

Health Plans Provider Portal: How to Access the Provider Quality Incentive Program (PQIP) Report

The **Provider Quality Incentive Program Report** provides summary and detailed performance information, including incentives earned as of the reporting date, and maximum possible incentive amounts.

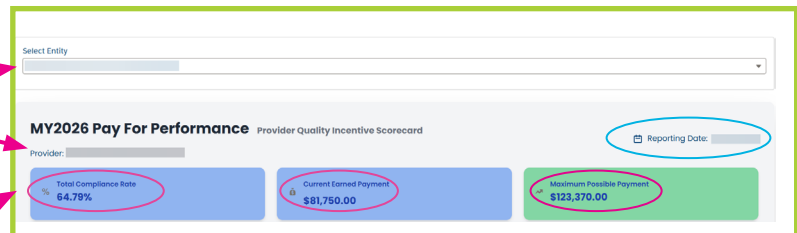

- 1 Log in to the [portal](#). From the left sidebar navigation, click **Gaps In Care**, then select **PQIP Report** from the dropdown menu.

- 2 On the next screen, select an entity from the dropdown menu, if applicable.

- 3 The Provider Quality Incentive Program Page will open for the selected **entity and provider** for the current measurement year (MY). The Reporting Date is found on the upper right.

The Scorecard tiles show: **Total Compliance Rate**, **Current Earned Payment**, and **Maximum Possible Payment** if all gaps are closed.

- 4 Below the Scorecard, the **Quality Measures Performance** table shows each quality measure's payment per closed gap, admin compliance, denominator, compliance rate, maximum payment, and total payment.
