1444.

TTY users call 711

In addition, nurses are available 24 hours per day 365 days a year if you need help. You can reach them by dialing this same phone number.

Please call us if you need this document in other formats, such as large print, braille, or audio. You can get this information for free.

Section II - ELIGIBILITY FOR ENROLLMENT IN THE MAP PROGRAM

MAP is a program for people who have both Medicare and Medicaid. You are eligible to join the MAP Program if you meet all of the following requirements:

- 1) Are age **18** or older,
- 2) Reside in the plan's service area which is Albany, Bronx, Erie, Kings (Brooklyn), Monroe, Nassau, New York (Manhattan), Queens, Rensselaer, Richmond (Staten Island), Schenectady, Suffolk, and Westchester counties of New York State,
- 3) Have Medicaid,
- 4) Have evidence of Medicare Part A & B coverage,
- 5) Are eligible for nursing home level of care (as of time of enrollment) using the Community Health Assessment (CHA),
- 6) Are capable at the time of enrollment of returning to or remaining in your home and community without jeopardy to your health and safety, or you are permanently placed in a nursing home,
- 7) Are expected to require at least one of the following Community Based Long Term Services and

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

Supports (CBLTSS) covered by the MAP for more than 120 days from the effective date of enrollment:

- a. Nursing services in the home
 - b. Therapies in the home
 - c. Home health aide services
 - d. Personal care services (PCS) in the home (Level 2)*
 - e. Adult day health care,
 - f. Private duty nursing; or
 - g. Consumer Directed Personal Assistance Services,
- 8) Minimum Needs Requirements - For new enrollees, starting September 1, 2025, the MLTC Program eligibility criteria to join a Medicaid Advantage Plus (MAP) plan requires an individual to be assessed as in need of community based long term services and supports (CBLTSS) for more than 120 days and the following Minimum Need:
- at least limited assistance with physical maneuvering with more than two activities of daily living (ADLs); or
 - individuals with a Dementia or Alzheimer's diagnosis, assessed as needing at least supervision with more than one ADL

If you enrolled in any MLTC Plan prior to September 1, 2025, you will not be subject to the new Minimum Needs Requirements at reassessment as long as you remain continuously enrolled in any MLTC plan. If you leave the MLTC program and want to rejoin, you will need to meet the eligibility criteria that is in place for MLTC enrollment at the time you rejoin.

- 9) Must enroll in **VNS Health Total Medicare Advantage Dual Special Needs Plan**.

*Level 2 requires physical assistance with activities of daily living. Services such as housekeeping and shopping do not meet the need for level 2 services. More information is available in Title 18 – 505.14.

You must choose one of the doctors from the plan to be your Primary Care Provider (PCP). If you decide later to change your Medicare plan, you will also have to leave the VNS Health Total MAP Program.

The coverage explained in this Handbook becomes effective on the effective date of your enrollment in VNS Health Total MAP Program. Enrollment in the MAP Program is voluntary.

New York Independent Assessor Program (NYIAP) - Initial Assessment Process

The NYIAP will conduct an initial assessment for individuals who have expressed an interest in enrolling in a Managed Long Term Care plan. The initial assessment process includes completing the:

- **Community Health Assessment (CHA):** The CHA is used to see if you need personal care and/or consumer directed personal assistance services (PCS/CDPAS) and are eligible for enrollment in a (MLTC) plan.
- **Clinical appointment and Practitioner Order (PO):** The PO documents your clinical appointment and indicates that you:
 - have a need for help with daily activities, *and*
 - that your medical condition is stable so that you may receive PCS and/or CDPAS in your home.

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

The NYIAP will schedule both the CHA and clinical appointment. The CHA will be completed by a trained registered nurse (RN). After the CHA, a clinician from the NYIAP will complete a clinical appointment and PO a few days later.

Annually, you, a MLTC enrollee will then be reassessed by VNS Health Total, to ensure your needs still meet the MLTC Program Eligibility requirements.

VNS Health Total will use the CHA and PO outcomes to see what kind of help you need and create your plan of care. If your plan of care proposes PCS and/or CDPAS for more than 12 hours per day on average, a separate review by the NYIAP Independent Review Panel (IRP) will be needed. The IRP is a panel of medical professionals that will review your CHA, PO, plan of care and any other necessary medical documentation. If more information is needed, someone on the panel may ask to examine you and/or discuss your needs with you. The IRP will make a recommendation to VNS Health Total about whether the plan of care meets your needs.

Once NYIAP has completed the initial assessment steps and determined that you are eligible for MLTC, you can then choose which Managed Long Term Care plan in which to enroll. Because you also are enrolled in Medicare for this same plan, you have chosen to combine your benefits and enroll in VNS Health Total.

If you choose VNS Health Total as your plan, a Registered Nurse will do an assessment either virtually or by coming to your home in person, to determine the services that will be provided to you based on your needs. You will also be asked to sign an enrollment application and agreement. If you change your mind and choose not to enroll in the plan, you must withdraw your application before noon on the 20th of the month before your enrollment effective date. If the 20th falls on the weekend, the deadline would be before noon on the Friday immediately before that weekend.

In most cases, you will become a member of VNS Health Total on the first day of the month after you sign the enrollment application and agreement. We will confirm your actual enrollment date by telephone as soon as possible - usually a few days before your membership begins. Once you are a member, your Care Management Team will ensure that you get all the services that are outlined in your initial plan of care.

Your Care Team will provide you with other important documents, including your *Provider and Pharmacy Directory* and *Formulary* of prescription drugs. In addition, you will receive your Member ID Card by mail. Use this ID Card whenever you need services covered by VNS Health Total.

New York Medicaid Choice or the Local Department of Social Services must verify your Medicaid eligibility prior to enrollment in VNS Health Total.

In addition to the criteria listed at the beginning of this chapter, your enrollment in VNS Health Total would be denied in the following circumstances:

- You are currently receiving care in a hospital or residential facility operated by the State Office of Mental Health, the Office of Alcoholism and Substance Abuse Services or the Office for People with Developmental Disabilities (OPWDD).
- You are already enrolled in another Medicaid managed care program, a Home- and Community-based Services waiver program, a Day Treatment program sponsored by the Office for People with

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

Developmental Disabilities. If you terminate your participation in these programs, you can then be considered for enrollment in VNS Health Total.

- You were *involuntarily* disenrolled from VNS Health in the past, and the situation that led to your disenrollment has not been resolved.
- You do not meet the eligibility criteria described on page 266.

Please be assured that VNS Health Total does not discriminate based on health status or change in health status and need for or cost of covered services.

Denial Enrollment Procedure: If VNS Health Total receives a denial notification from CMS, you would receive a denial notification from us within 10 calendar days. To match the denial, VNS Health Total would send a cancellation to the HRA (Human Resources Administration) with CMS proof of denial. If VNS Health Total receives notification of denial from LDSS (Local Departments of Social Services), we would then send a cancellation to CMS with notification from LDSS as proof.

Network providers will be paid in full directly by VNS Health Total for each service authorized and provided to you with no co-pay or cost to you. If you receive a bill for covered services authorized by VNS Health Total you are not responsible to pay the bill. Please contact your Care Manager. You may be responsible for payment of covered services that were not authorized by VNS Health Total, or for covered services that are obtained by providers outside of the VNS Health Total network.

VNS Health Total will let you know when your PCP leaves the network and will help you choose another PCP so that you can keep getting covered services. If you are in the course of treatment for a specific illness or injury, please speak to your Care Team about transitional care. In some instances, you may be eligible for a 90-day transitional period to continue to receiving services from the physician who is leaving the VNS Health Total network until you complete your current course of treatment.

Sometimes a specialist, clinic, hospital or other network provider you are using might leave the plan's network. If your network provider leaves the plan, you will have to switch to another provider who is part of our plan. As soon as we are notified that your PCP or other provider is no longer in the network, we will contact you to notify you of this change. If your PCP has left the network, you must choose another PCP. If you choose not to do so, a new PCP will be assigned to you. Your Care Team can assist you in selecting another PCP and in-network provider.

Plan Member (ID) Card

You will receive your VNS Health Total identification (ID) card within 10 business days of your effective enrollment date. Please verify that all information is correct on your card. Be sure to carry your identification card with you at all times along with your Medicaid card. If your card becomes lost or is stolen, please contact your Care Team at 1-866-783-1444 (TTY: 711).

Section III - SERVICES COVERED BY THE VNS HEALTH TOTAL MAP PROGRAM**Deductibles and Copayments on Medicare Covered Services**

Many of the services that you receive including inpatient and outpatient hospital services, doctor's visits,

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

emergency services and laboratory tests are covered by Medicare and are described in the VNS Health Total Medicare Evidence of Coverage. Chapter 3 of the Medicare Evidence of Coverage explains the rules for using plan providers and getting care in a medical emergency or urgent care situations. Some services have deductibles and copayments. These amounts are shown in the Benefit Chart in Chapter 4 of the VNS Health Total Medicare Evidence of Coverage under the column “What you must pay when you get these covered services”. Because you have joined VNS Health Total, and you have Medicaid, VNS Health Total will pay these amounts on your behalf. You do not have to pay these deductibles and co-payments except for those that apply to some pharmacy items.

If there is a monthly premium for benefits (see Chapter 1 of the VNS Health Total Medicare Evidence of Coverage) you will not have to pay that premium since you have Medicaid. We will also cover many services that are not covered by Medicare but are covered by Medicaid. The sections below explain what is covered.

Care Management Services

As a member of our plan, you will get Care Management Services. Our plan will provide you with a Care Manager who is a health care professional – usually a nurse or a social worker. Your Care Team will work with you and your doctor to decide the services you need and develop a care plan. Your Care Team will also arrange appointments for any services you need and arrange for transportation to those services. You may contact us with any questions, concerns, or if you need additional services, etc. Your Care Team is available by phone to help you manage your illnesses and other health needs. An RN, who is a member of your Care Team, will visit you periodically to perform an assessment of your health care needs and to work with you in developing a plan of care.

In addition, nurses are available 24 hours per day 365 days a year if you need help. Call us toll free at 1-866-783-1444 (TTY: 711).

Additional Covered Services

Because you have Medicaid and qualify for the MAP program, our plan will arrange and pay for the extra health and social services described below. You may get these services as long as they are medically necessary. Your Care Manager will help identify the services and providers you need. In some cases, you may need a referral or an order from your doctor to get these services. You must get these services from the providers who are in VNS Health Total network. If you cannot find a provider in our plan or have questions about how to get services when you need them, please contact your Care Team.

 - **Occupational Therapy** – covers evaluation and treatment to help you perform activities of daily living (like dressing or bathing) to maintain current capabilities or slow decline when your doctor or other health care provider certifies you need it. Prior authorization may be required.
 - **Speech Therapy** – covers evaluation and treatment to regain and strengthen speech and language skills, including cognitive and swallowing skills, or to maintain current function or slow decline, when your doctor or other health care provider certifies you need it. Prior authorization may be required.
- **Personal Care** (such as assistance with bathing, eating, dressing, toileting and walking) – VNS Health Total will coordinate the provision of personal care to help you with such activities as personal hygiene, dressing and eating, and home-environment support. Personal care must be medically necessary. Prior authorization is required.

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

- **Home Health Care Services Not Covered by Medicare** including nursing, home health aide, occupational, physical and speech therapies. VNS Health Total coordinates the provision of home care services including care from nurses, social workers, physical therapists, occupational therapists and speech therapists. These services are provided to help maintain, rehabilitate, guide and/or support your health. The staff provide these services based on a plan of care that your physician approves, and all services are provided in your home. Prior authorization is required.
- **Nutrition** – VNS Health Total can provide nutrition services from a registered dietitian who will assess your dietary needs and make recommendations to ensure that your diet is consistent with your health and personal needs. Prior authorization is required.
- **Medical Social Services** – Medically necessary assessment, arranging and providing aid for social problems related to maintaining an individual at home. Prior authorization is required.
- **Home Delivered Meals and/or meals in a group setting such as a day care** – VNS Health Total can provide you with home-delivered or congregate meals provided in accordance with your plan of care. Typically, one or two meals are provided per day for individuals who are unable to prepare meals and who do not have personal care services to assist with meal preparation. Prior authorization is required.
- **Social Day Care** – Social day care is a structured program that provides you with socialization, personal care and nutrition in a protective setting. You may also receive services such as enhancement of daily living skills, transportation, and caregiver assistance. If interested, your Care Manager can arrange for you to attend a Social Day Care facility. Prior authorization is required.
- **Non-Emergency Transportation** – This service will be arranged by the New York State Department of Health Statewide Transportation Broker, known as Medical Answering Services (MAS). To arrange non-emergency medical transportation call 844-666-6270 (Downstate) or 866-932-7740 (Upstate), Monday – Friday, 7 am – 6 pm. If possible, you or your medical provider should contact MAS at least three days before your medical appointment and provide the details of your appointment (date, time, address, and name of provider) and your Medicaid identification number.

To learn more about these services, visit Department of Health Transportation Webpage: www.health.ny.gov/health_care/medicaid/members/medtrans_overview.htm.

- **Private Duty Nursing** – Continuous skilled nursing care is provided in your home by licensed registered professional or licensed practical nurses. Prior authorization may be required.
- **Dental** – After you enroll in VNS Health Total, you will receive your dental care from the dental network for VNS Health Total. Your Member ID Card is accepted by hundreds of fully qualified dentists in Albany, Bronx, Kings, Nassau, New York, Queens, Rensselaer, Richmond, Schenectady, Suffolk, and Westchester counties. All dental services are provided through this network, and you can select any dentist listed in your Provider and Pharmacy Directory for your care. Your Care

Manager or Care Team can help you with selecting a dentist or making an appointment, if you wish. As part of your dental benefit, you are entitled to unlimited check-ups and 2 comprehensive services per year including x-rays and restorative services such as fillings, crowns, root canals, extractions. If you need replacement dentures and implants, you will need a recommendation from your dentist to determine if it's medically necessary.

- **Social/Environmental Supports** (such as chore services, home modifications or respite) – In the event you require it, VNS Health Total can provide you with social and environmental support services and items that support your medical needs and are included in your plan of care. These services and items include but are not limited to the following: home maintenance tasks, homemaker/chore services, pest control, housing modifications to improve your safety, and respite care. Prior authorization is required.
- **Personal Emergency Response System** – PERS is an electronic device that enables members to secure help in the event of an emergency (including a physical, emotional or environmental emergency). Such systems are usually connected to a member's phone and deliver a signal to a response center once a "help" button is activated. In the event of an emergency, the signal is received and appropriately acted on by our contracted response center. Prior authorization is required.
- **Adult Day Health Care** – VNS Health Total can arrange for you to receive Adult Day Health Care in a residential health care facility or state-approved site supervised by a physician. The services provided at Adult Day Health care include medical, nursing, food and nutrition, social services, rehabilitation therapy, leisure time activities, dental, pharmaceutical, and other services. You must not be homebound and must require certain preventive or therapeutic services to attend an Adult Day Health Care center. Prior authorization is required.
- **Nursing Home Care not covered by Medicare (provided you are eligible for institutional Medicaid)** – Although we do our best to meet your needs at home, there may be times when it is more appropriate for you to receive care in a nursing home. Admission to one of our participating nursing homes is made on an individual basis. The decision to receive care in a nursing home must be made by you, your doctor, your family, and your Care Manager. There are two types of nursing home stays. They are short-term or rehabilitation stays following hospitalization and long-term stays for ongoing care. No prior hospital stay is required.
- **Inpatient Mental Health Care Over the 190-day Lifetime Medicare Limit** – VNS Health Total includes mental health care services that require a hospital stay. Medicaid covers the deductible and cost of the days in excess of the Medicare 190-day lifetime limit. There is no limit to the number of days covered by the plan each hospital stay. You are covered for up to 365 days per year (366 in a leap year) with no deductible or copayment.
- **Audiology** – Medicare and Medicaid hearing services and products when medically necessary to alleviate disability caused by the loss or impairment of hearing. Services include hearing aid selecting, fitting, and dispensing; hearing aid checks following dispensing, conformity evaluations

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

and hearing aid repairs; audiology services including examinations and testing, hearing aid evaluations and hearing aid prescriptions; and hearing aid products including hearing aids, earmolds, special fittings and replacement parts. No prior authorization required.

- **Durable Medical Equipment** – Medicare and Medicaid-covered durable medical equipment, including devices and equipment other than prosthetic or orthotic appliances having the following characteristics: can withstand repeated use for a protracted period of time; are primarily and customarily used for medical purposes; are generally not useful to a person in the absence of illness or injury and are usually fitted, designed or fashioned for a particular individual's use. Must be ordered by a qualified practitioner. No homebound prerequisite and including non-Medicare DME covered by Medicaid (e.g. tub stool; grab bars). Medical/Surgical supplies, enteral/parenteral formulas and supplements, and hearing aid batteries. Requires prior authorization.
- **Medical Supplies** – items for medical use other than drugs, prosthetic or orthotic appliances, durable medical equipment, or orthopedic footwear which have been ordered by a practitioner in the treatment of a specific medical condition and which are usually: consumable, non-reusable, disposable, for a specific rather than incidental purpose, and generally have no salvageable value. Prior authorization is required.
- **Prosthetics and Orthotics** – Medicare and Medicaid-covered prosthetics, orthotics and orthopedic footwear. No diabetic prerequisite for orthotics.
- **Optometry** – Medicare and Medicaid-covered vision services including optometry.
- **Consumer Directed Personal Assistance Services (CDPAS)** is a self-directed home care model available to Medicaid eligible consumers who are chronically ill or physically disabled and in need of home care services. Consumers who are in need of personal care, home health aide and/or or skilled nursing services may receive these services from a consumer directed personal care assistant under the direction of the enrollee or enrollee's designated representative. Your Care Manager can help determine the level of assistance with personal care services, home health aide services and/or skilled nursing services you are eligible to receive. To find out more about CDPAS and determine if it is right for you, please speak with you Care Manager. Prior authorization is required.

Covered Behavioral Health (Mental Health and Addiction) Services**Adult Outpatient Mental Health Care**

- **Continuing Day Treatment (CDT):** Provides seriously mentally ill adults with the skills and supports necessary to remain in the community and be more independent. You can attend several days per week with visits lasting more than an hour.
- **Partial Hospitalization (PH):** A program which provides mental health treatment designed to stabilize or help acute symptoms in a person who may need hospitalization.

Adult Outpatient Rehabilitation Mental Health Care

- **Assertive Community Treatment (ACT):** ACT is a team approach to treatment, support, and

rehabilitation services. Many services are provided by ACT staff in the community or where you live. ACT is for individuals that have been diagnosed with serious mental illness or emotional problems.

- **Mental Health Outpatient Treatment and Rehabilitative Services (MHOTRS):** A program that provides treatment, assessment, and symptom management. Services may include individual and group therapies at a clinic location in your community.
- **Personalized Recovery Oriented Services (PROS):** A complete recovery-oriented program if you have severe and ongoing mental illness. The goal of the program is to combine treatment, support, and therapy to aid in your recovery.

Adult Outpatient Rehabilitative Mental Health and Addiction Services for Members Who Meet Clinical Requirements. These are also known as CORE.

Community Oriented Recovery and Empowerment (CORE) Services: Person-centered, recovery program with mobile behavioral health supports to help build skills and promote community participation and independence. CORE Services are available for members who have been identified by the State as meeting the high need behavioral health risk criteria. Anyone can refer someone, or self-refer, to CORE Services.

- **Psychosocial Rehabilitation (PSR):** This service helps with life skills, like making social connections; finding or keeping a job; starting or returning to school; and using community resources.
- **Community Psychiatric Supports and Treatment (CPST):** This service helps you manage symptoms through counseling and clinical treatment.
- **Empowerment Services – Peer Supports:** This service connects you to peer specialists who have gone through recovery. You will get support and assistance with learning how to:
 - Live with health challenges and be independent.
 - Help you make decisions about your own recovery, and
 - Find natural supports and resources.
- **Family Support and Training (FST):** This service gives your family and friends the information and skills to help and support you.

Adult Mental Health Crisis Services

- **Comprehensive Psychiatric Emergency Program (CPEP):** A hospital-based program which provides crisis supports and beds for extended observation (up to 72 hours) to individuals who need emergency mental health services.
- **Mobile Crisis and Telephonic Crisis Services:** An in-community service that responds to individuals experiencing a mental health and/or addiction crisis.
- **Crisis Residential Programs:** A short term residence that provides 24 hours per day services for up to 28 days, for individuals experiencing mental health symptoms or challenges in daily life that makes symptoms worse. Services can help avoid a hospital stay and support your return to your community.

Adult Outpatient Addiction Services

- **Opioid Treatment Centers (OTP):** are Office of Addiction Services and Supports certified sites where medication to treat opioid dependency is given. These medications can include methadone, buprenorphine, and suboxone. These facilities also offer counseling and educational services. In many cases, you can get ongoing services at an OTP clinic over your lifetime.

Adult Residential Addiction Services

- **Residential Services** are for people who are in need of 24-hour support in their recovery in a residential setting. Residential services help maintain recovery through a structured, substance-free setting. You can get group support and learn skills to aid in your recovery.

Adult Inpatient Addiction Rehabilitation Services

- **State Operated Addiction Treatment Center's (ATC):** provide care that is responsive to your needs and supports long-term recovery. Staff at each facility are trained to help with multiple conditions, such as mental illness. They also support aftercare planning. Types of addiction treatment services are different at each facility but can include medication-assisted treatment; problem gambling, gender-specific treatment for men or women, and more.
- **Inpatient Addiction Rehabilitation:** programs can provide you with safe setting for the evaluation, treatment, and rehabilitation of substance use disorders. These facilities offer 24-hour, 7-day a-week care that is supervised at all times by medical staff. Inpatient services include management of symptoms related to addiction and monitoring of the physical and mental complications resulting from substance use.
- **Inpatient Medically Supervised Detox** programs offer inpatient treatment for moderate withdrawal and include supervision under the care of a physician. Some of the services you can receive are a medical assessment within twenty-four (24) hours of admission and medical supervision of intoxication and withdrawal conditions.

Behavioral Health Appointment Standards

Use the following list as the **appointment standards for our limits on how long you may have to wait after your request for a behavioral health appointment:**

- Initial appointment with an outpatient facility or clinic: 10 business days
- Initial appointment with a behavioral health care professional who is not employed by or contracted with an outpatient facility or clinic: 10 business days
- Follow-up visit after mental health/substance abuse emergency room (ER) or inpatient visit: 5 business days
- Non-urgent mental health or substance abuse visit: 5 business days

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

If you are unable to schedule a behavioral health appointment within the appointment wait times listed above, you or your designee may submit an access complaint to VNS Health Total (HMO D-SNP) by telephone, 1-866-783-1444 (TTY: 711) and in writing to the address below to resolve this issue.

VNS Health
Health Plans - Grievance & Appeals
PO Box 445
Elmsford, NY 10523

If we are unable to locate a plan participating provider that can treat your behavioral health condition, you can receive a referral to a qualified out-of-network provider who can.

Behavioral Health Access Complaint

If you are unable to schedule a behavioral health appointment and if you submit a behavioral health access complaint, VNS Health Total must provide you with the name and contact information of a provider that can treat your behavioral health condition. VNS Health Total must provide this information within three (3) business days after receiving your complaint.

Telehealth

You can receive some services through telehealth when appropriate. It is your choice if you receive services in person or through telehealth. If you have additional questions on telehealth, please contact your Care Manager.

Getting Care Outside the Service Area

You must inform your Care Manager when you travel outside your coverage area. Should you find yourself in need of services outside your coverage area, your Care Manager should be contacted to assist you in arranging services.

Emergency Service

Emergency Service means a sudden onset of a condition that poses a serious threat to your health. For medical emergencies please dial 911. As noted above, prior authorization is not needed for emergency service. However, you should notify VNS Health Total within 24 hours of the emergency. You may be in need of long-term care services after the emergency incident that can only be provided through VNS Health Total.

If you are hospitalized, a family member or other caregiver should contact VNS Health Total's Care Team within 24 hours of admission. Your Care Manager will suspend your home care services and cancel other appointments, as necessary. Please be sure to notify your primary care physician or hospital discharge planner to contact VNS Health Total so that we may work with them to plan your care upon discharge from the hospital.

Transitional Care Procedures

New enrollees in VNS Health Total may continue an ongoing course of treatment for a transitional period of up to ninety (90) days from enrollment with a non-network health care provider if the provider accepts payment at the plan rate, adheres to VNS Health Total quality assurance and other policies, and provides

medical information about the care to the plan.

If your provider leaves the network, an ongoing course of treatment may be continued for a transitional period of up to 90 days if the provider accepts payment at the plan rate, adheres to plan quality assurance and other policies, and provides medical information about the care to the plan.

Money Follows the Person (MFP)/Open Doors

Money Follows the Person (MFP)/Open Doors is a program that can help you move from a nursing home back into your home or residence in the community. You may qualify for MFP/Open Doors if you:

- Have lived in a nursing home for three months or longer and
- Have health needs that can be met through services in their community

MFP/Open Doors has people, called Transition Specialists and Peers, who can meet with you in the nursing home and talk with you about moving back to the community. Transition Specialists and Peers are different from Care Managers and Discharge Planners. They can help you by:

- Giving you information about services and supports in the community,
- Finding services offered in the community to help you be independent, and/or
- Visiting or calling you after you move to make sure that you have what you need at home

For more information about MFP/Open Doors, or to set up a visit from a Transition Specialist or Peer, please call the New York Association on Independent Living at 1-844-545-7108, or email mfp@health.ny.gov. You can also visit MFP/Open Doors on the web at www.health.ny.gov/mfp or www.ilny.org.

Social Care Networks (SCNs)

As of **January 1, 2025**, you can receive screening and referral to existing local, state and federal services through regional Social Care Networks (SCNs). If you are eligible, these local groups can connect you to services in your community that help with housing, transportation, education, employment, and care management at no cost to you.

- After screening through this SCN, you and any interested member(s) in your household can meet with a Social Care Navigator who can confirm eligibility for services that can help with individual health and well-being. They may ask you or members in your household for supporting documentation to determine where extra support may be needed.
- If you or any member(s) in your household qualify for services, the Social Care Navigator can work with you to get the support needed. You may qualify for more than one service, depending on individual eligibility. These services include:
 - Housing and utilities support:
 - Installing home modifications like ramps, handrails, grab bars, pathways, electric door openers, widening of doorways, door and cabinet handles, bathroom facilities, kitchen cabinet or sinks, and non-skid surfaces to make your home accessible and safe.
 - Mold, pest remediation, and asthma remediation services.
 - Providing an air conditioner, heater, humidifier, or dehumidifier to help improve ventilation in your home.

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

- Providing small refrigeration units needed for medical treatment.
- Helping you find and apply for safe and stable housing in the community which may include assistance with rent and utilities.

NOTE: Some housing services may be covered by your plan. Therefore, some housing services will require coordination between the Social Care Navigator and your health plan's care manager.

- Transportation services:
 - Helping you with access to public or private transportation to places approved by the SCN such as going to a job interview, parenting classes, housing court to prevent eviction, local farmers' markets, and city or state department offices to obtain important documents
- Care management services:
 - Getting help with finding a job or job training program, applying for public benefits, managing your finances, and more.
 - Getting connected to services like childcare, counseling, crisis intervention, health homes program, and more.

Getting in Contact with an SCN in your area:

1. You may call us at 1-866-783-1444 (TTY: 711) and we will connect you to a SCN in your area.
2. You may call the SCN within your county and request a screening or more information. See the SCN contact information in the chart below.
3. You may also visit their website to begin a self-screening.

Once connected with the SCN, a Social Care Navigator will confirm your eligibility by asking questions, requesting supporting documentation (if necessary), tell you more about eligible services, and help you get connected to them.

Section IV - MEDICAID SERVICES NOT COVERED BY OUR PLAN

There are some Medicaid services that VNS Health Total does not cover but may be covered by regular Medicaid. You can get these services from any provider who takes Medicaid by using your Medicaid Benefit Card. Call your Care Team at 1-866-783-1444 (TTY: 711) if you have a question about whether a benefit is covered by VNS Health Total or Medicaid. Some of the services covered by Medicaid using your Medicaid Benefit Card include:

Pharmacy

Most prescription drugs are covered by VNS Health Total Medicare Part D as described in section 6 of the VNS Health Total Medicare Evidence of Coverage (EOC). Regular Medicaid will cover some drugs not covered by VNS Health Total Medicare Part D. Medicaid may also cover drugs that we deny. The services listed below are services available through regular Medicaid.

Certain Mental Health Services, including:

- Health Home (HH) and Health Home Plus (HH+) Care Management services
- Rehabilitation Services Provided to Residents of OMH Licensed Community Residences (CRs) and Family Based Treatment Programs
- OMH Day Treatment
- OASAS Residential Rehabilitation for Youth
- Certified Community Behavioral Health Clinics (CCBHC)
- OMH Residential Treatment Facility (RTF)

For MAP enrollees up to the age of 21:

- Children and Family Treatment and Support Services (CFTSS)
- Children's Home and Community Based Services (HCBS)

The services listed below are services available through regular Medicaid:

Certain Intellectual Disability and Developmental Disabilities Services, including:

- Long-term therapies
- Day Treatment
- Medicaid Service Coordination
- Services received under the Home and Community Based Services Waiver

Other Medicaid Services

- Directly Observed Therapy for TB (Tuberculosis)
- Medically necessary ovulation enhancing drugs and medical services related to prescribing and monitoring the use of such drugs, for members meeting criteria

Family Planning

- Members may go to any Medicaid doctor or clinic that provides family planning care. You do not need a referral from your Primary Care Provider (PCP).

Non-Emergency Transportation

- Covered under regular Medicaid and arranged by the Statewide Transportation Broker, with the exception of Social Adult Daycare (SADC) programs. SADC providers are responsible for providing transportation to and from their programs for members effective January 1, 2025.

SERVICES NOT COVERED BY VNS HEALTH TOTAL OR MEDICAID

You must pay for services that are not covered by VNS Health Total or by Medicaid if your provider tells you in advance that these services are not covered, AND you agree to pay for them. Examples of services not covered by VNS Health Total or Medicaid are:

- Cosmetic surgery if not medically needed
- Personal and Comfort items
- Services of a provider that is not part of the plan outside of a medical emergency (unless VNS Health Total authorizes you to see that provider)

If you have any questions, call your Care Team at 1-866-783-1444 (TTY: 711).

Section V - SERVICE AUTHORIZATION, APPEALS AND COMPLAINTS PROCESSES

You have Medicare and also get assistance from Medicaid. Information in this section covers your rights for all of your Medicare and most of your Medicaid benefits. In most cases, you will use one process for your Medicare and/or Medicaid benefits. This is sometimes called an “integrated process” because it integrates Medicare and Medicaid processes.

However, for some of your Medicaid benefits, you may also have the right to an additional External Appeals process. See page 290 for more information on the External Appeals process.

Section 1: Service Authorization Request (also known as Coverage Decision Request)

Information in this section applies to all of your Medicare and most of your Medicaid benefits. This information does not apply to your Medicare Part D prescription drug benefits.

When you ask for approval of a treatment or service, it is called a **service authorization request (also known as a coverage decision request)**. To get a service authorization request:

You or your provider may call your Care Team toll-free at 1-866-783-1444 (TTY: 711) or send your request in writing to:

VNS Health Total

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

Health Plans - Medical Management Department
220 East 42nd Street
New York, NY 10017

We will authorize services in a certain amount and for a specific period of time. This is called an **authorization period**.

Prior Authorization

Some covered services require **prior authorization** (approval in advance) from the VNS Health Total Medical Management Department before you get them. You or someone you trust can ask for prior authorization.

Requests for new or additional covered services may be obtained through your Care Team by you, your designated representative, or your provider. Requests can be made verbally or in writing. Your Care Team will assist you in obtaining authorization for covered services requiring prior authorization. The following treatments and services must be approved **before** you get them:

- Personal Care Services
- Home Health Care
- Adult Day Health Care Services
- Chore or Housekeeping Services
- Consumer Directed Personal Assistance Services
- Environmental Modifications
- Home Delivered Meals
- Home Safety Modifications
- Medical Equipment
- Medical and Surgical Supplies
- Nursing Home Care
- Medical Social Services
- Nutrition Services
- Personal Emergency Response System (PERS)
- Private Duty Nursing
- Social Day Care Service

Concurrent Review

You can also ask the VNS Health Medical Management Department to get more of a service than you are getting now. This is called **concurrent review**.

Retrospective Review

Sometimes we will do a review on the care you are getting to see if you still need the care. We may also review other treatments and services you already got. This is called **retrospective review**. We will tell you

if we do these reviews.

What happens after we get your service authorization request

The health plan has a review team to be sure you get the services you qualify for. Doctors and nurses are on the review team. Their job is to be sure the treatment or services you asked for are medically needed and right for you. They do this by checking your treatment plan against acceptable medical standards.

We may decide to deny a service authorization request or to approve it for an amount that is less than you asked for. A qualified health care professional will make these decisions. If we decide that the service you asked for is not medically necessary, a clinical peer reviewer will make the decision. A clinical peer reviewer may be a doctor, a nurse, or a health care professional who typically provides the care you asked for. You can ask for the specific medical standards, called **clinical review criteria**, used to make the decision about medical necessity.

After we get your request, we will review it under either a **standard** or a **fast-track** process. You or your provider can ask for a fast-track review if you or your provider believes that a delay will cause serious harm to your health. If we deny your request for a fast-track review, we will tell you and handle your request under the standard review process. In all cases, we will review your request as fast as your medical condition requires us to do so, but no later than mentioned below. More information on the fast-track process is below.

We will tell you and your provider both by phone and in writing if we approve or deny your requested amount. We will also tell you the reason for the decision. We will explain what options you have if you don't agree with our decision.

Standard Process

Generally, we use the **standard timeframe** for giving you our decision about your request for a medical item, treatment, or service unless we have agreed to use the fast-track deadlines.

- A standard review for a prior authorization request means we will give you an answer within 3 workdays of when we have all the information we need, but no later than **14 calendar days** after we get your request. If your case is a **concurrent review** where you are asking for a change to a service you are already getting, we will make a decision within 1 workday of when we have all the information we need but will give you an answer no later than 14 calendar days after we get your request.
- **We can take up to 14 more calendar days** if you ask for more time or if we need information (such as medical records from out-of-network providers) that may benefit you. If we decide to take extra days to make the decision, we will tell you in writing what information is needed and why the delay is in your best interest. We will make a decision as quickly as we can when we receive the necessary information, but no later than 14 days from the day we asked for more information.
- If you believe we should **not** take extra days, you can file a **fast complaint**.

When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (The process

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

for making a complaint is different from the process for service authorizations and appeals. For more information about the process for making complaints, including fast complaints, see Section 5: What To Do If You Have A Complaint About Our Plan.)

If we do not give you our answer within 14 calendar days (or by the end of the extra days if we take them), you can file an appeal.

- **If our answer is yes to part or all of what you asked for**, we will authorize the service or give you the item that you asked for.
- **If our answer is no to part or all of what you asked for**, we will send you a written notice that explains why we said no. Section 2: Level 1 Appeals (also known as Level 1) later in this chapter tells how to make an appeal.

Special timeframes for other requests:

- If you are asking for inpatient rehabilitation services after an inpatient hospital admission, we will make a decision within 1 work day of when we have all the information we need, but no later than 7 days after we receive your request. We will tell you by the 7th day if we need more information.

Fast Track Process

If your health requires it, ask us to give you a **fast service authorization**.

- A fast review of a prior authorization request means we will give you an answer within 1 workday of when we have all the information we need but no later than **72 hours** from when you made your request to us.
- We can take **up to 14 more calendar days** if we find that some information that may benefit you is missing (such as medical records from out-of-network providers) or if you need time to get information to us for the review. If we decide to take extra days, we will tell you in writing what information is needed and why the delay is in your best interest. We will make a decision as quickly as we can when we receive the necessary information, but no later than 14 days from the day we asked for more information.
- If you believe we should not take extra days, **you can file a fast complaint** (For more information about the process for making complaints, including fast complaints, see Section 5: What To Do If You Have A Complaint About Our Plan, below, for more information.) We will call you as soon as we make the decision.
- If we do not give you our answer within 72 hours (or if there is an extended time period, by the end of that period) you can file an appeal. See Section 2: Level 1 Appeals, below for how to make an appeal.

To get a fast service authorization, you must meet two requirements:

1. You are asking for coverage for medical care you have not gotten yet. (You cannot get a fast service authorization if your request is about payment for medical care, you already got.)

2. Using the standard deadlines could cause serious harm to your life or health or hurt your ability to function.

If your provider tells us that your health requires a fast service authorization, we will automatically agree to give you a fast service authorization.

If you ask for a fast service authorization on your own, without your provider's support, we will decide whether your health requires that we give you a fast service authorization.

If we decide that your medical condition does not meet the requirements for a fast service authorization, we will send you a letter that says so (and we will use the standard deadlines instead).

- This letter will tell you that if your provider asks for the fast service authorization, we will automatically give a fast service authorization.
- The letter will also tell how you can file a "fast complaint" about our decision to give you a standard service authorization instead of the fast service authorization you asked for. (For more information about the process for making complaints, including fast complaints, see "**Section 5: What To Do If You Have A Complaint About Our Plan**" later in this chapter.)

If our answer is yes to part or all of what you asked for, we must give you our answer within 72 hours after we got your request. If we extended the time needed to make our service authorization on your request for a medical item or service, we will give you our answer by the end of that extended period.

If our answer is no to part or all of what you asked for, we will send you a detailed written explanation as to why we said no. If you are not satisfied with our answer, you have the right to file an appeal with us. See Section 2: Level 1 Appeals, below for more information.

If you do not hear from us within these timeframes, it is the same as if we denied your service authorization request. If this happens, you have the right to file an appeal with us. See Section 2: Level 1 Appeals, below for more information.

If we are changing a service you are already getting:

- In most cases, if we make a decision to reduce, suspend or stop a service we have already approved that you are now getting, we must tell you at least 10 days before we change the service.
- If we are reviewing care that you got in the past, we will make a decision about paying for it within 30 days of getting necessary information for the retrospective review. If we deny payment for a service, we will send a notice to you and your provider the day we deny the payment. **You will not have to pay for any care you got that the plan or Medicaid-covered even if we later deny payment to the provider.**

You may also have special Medicare rights if your coverage for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services is ending. For more information about these rights, refer to Chapter 9 of the VNS Health Total Evidence of Coverage.

What To Do If You Want To Appeal A Decision About Your Care

If we say no to your request for coverage for a medical item or service, you decide if you want to make an appeal.

- If we say no, you have the right to make an appeal and ask us to reconsider this decision. Making an appeal means trying again to get the medical care coverage you want.
- If you decide to make an appeal, it means you are going on to Level 1 of the appeals process (see below).
- VNS Health Total can also explain the complaints and appeals processes available to you depending on your complaint. You can call your Care Team at 1-866-783-1444 (TTY: 711) to get more information on your rights and the options available to you.

At any time in the process, you, or someone you trust can also file a complaint about the review time with the New York Medicaid by calling 1-866-712-7197.

Section 2: Level 1 Appeals (also known as a Plan Level Appeal)

Information in this section applies to all of your Medicare and most of your Medicaid benefits. This information does not apply to your Medicare Part D prescription drug benefits.

There are some treatments and services that you need approval for before you get them or to be able to keep getting them. This is called prior authorization. Asking for approval of a treatment or service is called a service authorization request. We describe this process earlier in Section 1 of this chapter. If we decide to deny a service authorization request or to approve it for an amount that is less than asked for, you will receive a notice called an Integrated Coverage Determination Notice.

If you receive an Integrated Coverage Determination Notice and disagree with our decision, you have the right to make an appeal. Making an appeal means trying to get the medical item or service you want by asking us to review your request again.

You can file a Level 1 Appeal:

When you appeal a decision for the first time, this is called a Level 1 Appeal, or a Plan Appeal. In this appeal, we review the decision we made to see if we properly followed all the rules. Different reviewers handle your appeal than the ones who made the original unfavorable decision. When we complete the review, we will give you our decision. Under certain circumstances, which we discuss below, you can request a fast appeal.

Steps to file a Level 1 Appeal:

- If you are not satisfied with our decision, you have **sixty-five (65) days** from the date on the Integrated Coverage Determination Notice to file an appeal. If you miss this deadline and have a good reason for missing it, we may give you more time to file your appeal. Examples of good cause for missing the deadline may include if you had a serious illness that kept you from contacting us or if we gave you incorrect or incomplete information about the deadline for asking for an appeal.

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

- If you are appealing a decision, we made about coverage for care you have not gotten yet, you and/or your provider will need to decide if you need a **“fast appeal.”**
 - The requirements and procedures for getting a fast appeal are the same as for getting a “fast track service authorization.” To ask for a fast appeal, follow the instructions for asking for a fast track service authorization. (These instructions are given in Section 1, in the Fast Track Process section.)
 - If your provider tells us that your health requires a “fast appeal,” we will give you a fast appeal.
 - If your case was a **concurrent review** where we were reviewing a service you are already getting, you will automatically get a fast appeal.
- You can file an appeal yourself or ask someone you trust to file the Level 1 Appeal for you. You can call us at 1-866-783-1444 (TTY: 711) if you need help filing a Level 1 Appeal.
 - Only someone you name in writing can represent you during your appeal. If you want a friend, relative, or other person to be your representative during your appeal, you can complete the Appeal Request Form that is attached to the Integrated Coverage Determination Notice, complete an Appointment of Representative form, or write and sign a letter naming your representative.
 - This letter should be sent to:

VNS Health
Health Plans – Care Team
220 East 42nd Street
New York, NY 10017

- To get an “Appointment of Representative” form, call us and ask for the form. You can also get the form on the Medicare website at <https://www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf> or on our website at vnshealthplans.org. The form gives the person permission to act for you.

The form should be sent to:

VNS Health
Health Plans – Care Team
220 East 42nd Street
New York, NY 10017

You must give us a copy of the signed form, **OR**

- You can write a letter and send it to us at the address above. (You or the person named in the letter as your representative can send us the letter.)
- We will not treat you any differently or act badly toward you because you file a Level 1 Appeal.

- You can make the Level 1 Appeal by phone or in writing. After your call, we will send you a form that summarizes your phone appeal. You can make any needed changes to the summary before signing and returning the form to us.

Continuing Your Service or Item While Appealing a Decision About Your Care

If we told you we were going to stop, suspend, or reduce services or items that you were already getting, you may be able to keep those services or items during your appeal.

- If we decided to change or stop coverage for a service or item that you currently get, we will send you a notice before taking action.
- If you disagree with the action, you can file a Level 1 Appeal.
- We will continue covering the service or item if you ask for a Level 1 Appeal within 10 calendar days of the date on the Integrated Coverage Determination Notice or by the intended effective date of the action, whichever is later.
- If you meet this deadline, you can keep getting the service or item with no changes while your Level 1 Appeal is pending. You will also keep getting all other services or items (that are not the subject of your appeal) with no changes.
- **Note:** If your provider is asking that we continue a service or item you are already getting during your appeal, you may need to name your provider as your representative.

What happens after we get your Level 1 Appeal

- Within 15 days, we will send you a letter to let you know we are working on your Level 1 Appeal. We will let you know if we need additional information to make our decision.
- We will send you a copy of your case file, free of charge, which includes a copy of the medical records and any other information and records we will use to make the appeal decision. If your Level 1 Appeal is fast tracked, there may be a short time to review this information. It is important to keep this information that we send to you.
- Qualified health professionals who did not make the first decision will decide appeals of clinical matters. At least one will be a clinical peer reviewer.
- Non-clinical decisions will be handled by persons who work at a higher level than the people who worked on your first decision.
- You can also provide information to be used in making the decision in person or in writing. Call us at 1-866-783-1444 (TTY: 711) if you are not sure what information to give us.
- We will give you the reasons for our decision and our clinical rationale, if it applies. If we deny your request or approve it for an amount that is less than you asked for, we will send you a notice called an Appeal Decision Notice. If we say no to your Level 1 Appeal, we will automatically send your case on to the next level of the appeals process.

Timeframes for a Standard Appeal

- If we are using the standard appeal timeframes, we must give you our answer on a request **within 30 calendar days** after we get your appeal if your appeal is about coverage for services, you have not gotten yet.
- We will give you our decision sooner if your health condition requires us to.
- However, if you ask for more time or if we need to gather more information that may benefit you, **we can take up to 14 more calendar days**. If we decide we need to take extra days to make the decision, we will tell you in writing what information is needed and why the delay is in your best interest. We will make a decision as quickly as we can when we receive the necessary information, but no later than 14 days from the day we asked for more information.
 - If you believe we should **not** take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours.
 - For more information about the process for making complaints, including fast complaints, see Section 5: What To Do If You Have A Complaint About Our Plan, below, for more information.
- If we do not give you an answer by the applicable deadline above (or by the end of the extra days we took on your request for a medical item or service), we are required to send your request on to Level 2 of the appeals process where an independent outside organization will review it.
 - We talk about this review organization and explain what happens at Level 2 of the appeals process in Section 3: Level 2 Appeals.
- **If our answer is yes to part or all of what you asked for**, we must authorize or provide the coverage we have agreed to provide within 72 hours of when we make our decision.
- **If our answer is no to part or all of what you asked for**, to make sure we followed all the rules when we said no to your appeal, **we are required to send your appeal to the next level of appeal**. When we do this, it means that your appeal is going on to the next level of the appeals process, which is Level 2 (described in Section 3).

Timeframes for a Fast Appeal

- When we are using the fast timeframes, we must give you our answer **within 72 hours after we get your appeal**. We will give you our answer sooner if your health requires us to do so.
- If you ask for more time or if we need to gather more information that may benefit you, we **can take up to 14 more calendar days**. If we decide to take extra days to make the decision, we will tell you in writing what information is needed and why the delay is in your best interest. We will make a decision as quickly as we can when we receive the necessary information, but no later than 14 days from the day we asked for more information.
- If we do not give you an answer within 72 hours (or by the end of the extra days we took), we are

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

required to automatically send your request on to Level 2 of the appeals process which is discussed below in Section 3: Level 2 Appeals.

If our answer is yes to part or all of what you asked for, we must authorize or provide the coverage we have agreed to provide within 72 hours after we get your appeal.

If our answer is no to part or all of what you asked for, we will automatically send your appeal to an independent review organization for a Level 2 Appeal. You or someone you trust can also file a complaint with the plan if you don't agree with our decision to take more time to review your action appeal.

- During the Level 2 Appeal, an independent review organization, called the Office of Administrative Hearings or Hearing Office, reviews our decision on your first appeal. This organization decides whether the decision we made should be changed.
- We tell you about this organization and explain what happens at Level 2 of the appeals process later in Section 3: Level 2 Appeals.

At any time in the process, you or someone you trust can also file a complaint about the review time with the New York Medicaid by calling 1-866-712-7197.

Section 3: Level 2 Appeals

Information in this section applies to **all** of your Medicare and most of your Medicaid benefits. This information does not apply to your Medicare Part D prescription drug benefits.

If we say “**No**” to your Level 1 Appeal, your case will **automatically** be sent on to the next level of the appeals process. During the Level 2 Appeal, the **Hearing Office** reviews our decision for your Level 1 appeal. This organization decides whether the decision we made should be changed.

- **The Hearing Office is an independent New York State agency.** It is not connected with us. Medicare and Medicaid oversee its work.
- We will send the information about your appeal to this organization. This information is called your case file. **You have the right to ask us for a free copy of your case file.**
- You have a right to give the Hearing Office additional information to support your appeal.
- Reviewers at the Hearing Office will take a careful look at all the information related to your appeal. The Hearing Office will contact you to schedule a hearing.
- If you had a fast appeal to our plan at Level 1 because your health could be seriously harmed by waiting for a decision under a standard timeframe, you will automatically get a fast appeal at Level 2. The review organization must give you an answer to your Level 2 Appeal **within 72 hours** of when it gets your appeal.
- If the Hearing Office needs to gather more information that may benefit you, **it can take up to 14 more calendar days.**

If you had a standard appeal at Level 1, you will also have a standard appeal at Level 2

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

- If you had a standard appeal to our plan at Level 1, you would automatically get a standard appeal at Level 2.
- The review organization must give you an answer to your Level 2 Appeal **within sixty (60) calendar days** of when it gets your appeal. There is a total of 90 days available between the date you request a plan appeal (Level 1) and the date that the Hearing Office decides your Level 2 appeal.
- If the Hearing Office needs to gather more information that may benefit you, it can take up to 14 more calendar days.

If you qualified for continuation of benefits when you filed your Level 1 Appeal, your benefits for the service, item, or drug under appeal will also continue during Level 2. Go to page 286 for information about continuing your benefits during Level 1 Appeals.

The Hearing Office will tell you about its decision in writing and explain the reasons for it.

- If the Hearing Office says **yes** to part or all your request, we must authorize the service or give you the item **within one business day of when we get the Hearing Office's decision.**
- If the Hearing Office says **no** to part or all of your appeal, it means they agree with our plan that your request (or part of your request) for coverage for medical care should not be approved. (This is called “upholding the decision” or “turning down your appeal.”)

If the Hearing Office says “No” to part or all of your appeal, you can choose whether you want to take your appeal further.

- There are two additional levels in the appeals process after Level 2 (for a total of four levels of appeal).
- If your Level 2 Appeal is turned down, you must decide whether you want to go on to Level 3 and make a third appeal. The written notice you got after your Level 2 Appeal has the details on how to do this.
- The Medicare Appeals Council handles the Level 3 Appeal. After that, you may have the right to ask a federal court to look at your appeal.

At any time in the process, you or someone you trust can also file a complaint about the review time with the New York Department of Health by calling 1-866-712-7197.

Section 4: External Appeals for Medicaid Only

You or your doctor can ask for an External Appeal for **Medicaid-covered benefits only**. You can ask New York State (the State) for an independent **external appeal** if our plan decides to deny coverage for a medical service you and your doctor asked for because it is:

- not medically necessary or
- experimental or investigational or

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

- not different from care you can get in the plan's network or
- available from a participating provider who has correct training and experience to meet your needs.

This is called an External Appeal because reviewers who do not work for the Plan or the State make the decision. These reviewers are qualified people approved by the State. The service must be in the plan's benefit package or be an experimental treatment. You do not have to pay for an external appeal.

Before you appeal to the State:

- You must file a Level 1 appeal with the plan and get the Plan's Appeal Decision Notice; *or*
- You may ask for an expedited External Appeal at the same time if you have not gotten the service and you ask for a fast appeal. (Your doctor will have to say an expedited Appeal is necessary); *or*
- You and the plan may agree to skip the plan's appeals process and go directly to External Appeal; *or*
- You can prove the plan did not follow the rules correctly when processing your Level 1 appeal.

You have **4 months** after you get the Plan's Appeal Decision Notice to ask for an External Appeal. If you and the plan agreed to skip the plan's appeals process, then you must ask for the External Appeal within 4 months of when you made that agreement.

To ask for an External Appeal, fill out an application and send it to the Department of Financial Services.

- You can call Member Services (which is part of your Care Team) at 1-866-783-1444 (TTY: 711) if you need help filing an appeal.
- You and your doctors will have to give information about your medical problem.
- The External Appeal application says what information will be needed. Here are some ways to get an application:
 - Call the Department of Financial Services, 1-800-400-8882
 - Go to the Department of Financial Services' website at www.dfs.ny.gov.
 - Contact the health plan at 1-866-783-1444 (TTY: 711)

The reviewer will decide your External Appeal in 30 days. If the External Appeal reviewer asks for more information, more time (up to five workdays) may be needed. The reviewer will tell you and the plan the final decision within two days after making the decision.

You can get a faster decision if your doctor says that a delay will cause serious harm to your health. This is called an **expedited External Appeal**. The External Appeal reviewer will decide an expedited appeal in 72 hours or less. The reviewer will tell you and the plan the decision right away by phone or fax. Later, the reviewer will send a letter that tells you the decision.

At any time in the process, you or someone you trust can also file a complaint about the review time with the New York State Department of Health by calling 1- 866-712-7197.

Section 5: What To Do If You Have A Complaint About Our Plan

Information in this section applies to **all** of your Medicare and Medicaid benefits, except Medicare Part D. This information does not apply to your Medicare Part D prescription drug benefits.

We hope our plan serves you well. If you have a problem with the care or treatment you get from our staff or providers or if you do not like the quality of care or services you get from us, call your Care Team at 1-866-783-1444 (TTY: 711) or write to your Care Team. The formal name for making a complaint is filing a grievance.

You can ask someone you trust to file the complaint for you. If you need our help because of a hearing or vision impairment or if you need translation services, we can help you. We will not make things hard for you or take any action against you for filing a complaint.

How to File a Complaint:

- **Usually, calling your Care Team is the first step.** If there is anything else you need to do, your Care Team will let you know. 1-866-783-1444 (TTY: 711).
- If you do not wish to call (or you called and were not satisfied), **you can put your complaint in writing and send it to us.** If you put your complaint in writing, we will respond to your complaint in writing.
- Please include the description of your complaint, the date of the incident, and any provider information, if applicable.
- **Whether you call or write, you should contact your Care Team right away.** You can make the complaint at any time after you had the problem you want to complain about.

What happens next?

- **If possible, we will answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call. If your health condition requires us to answer quickly, we will do that.
- **We answer complaints within 30 calendar days.**
- If you are making a complaint because we denied your request for a fast service authorization or a fast appeal, **we will automatically give you a fast complaint.** If you have a fast complaint, it means we will give you **an answer within 24 hours.**
- If we need more information and the delay is in your best interest or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint. If we decide to take extra days, we will tell you in writing.
- However, if you have already asked us for a service authorization or made an appeal, and you think that we are not responding quickly enough, you can also make a complaint about our slowness. Here are examples of when you can make a complaint:
 - If you asked us to give you a fast service authorization or a fast appeal and we said we will not.

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

- If you believe we are not meeting the deadlines for giving you a service authorization or an answer to an appeal you made.
- When a service authorization we made is reviewed and we are told that we must cover or reimburse you for certain medical services or drugs within certain deadlines and you think we are not meeting the deadlines.
- When we do not give you a decision on time and we do not forward your case to the Hearing Office by the required deadline.
- **If we do not agree** with some or all of your complaint or don't take responsibility for the problem you are complaining about, we will let you know. Our response will include our reasons for this answer. We must respond whether we agree with the complaint or not.

Complaint Appeals

If you disagree with a decision we made about your complaint about your Medicaid benefits, you or someone you trust can file a **complaint appeal** with the plan.

How to make a complaint appeal:

- If you are not satisfied with what we decide, you have sixty (60) workdays after hearing from us to file a complaint appeal;
- You can do this yourself or ask someone you trust to file the complaint appeal for you.
- You must make the complaint appeal in writing.
 - If you make an appeal by phone, you must follow it up in writing.
 - After your call, we will send you a form that summarizes your phone appeal.
 - If you agree with our summary, you must sign and return the form to us. You can make any needed changes before sending the form back to us.

What happens after we get your complaint appeal?

After we get your complaint appeal, we will send you a letter within 15 workdays. The letter will tell you:

- Who is working on your complaint appeal.
- How to contact this person.
- If we need more information.

One or more qualified people will review your complaint appeal. These reviewers are at a higher level than the reviewers who made the first decision about your complaint.

If your complaint appeal involves clinical matters, one or more qualified health professionals will review your case. At least one of them will be a clinical peer reviewer who was not involved in making the first decision about your complaint.

We will let you know our decision within 30 workdays from the time we have all information needed. If a

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

delay would risk your health, you will get our decision in 2 workdays of when we have all the information. We will give you the reasons for our decision and our clinical rationale if it applies.

If you are still not satisfied, you or someone on your behalf can file a complaint at any time with the New York State Department of Health at 1-866 712-7197.

Participant Ombudsman

The Participant Ombudsman, called the Independent Consumer Advocacy Network (ICAN), is an independent organization that provides free ombudsman services to long term care recipients in the state of New York. You can call ICAN to get free, independent advice about your coverage, complaint, and appeal options. They can help you manage the appeal process.

SECTION VI - DISENROLLMENT FROM VNS HEALTH TOTAL MAP PROGRAM

Enrollees shall not be disenrolled from the Medicaid Advantage Plus Product based on any of the following reasons:

- High utilization of covered medical services, an existing condition or a change in the Enrollee's health, *or*
- diminished mental capacity or uncooperative or disruptive behavior resulting from his or her special needs unless the behavior results in the Enrollee becoming ineligible for Medicaid Advantage Plus.

You Can Choose to Voluntary Disenroll

You can ask to leave the VNS Health Total, MAP PROGRAM at any time for any reason.

To request disenrollment, call 1-866-783-1444 (TTY: 711). It could take up to six weeks to process, depending on when your request is received. You may disenroll to regular Medicaid or join another health plan as long as you qualify. If you continue to require Community Based Long Term Services and Supports (CBLTSS), like personal care, you must join another MLTC plan or Home and Community Based Waiver program, in order to continue to receive CBLTSS services.

Removal of Plan Legacy Status

In order to retain Plan Legacy, the member must be continuously enrolled in the MLTC Program, including PACE. MLTC plans must educate members about the loss of Plan Legacy Status prior to disenrollment. MLTC plans, including PACE Plans, are responsible for maintaining the Plan Legacy Status indicators in the UAS-NY. Plan 4

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

Legacy will only be removed by the MLTC plan when a member is disenrolled from the MLTC Program.

If the member is transferring to another MLTC plan with no break in enrollment, the Plan Legacy will remain on file. The MLTC plan must verify that the member is transferring to another plan.

You Will Have to Leave VNS Health Total, MAP Program if:

- You no longer are in VNS Health Total for your Medicare coverage,
- You no longer are Medicaid eligible,
- You need nursing home care, but are not eligible for institutional Medicaid,
- You are out of the plan's service area for more than thirty (30) consecutive days,
- You permanently move out of VNS Health Total/ service area,
- You are no longer eligible for nursing home level of care as determined using the Community Health Assessment (CHA), unless the termination of the services provided by the plan could reasonably be expected to result in you being eligible for nursing home level of care within the succeeding six-month period,
- At the point of any reassessment while living in the community, you are determined to no longer demonstrate a functional or clinical need for Community Based Long Term Services and Supports (CBLTSS),
- You have not received one of the CBLTSS services such as adult day health care, private duty nursing, home health aide services, CDPAS, or services in home including personal care services (Level 2), nursing services or therapies. Please note that Social Adult Day Care services or therapies. Please note that Social Adult Day Care services alone do not qualify you for continued enrollment,
- You join a Home and Community Based Services Waiver program, or become a resident of an Office for People with Developmental Disabilities residential program.
- You become a resident of an Office of Mental Health (OMH) or Office of Addiction Services and Supports (OASAS) residential program (that is not a MAP plan covered benefit) for forty-five (45) consecutive days or longer.)
- You refused to complete a required reassessment.

We May Ask You to Leave the VNS Health Total, MAP Program if:

- You or family member or informal caregiver or other person in the household engages in conduct or behavior that seriously impairs the plan's ability to furnish services.
- You knowingly provide fraudulent information on an enrollment form, or you permit abuse of an enrollment card in the MAP Program;
- You fail to complete and submit any necessary consent or release; or
- You fail to pay or make arrangements to pay the amount of money, as determined by the Local District of Social Services (LDSS), owed to the plan as spenddown/surplus within 30 days after amount first becomes due. We will have made reasonable effort to collect.

Chapter 13 Welcome to VNS Health Total Medicaid Advantage Plus

Before being involuntarily disenrolled, VNS Health Total will obtain the approval of New York Medicaid Choice (NYMC) or entity designated by the State to notify you of the intent to disenroll. The effective date of disenrollment will be the first day of the month following the month in which the disenrollment is processed. If you continue to need CBLTSS, you will be required to choose another plan or you will be auto assigned to another plan to provide you with coverage for needed services. Upon re-enrollment in the MAP Program, you may need to be assessed by NYIAP again.

Section VII - CULTURAL AND LINGUISTIC COMPETENCY

VNS Health Total honors your beliefs and is sensitive to cultural diversity. We respect your culture and cultural identity and work to eliminate cultural disparities. We maintain an inclusive culturally competent provider network and promote and ensure delivery of services in a culturally appropriate manner to all enrollees. This includes but is not limited to those with limited English skills, diverse cultural and ethnic backgrounds, and diverse faith communities.

Section VIII - MEMBER RIGHTS AND RESPONSIBILITIES

VNS Health Total will make every effort to ensure that all members are treated with dignity and respect. At the time of enrollment, your Care Manager will explain your rights and responsibilities to you. If you require interpretation services, your Care Manager will arrange for them. Staff will make every effort in assisting you with exercising your rights.

Member Rights

- You have the right to receive medically necessary care.
- You have the right to timely access to care and services.
- You have the right to privacy about your medical record and when you get treatment.

- You have the right to complain to the New York State Department of Health or your Local Department of Social Services; and, the right to request a fair hearing through the Office of administrative Hearings and/or a New York State External Appeal, where appropriate.
- You have the right to appoint someone to speak for you about your care and treatment.
- You have the right to seek assistance from the Participant Ombudsman program.

Member Responsibilities

- You have the responsibility to receive covered services through VNS Health Total.
- You have the responsibility to use VNS Health Total network providers for these covered services, to the extent network providers are available.
- You have the responsibility to obtain prior authorization for covered services, except for pre-approved covered services or in emergencies;
- You have the responsibility to see your physician if a change in your health status occurs.
- You have the responsibility to share complete and accurate health information with your health care providers.
- You have the responsibility to inform VNS Health Total staff of any changes in your health, and making it known if you do not understand or are unable to follow instructions.
- You have the responsibility to follow the plan of care recommended by the VNS Health Total staff (with your input.)
- You have the responsibility to cooperate with and be respectful with the VNS Health Total staff and not discriminate against VNS Health Total staff because of race, color, national origin, religion, gender, age, mental or physical ability, sexual orientation or marital status.
- You have the responsibility to notify VNS Health Total within two business days of receiving non-covered or non-pre-approved services.
- You have the responsibility to notify VNS Health Total health care team in advance whenever you will not be home to receive services or care that has been arranged for you.
- You have the responsibility to inform VNS Health Total before permanently moving out of the service area, or of any lengthy absence from the service area.
- You have the responsibility for consequences of your actions if you refuse treatment or do not follow the instructions of your caregiver.
- You have the responsibility to meet your financial obligations.

Advance Directives

Advance Directives are legal documents that ensure that your requests are fulfilled in the event you cannot make decisions for yourself. Advance directives can come in the form of a Health Care Proxy, a Living Will or a Do Not Resuscitate Order. These documents can instruct what care you wish to be given under certain circumstances, and/or they can authorize a particular family member or friend to make decisions on your behalf.

It is your right to make advance directives as you wish. It is most important for you to document how you would like your care to continue if you are no longer able to communicate with providers in an informed way due to illness or injury. Please contact your Care Manager for assistance in completing these documents. If you already have an advanced directive, please share a copy with your Care Manager for assistance in completing these documents. If you already have an advance directive, please share a copy with your Care Manager.

Information Available on Request

- Information regarding the structure and operation of VNS Health Total.
- Specific clinical review criteria relating to a particular health condition and other information that VNS Health Total considers when authorizing services.
- Policies and procedures on protected health information.
- Written description of the organizational arrangements and ongoing procedures of the quality assurance and performance improvement program.
- Provider credentialing policies.
- A recent copy of the VNS Health Total certified financial statement; and policies and procedures used by VNS Health Total to determine eligibility of a provider.

Electronic Notice Option

VNS Health and our vendors can send you notices about service authorizations, plan appeals, complaints and complaint appeals electronically, instead of by phone or mail. We can also send you communications about your member handbook, our provider directory, and changes to Medicaid managed care benefits electronically, instead of by mail.

We can send you these notices to you by phone, web portal, or mail.

If you want to get these notices electronically, you must ask us. To ask for electronic notices contact us by:
