Get the most from your OTC benefit!

As a VNS Health EasyCare member, you get a Healthy Extras card to buy eligible OTC items you need every quarter (three-month period). Your allowance amount is printed on the card carrier and will automatically be loaded onto your card at the start of each quarter. Balances left over at the end of the quarter do not carry over.

This catalog includes important information about how to use your OTC benefits. Please keep it handy, so you can refer to it when you need to buy OTC items.

Activating and Managing Your Healthy Extras Card

Before you use your card for the first time, you must activate it. Follow the instructions included on the sticker on the front of your card. As soon as it's activated, you can start shopping with your Healthy Extras card.

- **To find out your current available balance**, you can call 1-888-682-2400 (TTY: 711) 24/7 or visit mybenefitscenter.com and log in with your Healthy Extras card number. You can also view your balance on the member portal.
- **If your order total is more than your available balance**, you'll need to cover the additional amount. Your full OTC benefit must be used before other forms of payment (such as credit cards) will be accepted. Your order total will be applied to the benefit period in which the order is received.

See the OTC product listing starting on **page 14** for a list of covered items. Please note that products are intended for personal use. For this reason, we don't allow returns or exchanges.
